DEFINITIONS

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.

- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

In order to be eligible for a refund students attending Sutech School of Vocational and Technical Training must meet criteria that is outlined in our Refund Policy detailed below:

A student has the right to cancel the enrollment agreement and obtain a refund to the paying entity of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. If a student is rejected for training or if a course is canceled, the paying entity will receive a refund of all monies paid within 45 days. A Student may withdraw from school at any time and the paying entity will receive a refund of any paid but unused tuition. If a Student withdraws or is suspended or expelled after the aforementioned 7 day period for cancellation, all tuition and fees (i.e., educational costs), less a registration fee not to exceed \$75 shall be refunded on a pro-rata basis. Cancellation shall occur when you provide notice to the institution. Notice must be provided in writing form in person or by mail at 3455 E. Olympic Blvd., Los Angeles, CA 90023; or by fax (323) 262-0459; phone or email notice will not be accepted.

If the Student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

The college shall refund 100 percent of the amount paid for institutional charges, less the registration fee or unreturned books/materials fee not to exceed seven hundred fifty dollars (\$750), if notice of cancellation is made through attendance at the first class session, or the seventh class day after enrollment, whichever is later.

The college also provides a pro-rata refund policy for the return of unearned institutional charges if the student cancels an enrollment agreement or withdraws during a period of attendance and has completed 60 percent or less of the period of attendance in their program.

The pro rata refund shall be no less than the total amount owed by the student for the portion of the educational program provided subtracted from the amount paid by the student or the paying entity, calculated as follows:

(1) The amount owed equals the daily charge for the program (total institutional charge, divided by the number of days or hours in the program), multiplied by the number of days student attended, or was scheduled to attend, prior to withdrawal.

(2) Except as provided for in subdivision (3), all amounts paid by the student in excess of what is owed as calculated in subdivision (1) shall be refunded.

(3) Except as provided herein, all amounts that the student or the paying entity has paid shall be subject to refund excluding the seventy five dollar (\$75.00) registration fee, Student Tuition Recovery Fund fee, and any unreturned/used books, supplies or equipment. This non-refundable amount shall not total more than seven hundred and fifty dollars (\$750.00). Books, supplies and equipment are considered non-refundable once they have been opened or used.

If the school has collected money from a student for transmittal on the student's behalf to a third party for a bond, library usage, or fees for a license, application, or examination and the institution has not paid the money to the third party at the time of the student's withdrawal or cancellation, the institution shall refund the money to the student within 45 days of the student's withdrawal or cancellation.

The school shall refund any credit balance on the student's account within 45 days after the date of the student's completion of, or withdrawal from, their educational program in which they were enrolled. For purposes of this section "day" means calendar day.

If you, the student, defaults on a federal or state loan, both of the following may occur:

- a. The federal or state government or a loan guarantee agency may take action against you, the student, including garnishing an income tax refund; and/or
- b. You, the student, may not be eligible for any other government financial assistance at another institution until the loan is repaid.

If the Student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

The college shall refund 100 percent of the amount paid for institutional charges, less the registration fee or unreturned books/materials fee not to exceed seven hundred fifty dollars (\$750), if notice of cancellation is made through attendance at the first class session, or the seventh class day after enrollment, whichever is later.

The college also provides a pro-rata refund policy for the return of unearned institutional charges if the student cancels an enrollment agreement or withdraws during a period of attendance and has completed 60 percent or less of the period of attendance in their program.

The pro rata refund shall be no less than the total amount owed by the student for the portion of the educational program provided subtracted from the amount paid by the student or the paying entity, calculated as follows:

(1) The amount owed equals the daily charge for the program (total institutional charge, divided by the number of days or hours in the program), multiplied by the number of days student attended, or was scheduled to attend, prior to withdrawal.

(2) Except as provided for in subdivision (3), all amounts paid by the student in excess of what is owed as calculated in subdivision (1) shall be refunded.

(3) Except as provided herein, all amounts that the student or the paying entity has paid shall be subject to refund excluding the seventy five dollar (\$75.00) registration fee, Student Tuition Recovery Fund fee, and any unreturned/used books, supplies or equipment. This non-refundable amount shall not total more than seven hundred and fifty dollars (\$750.00). Books, supplies and equipment are considered non-refundable once they have been opened or used.

If the school has collected money from a student for transmittal on the student's behalf to a third party for a bond, library usage, or fees for a license, application, or examination and the institution has not paid the money to the third party at the time of the student's withdrawal or cancellation, the institution shall refund the money to the student within 45 days of the student's withdrawal or cancellation.

The school shall refund any credit balance on the student's account within 45 days after the date of the student's completion of, or withdrawal from, their educational program in which they were enrolled. For purposes of this section "day" means calendar day.

If you, the student, defaults on a federal or state loan, both of the following may occur:

- a. The federal or state government or a loan guarantee agency may take action against you, the student, including garnishing an income tax refund; and/or
- b. You, the student, may not be eligible for any other government financial assistance at another institution until the loan is repaid.

DEFINITIONS

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.

- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

In order to be eligible for a refund students attending Sutech School of Vocational and Technical Training must meet criteria that is outlined in our Refund Policy detailed below:

A student has the right to cancel the enrollment agreement and obtain a refund to the paying entity of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. If a student is rejected for training or if a course is canceled, the paying entity will receive a refund of all monies paid within 45 days. A Student may withdraw from school at any time and the paying entity will receive a refund of any paid but unused tuition. If a Student withdraws or is suspended or expelled after the aforementioned 7 day period for cancellation, all tuition and fees (i.e., educational costs), less a registration fee not to exceed \$75 shall be refunded on a pro-rata basis. Cancellation shall occur when you provide notice to the institution. Notice must be provided in writing form in person or by mail at 3455 E. Olympic Blvd., Los Angeles, CA 90023; or by fax (323) 262-0459; phone or email notice will not be accepted.

If the Student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

The college shall refund 100 percent of the amount paid for institutional charges, less the registration fee or unreturned books/materials fee not to exceed seven hundred fifty dollars (\$750), if notice of cancellation is made through attendance at the first class session, or the seventh class day after enrollment, whichever is later.

The college also provides a pro-rata refund policy for the return of unearned institutional charges if the student cancels an enrollment agreement or withdraws during a period of attendance and has completed 60 percent or less of the period of attendance in their program.

The pro rata refund shall be no less than the total amount owed by the student for the portion of the educational program provided subtracted from the amount paid by the student or the paying entity, calculated as follows:

(1) The amount owed equals the daily charge for the program (total institutional charge, divided by the number of days or hours in the program), multiplied by the number of days student attended, or was scheduled to attend, prior to withdrawal.

(2) Except as provided for in subdivision (3), all amounts paid by the student in excess of what is owed as calculated in subdivision (1) shall be refunded.

(3) Except as provided herein, all amounts that the student or the paying entity has paid shall be subject to refund excluding the seventy five dollar (\$75.00) registration fee, Student Tuition Recovery Fund fee, and any unreturned/used books, supplies or equipment. This non-refundable amount shall not total more than seven hundred and fifty dollars (\$750.00). Books, supplies and equipment are considered non-refundable once they have been opened or used.

If the school has collected money from a student for transmittal on the student's behalf to a third party for a bond, library usage, or fees for a license, application, or examination and the institution has not paid the money to the third party at the time of the student's withdrawal or cancellation, the institution shall refund the money to the student within 45 days of the student's withdrawal or cancellation.

The school shall refund any credit balance on the student's account within 45 days after the date of the student's completion of, or withdrawal from, their educational program in which they were enrolled. For purposes of this section "day" means calendar day.

If you, the student, defaults on a federal or state loan, both of the following may occur:

DEFINITIONS

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.

- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

In order to be eligible for a refund students attending Sutech School of Vocational and Technical Training must meet criteria that is outlined in our Refund Policy detailed below:

A student has the right to cancel the enrollment agreement and obtain a refund to the paying entity of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. If a student is rejected for training or if a course is canceled, the paying entity will receive a refund of all monies paid within 45 days. A Student may withdraw from school at any time and the paying entity will receive a refund of any paid but unused tuition. If a Student withdraws or is suspended or expelled after the aforementioned 7 day period for cancellation, all tuition and fees (i.e., educational costs), less a registration fee not to exceed \$75 shall be refunded on a pro-rata basis. Cancellation shall occur when you provide notice to the institution. Notice must be provided in writing form in person or by mail at 3455 E. Olympic Blvd., Los Angeles, CA 90023; or by fax (323) 262-0459; phone or email notice will not be accepted.

If the Student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

The college shall refund 100 percent of the amount paid for institutional charges, less the registration fee or unreturned books/materials fee not to exceed seven hundred fifty dollars (\$750), if notice of cancellation is made through attendance at the first class session, or the seventh class day after enrollment, whichever is later.

The college also provides a pro-rata refund policy for the return of unearned institutional charges if the student cancels an enrollment agreement or withdraws during a period of attendance and has completed 60 percent or less of the period of attendance in their program.

The pro rata refund shall be no less than the total amount owed by the student for the portion of the educational program provided subtracted from the amount paid by the student or the paying entity, calculated as follows:

(1) The amount owed equals the daily charge for the program (total institutional charge, divided by the number of days or hours in the program), multiplied by the number of days student attended, or was scheduled to attend, prior to withdrawal.

(2) Except as provided for in subdivision (3), all amounts paid by the student in excess of what is owed as calculated in subdivision (1) shall be refunded.

(3) Except as provided herein, all amounts that the student or the paying entity has paid shall be subject to refund excluding the seventy five dollar (\$75.00) registration fee, Student Tuition Recovery Fund fee, and any unreturned/used books, supplies or equipment. This non-refundable amount shall not total more than seven hundred and fifty dollars (\$750.00). Books, supplies and equipment are considered non-refundable once they have been opened or used.

If the school has collected money from a student for transmittal on the student's behalf to a third party for a bond, library usage, or fees for a license, application, or examination and the institution has not paid the money to the third party at the time of the student's withdrawal or cancellation, the institution shall refund the money to the student within 45 days of the student's withdrawal or cancellation.

The school shall refund any credit balance on the student's account within 45 days after the date of the student's completion of, or withdrawal from, their educational program in which they were enrolled. For purposes of this section "day" means calendar day.

If you, the student, defaults on a federal or state loan, both of the following may occur:

- a. The federal or state government or a loan guarantee agency may take action against you, the student, including garnishing an income tax refund; and/or
- b. You, the student, may not be eligible for any other government financial assistance at another institution until the loan is repaid.

DEFINITIONS

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.

- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

In order to be eligible for a refund students attending Sutech School of Vocational and Technical Training must meet criteria that is outlined in our Refund Policy detailed below:

A student has the right to cancel the enrollment agreement and obtain a refund to the paying entity of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. If a student is rejected for training or if a course is canceled, the paying entity will receive a refund of all monies paid within 45 days. A Student may withdraw from school at any time and the paying entity will receive a refund of any paid but unused tuition. If a Student withdraws or is suspended or expelled after the aforementioned 7 day period for cancellation, all tuition and fees (i.e., educational costs), less a registration fee not to exceed \$75 shall be refunded on a pro-rata basis. Cancellation shall occur when you provide notice to the institution. Notice must be provided in writing form in person or by mail at 3455 E. Olympic Blvd., Los Angeles, CA 90023; or by fax (323) 262-0459; phone or email notice will not be accepted.

If the Student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

The college shall refund 100 percent of the amount paid for institutional charges, less the registration fee or unreturned books/materials fee not to exceed seven hundred fifty dollars (\$750), if notice of cancellation is made through attendance at the first class session, or the seventh class day after enrollment, whichever is later.

The college also provides a pro-rata refund policy for the return of unearned institutional charges if the student cancels an enrollment agreement or withdraws during a period of attendance and has completed 60 percent or less of the period of attendance in their program.

The pro rata refund shall be no less than the total amount owed by the student for the portion of the educational program provided subtracted from the amount paid by the student or the paying entity, calculated as follows:

(1) The amount owed equals the daily charge for the program (total institutional charge, divided by the number of days or hours in the program), multiplied by the number of days student attended, or was scheduled to attend, prior to withdrawal.

(2) Except as provided for in subdivision (3), all amounts paid by the student in excess of what is owed as calculated in subdivision (1) shall be refunded.

(3) Except as provided herein, all amounts that the student or the paying entity has paid shall be subject to refund excluding the seventy five dollar (\$75.00) registration fee, Student Tuition Recovery Fund fee, and any unreturned/used books, supplies or equipment. This non-refundable amount shall not total more than seven hundred and fifty dollars (\$750.00). Books, supplies and equipment are considered non-refundable once they have been opened or used.

If the school has collected money from a student for transmittal on the student's behalf to a third party for a bond, library usage, or fees for a license, application, or examination and the institution has not paid the money to the third party at the time of the student's withdrawal or cancellation, the institution shall refund the money to the student within 45 days of the student's withdrawal or cancellation.

The school shall refund any credit balance on the student's account within 45 days after the date of the student's completion of, or withdrawal from, their educational program in which they were enrolled. For purposes of this section "day" means calendar day.

If you, the student, defaults on a federal or state loan, both of the following may occur:

- a. The federal or state government or a loan guarantee agency may take action against you, the student, including garnishing an income tax refund; and/or
- b. You, the student, may not be eligible for any other government financial assistance at another institution until the loan is repaid.
