Yvette Johnson issues this Citation: Assessment of Fine and Order of Abatement (Citation) in her official capacity as Enforcement Chief of the Bureau for Private Postsecondary Education (Bureau) of the California Department of Consumer Affairs.

**CITATION**

A Third Modified Citation is hereby issued to Coding House Institute, a Delaware Corporation (CHI), located at of 2995 Woodside Road Suite 400, Woodside, CA 94602 pursuant to Business and Professions Code section 125.9 and 149; California Education Code (CEC) section 94944; and Title 5 of the California Code of Regulations (5 CCR) section 75020 for the violation(s) described below.

**BACKGROUND**

On April 18, 2014, the Bureau received CHI's Application for Approval to Operate an Institution Non-Accredited signed by N.J, Chief Executive Officer of CHI.

On June 3, 2015, the Bureau issued a Notice of Denial of Application for Approval to Operate. The Bureau's denial was based on CHI's failure to submit a current financial statement completed by a licensed Certified Public Accountant (CPA), multiple deficiencies found in the school catalog and enrollment agreement, and CHI's noncompliance with record maintenance policies. On July 17, 2015, the Bureau received an appeal for the denial of the approval to operate an institution non-accredited. On November 12, 2015, the Bureau filed a Statement of Issues (SOI) against CHI. The hearing regarding the denial of CHI's application for approval to operate is scheduled for November 14, 2016 to November 16, 2016. The Bureau notified CHI on multiple occasions, (Operating an Educational Institution Without Proper Approval letter, Receipt of Application letter and Notice of Denial of Application for Approval to Operate letter), that CHI did not have an approval to operate and as such

was subject to a citation for up to \$50,000.00. CHI continues to operate by enrolling students into its educational programs and charging the students tuition fees that range from between \$8,000 to \$16,000 as well as a percentage of the student's first year's salary.

The Bureau has also received complaints and evidence of enrollment from students that attended or are currently in attendance at CHI. CHI has continued to mislead students into believing the institution is approved by the Bureau by charging students a Student Tuition Recovery Fund (STRF) Assessment Fee and by providing students with School Performance Fact Sheets (SPFS).

Based on the findings of the Bureau's investigation, a citation for unlicensed activity is warranted and a First Amended SOI was issued on June 23, 2016 to include the unlicensed activity violation.

The Bureau found that CHI was operating from residential locations in Fremont and Pleasanton. When it was discovered and reported that CHI was operating a school and boarding house, in violation of city ordinances, CHI would move to another location. CHI was issued zoning violations by the cities of Fremont and Pleasanton.

VIOLATION(S)

#	The California Education Code (CEC), Title 5 of the California Code of Regulations (5 CCR), and Business and Professions Code (B&P). Below you will find the code section(s) of law you are charged with violating.

On April 18, 2014, the Bureau received CHI's Application for Approval to Operate an Institution Non-Accredited.

On October 6, 2014, the Bureau commenced an investigation on CHI based on the receipt of a student complaint.

On February 9, 2015, the Bureau mailed an "Operating Educational Institution without Proper Approval" letter via regular and certified mail to N.J, Chief Executive Officer of CHI. The letter stated the Bureau has evidence that CHI is advertising as a private postsecondary educational institution and offering educational programs that require Bureau approval. The Bureau ordered CHI to cease operations and submit evidence of compliance within 30 days of the date of the letter. Despite the Bureau's order, CHI continued to operate as a private postsecondary educational institution.

On June 3, 2015, the Bureau sent CHI a Notice of Denial of Application for Approval via regular and certified mail. The Bureau's notice informed CHI that it does not have Bureau approval and is prohibited from operating a private postsecondary institution in California.

Between April 2016 and September 2016, the Bureau received six complaints from students who were enrolled in CHI after the Bureau's denial. The contract agreements submitted by four complainants were for a Full Immersion Boot Camp program that cost between \$8,000 to \$16,000 as well as a percentage of the student's first year's salary.

In May, 2016, CHI provided the Bureau a SPFS with supporting data that indicated 54 students were enrolled at CHI between June 8, 2015 and October 26, 2015. This demonstrates that CHI continued to operate and enroll students even after they were informed to discontinue offering educational programs.

Through the investigation the Bureau found that CHI was operating from the following locations:

- 46684 Windmill Drive, Fremont, CA 94539, (property vacated February 2016)
- 349 Harvard Commons, Fremont, CA 94539 (property vacated July 2016).
- 3381 East Ruby Hill Drive, Pleasanton, CA 94566.

CHI advertises a Full Immersion Live-In Coding Boot Camp program on its website at <https://codinghouse.co/#!home>. The listed payment options for this program vary from \$18,000 if the student pays upfront to \$4,000 with 22% of the student's first year's salary. CHI also maintains a Facebook page at <https://www.facebook.com/codinghouse.co> that lists telephone number (650) 853-8000 and an address of 2995 Woodside Road Suite 400, Woodside, CA 94602.

Despite the Bureau's requests for compliance and/or to cease operations as a private postsecondary educational institution, CHI, has ignored the Bureau and knowingly continues to operate without approval.

**Order of Abatement:**

1. The Bureau orders that CHI, cease to operate as a private postsecondary educational institution. CHI must discontinue recruiting or enrolling students and cease all instructional services and advertising in any form or type of media (including Internet web sites), until such time as an approval to operate is obtained from the Bureau.
