CITATION

A Citation is hereby issued to Chanta (Gary) Ho, Owner of JJ Truck Driving School (Institution) located at 39899 Balentine Drive, #200 Newark, CA 94560 pursuant to Business and Professions Code section 125.9 and 149; California Education Code (CEC) section 94944; and Title 5 of the California Code of Regulations (5, CCR) section 75020 for the violation(s) described below.

BACKGROUND

On February 24, 2017, the Bureau received a complaint alleging that the Institution is operating without Bureau approval. Through the course of the investigation and evidence obtained, it was determined that the Institution is operating without Bureau approval or a valid exemption.

VIOLATION(S)

#	Below you will find the California Education Code (CEC) and/or Title 5 of the California Code of Regulations (5, CCR code) section(s) of law you are charged with violating.
1.	<p><b>Violation:</b>  <b>CEC Section 94886. Approval to Operate Required</b>  <i>"Except as exempted in Article 4 (commencing with Section 94874) or in compliance with the transition provisions in Article 2 (commencing with Section 94802), a person shall not open, conduct, or do business as a private postsecondary educational institution in this state without obtaining an approval to operate under this chapter."</i></p>

**CEC Section 94817.5. Approved to Operate or Approved**

"Approved to operate" or "approved" means that an institution has received authorization pursuant to this chapter to offer to the public and to provide postsecondary educational programs."

**CEC Section 94868. To Offer to the Public**

"To offer to the public" means to advertise, publicize, solicit, or recruit."

**CEC Section 94869. To Operate**

"To operate" means to establish, keep, or maintain any facility or location in this state where, or from which, or through which, postsecondary educational programs are provided."

On July 13, 2017, Bureau staff visited the Institution at 39899 Balentine Drive, #200 Newark, CA 94560 and spoke with the receptionist who stated the owner was not in the office.

On August 1, 2017, Bureau staff contacted the owner via email requesting a complete list of the programs offered and total charges for those programs, any advertisement and/or brochures, the physical locations where his trucks are stored, and where students attend classes. The owner did not respond to the Bureau by the due date of August 7, 2017.

On March 6, 2019, Bureau staff contacted the owner via telephone. The owner stated that the Institution does not operate as an institution but rather as a private company that offers one-on-one instruction. The owner further stated that the Institution offers a Class A driver's license course for \$3500.00 and a Class B licensure course for \$2500.00. Bureau staff informed the owner that the Institution was operating a postsecondary education program outside of an exemption and that it required Bureau approval. Bureau staff emailed the same information to the owner.

The Bureau has determined the Institution is offering a Class A driver's license course for \$3500.00, which is over \$2500.00, and therefore does not meet the exemption of CEC section 94874(f).

**Order of Abatement:**

The Bureau orders that the Institution cease to operate as a private postsecondary educational institution, unless the Institution qualifies for an exemption under CEC section 94874. The Institution must discontinue recruiting or enrolling students and cease all instructional services and advertising in any form or type of media, including [www.transforwardfreight@gmail.com](mailto:www.transforwardfreight@gmail.com), and any other websites not identified here that are associated with the Institution, until such time as an approval to operate is obtained from the Bureau. The Institution must disconnect all telephone service numbers including, but not limited to, (510) 461-5315, that are associated with the Institution until such time as an approval to operate is obtained from the Bureau. To comply with the Order of Abatement the Institution must submit a school closure plan to the Bureau pursuant to California Education Code section 94926. The Institution must provide a roster of each student currently enrolled at the Institution. The roster must include the names of the students, their contact information (including phone number, email address, and physical address), the programs in which they are enrolled, the amount paid for the programs.
