

INTERCOAST

InterCoast Colleges

School Catalog

Effective July 1, 2018 to December 31, 2019

Website: www.intercoast.edu

This catalog is updated annually. Inserts and addendums will be published as needed and will supplement the catalog.

Applicants are provided with a copy of this catalog in person or via the link on the institution's website, <http://intercoast.edu> where it is also available to the general public.

INTERCOAST COLLEGES

CALIFORNIA CAMPUSES

ANAHEIM

MAIN CAMPUS

388 W. Cerritos Ave. Bldg 7, Anaheim, CA 92805
(714) 712-7900

FAIRFIELD

BRANCH CAMPUS

2480 Hilborn Road, Fairfield, CA 94534
(707) 421-9700

RANCHO CORDOVA

BRANCH CAMPUS

9738 Lincoln Village Dr. Suite 120, Rancho Cordova, CA 95827
(916) 714-5402

RIVERSIDE

BRANCH CAMPUS

1989 Atlanta Avenue Riverside, CA 92507
(951) 779-1300

WEST COVINA

BRANCH CAMPUS

2235-B East Garvey Avenue North, W. Covina, CA 91791
(626) 337-6800

Instruction is held at the campus or, for online students, through the online student portal.

Unless noted in the enrollment agreement, or subsequent enrollment agreement addendum, students will not be required to attend different locations in order to meet their course requirements.

APPROVAL DISCLOSURE STATEMENT

InterCoast Colleges, a private institution, was granted institutional approval to operate by the BPPE, Bureau for Private Postsecondary Education pursuant to California Education Code, Title 3, Division 10, Part 59, Chapter 8. The Bureau's approval means that the institution and its operation comply with the minimum standards established under the law for occupational instruction by private postsecondary educational institutions and does not imply endorsement or recommendation. A student or any member of the public may file a complaint about this institution with the Bureau for Private Postsecondary Education by calling (888) 370-7589 toll-free or by completing a complaint form, which can be obtained on the Bureau's Internet website www.bppe.ca.gov

Any questions a student may have regarding this catalog that have not been satisfactorily answered by the institution may be directed to the Bureau for Private Postsecondary Education at 2535 Capitol Oaks Drive, Suite 400, Sacramento, CA 95833, www.bppe.ca.gov Toll Free telephone number (888) 370-7589, or (916) 431-6959, or by fax: (916) 263-1897 As a prospective student, you are encouraged to review this catalog prior to signing an enrollment agreement. You are also encouraged to review the School Performance Fact Sheet, which must be provided to you prior to signing an enrollment agreement.

**Additional Information located on each Program's page details the breakdown of Academic Credits. The institution does not provide English-as-a-Second Language instruction.

Instruction is in residence with facility occupancy levels accommodating approximately 200-300 students, depending on campus location. Some courses are available online. Graduates of InterCoast who successfully complete the course of study, are awarded an appropriate diploma (AAS Degree) or certificate (all other programs).

Prospective enrollees for on-campus programs are encouraged to visit the physical facilities of the school and to discuss personal educational and occupational plans with school personnel prior to enrolling or signing enrollment agreements. Persons seeking to resolve problems or complaints should first contact the instructor or Student Services Coordinator. Requests for further action may be made to the Campus President. Unresolved problems at the campus level may contact the President by email at president@intercoast.edu or by calling (818) 402-5207.

History of InterCoast

InterCoast was originally founded as a travel school in South Orange County. The first class started in May 1985. InterCoast received its initial accreditation from CNCE (now known as ACCET) in 1987. InterCoast is committed to optimum entry level training to meet the needs of the medical, technical and business communities, and continues to improve all aspects of the training programs as needed.

LIBRARY

Resource materials consisting of reference books and other texts are located on campus and are available to students to help provide information which may aid them in their course of study, or which can further enhance their understanding and technological knowledge of their chosen field of study. Many resources can be accessed on the internet. Students are encouraged to go to the local library to further assist in research projects or homework. The online student library for AAS Degree students is accessed through Google Scholar.

HOUSING

InterCoast does not maintain housing accommodations for students and assumes no responsibility to find or assist a student in finding housing. Each campus is located in an area where housing is readily available in a variety of cost options.

MISSION STATEMENT & OBJECTIVES

Mission Statement

The central mission of InterCoast Colleges is to provide associates degrees and certificate programs for careers in allied health, business, and skilled trade industries and prepare students to meet employer expectations for entry level employment. InterCoast strives to support a culturally diverse learning environment for its students.

Goals and Objectives

The goals and objectives of InterCoast is to provide the following to its graduates:

The necessary technical skills, soft skills, and knowledge, and an understanding of how to apply the acquired preparedness to the workforce;

- The development of job-preparedness skills, including higher level thinking, in order to prepare graduates for entry-level employment.
- The professional attitudes and behaviors related to good work habits, interpersonal communication skills, self-discipline, confidence, and the cultural sensitivity and awareness necessary for workforce readiness.
- Effective student support and motivation by staff for its students in an effort to encourage successful completion and training related employment.
- Education through community involvement and participation in activities that promote the practice of giving, while developing transferable skills to the workplace.

GENERAL INFORMATION

Approvals

InterCoast Colleges, a private institution, was granted institutional approval to operate by the BPPE, Bureau for Private Postsecondary Education, including the AAS Degrees, pursuant to California Education Code, Title 3, Division 10, Part 59, Chapter 8. The Bureau's approval means that the institution and its operations comply with the minimum standards established under the law for occupational instruction by private Postsecondary educational institutions and does not imply endorsement or recommendation.

Most of the InterCoast locations are approved for training through WIA, VA, TRA, EDD, State and Private Vocational Rehabilitation.

The school has no pending petition in bankruptcy and has not filed a petition within the last five years.

OTHER LICENSE AND CERTIFICATION INFORMATION

Pharmacy Technician graduates must become licensed by the California Board of Pharmacy to practice as a Pharmacy Technician in the state of California. Students will need to fill out an application, complete a Live Scan, provide a current photo, produce official high school transcripts, and submit to a background check and drug screen.

ACCREDITATION

InterCoast Colleges is nationally accredited by the Accrediting Council for Continuing Education and Training. InterCoast Colleges has been accredited by ACCET since 1987. Accreditation is the process whereby an association or agency, recognized by the U.S. Secretary of Education, grants public recognition to a school, institute, college, or university, which meets certain qualifications and educational standards, as determined through initial and periodic evaluations. The essential purpose of the accreditation process is to provide a professional judgment as to the quality of the educational institution or programs offered.

Records Retention

InterCoast maintains student records for each for a period of at least five years from the date of student withdrawal or graduation. Student transcripts are held indefinitely (effective January 1, 2010). Any records involved in any claim or expenditure which has been questioned by federal, state or accreditation audit are retained until the question is resolved or for five years.

ADMINISTRATION OF BRANCHES

The administrative staffing at each branch location shall reflect the purpose, size, and educational operations at that location. All InterCoast branches operate under the same policies and procedures of the main campus. The staff of the main and branch campus work closely with the corporate office staff in all operational areas.

Compensation

InterCoast Colleges will not compensate an employee involved in recruitment, enrollment, admissions, student attendance, or sales of educational materials to students on the basis of a commission, commission draw, or bonus based on enrollments.

Facilities

Each campus includes student classrooms, learning labs, a computer laboratory, a student resource center, restrooms, offices, reception area, audiovisual equipment, and other teaching aids. The lecture classrooms are normally designed to accommodate approximately 24 students at any given time. The computer laboratory classes are designed to accommodate up to 18 students depending on the campus. The average student/teacher ratio for lecture classes is 24:1 (Lecture) and for lab classes is an average of 18:1. The institutions provide facilities for the handicapped, and comply with those requirements relating to fire safety, building safety and health required by applicable law. A student break area is located adjacent to, or near the classroom areas for the convenience of all students. Vending machines are available for student use.

ADMISSIONS POLICIES

CRITERIA FOR ADMISSION

To enhance the success of its graduates and to ensure that only qualified applicants are accepted, the following factors are carefully considered prior to acceptance:

1. Results of Aptitude Testing

The test is designed to measure one's scholastic level. It is used as the required entrance exam and given to those candidates who express a desire to enroll in any of the programs being offered. Candidates for admission must meet or exceed the recommended minimum score levels for admissions consideration. The institution complies with the testing procedures outlined by the test publisher. Students will be given the Wonderlic entrance exam. The minimum passing scores for the Wonderlic is a minimum of 13 for most certificate programs offered by the institution. A minimum score of 15 on the Wonderlic entrance exam is required for admission to an AAS Degree. Graduates of InterCoast certificate programs are eligible to apply to the AAS degree programs based on previous entrance test score.

Ability to benefit is defined as sufficient aptitude to benefit from post-secondary education without a high school diploma or equivalent. No enrollment agreement may be signed prior to the applicant's demonstration of the aptitude to successfully complete the program to which he or she is applying (e.g. obtaining a passing score on the ability-to-benefit test or completing high school/GED equivalency). Ability to Benefit students who previously attended an accredited postsecondary educational institution must meet admissions guidelines as required under the U.S. Department of Education. Institutions that participate in the Federal Title IV programs must adhere to all policies and guidelines of the U.S. Department of Education, including the ineligibility of new ability-to-benefit students to participate in Title IV federal financial aid programs after July 1, 2012, except as permitted by regulation. InterCoast will refer students without completion of high school or GED equivalency to independently operated GED training programs or to GED programs conducted by InterCoast provided that: (1) the final GED testing is conducted by independent organizations and (2) any tuition charged for the institution's GED training is consistently applied to all students.

2. Prior Educational Background

Students must be at least 18 years of age, or have earned a valid High School Diploma or GED equivalent for admissions. Students must provide proof of graduation. Documented proof of high school graduation or its equivalent must include a copy of a high school diploma or a GED, a high school transcript, and/or written certification by a cognizant authority for home-schooled students. A student attestation of high school graduation, which identifies the name of the secondary school, location, and date of graduation, may be provided as proof of high school graduation only on a limited, exceptional basis such as when the student's high school closed or a foreign high school transcript is unavailable from a foreign country at war, in a declared state of emergency, or other extreme circumstances that prevent access to transcripts. In such an event, the student's file must include: (1) documented evidence that the institution made all reasonable efforts to obtain documented proof of high school graduation and (2) written documentation to substantiate the extraordinary circumstances that warranted the use of a student attestation of high school graduation.

Candidates who do not possess a high school diploma or GED equivalent shall also be considered for admission to programs that do not require a proof of graduation for employment, provided that they take and pass an independently administered "ability-to-benefit" examination. Effective 7/1/2012, only ATB students who previously attended an accredited postsecondary institution are eligible for enrollment. Individuals admitted as ability-to benefit students will receive GED testing locations and will be encouraged to obtain this certificate before graduating from InterCoast Colleges. ATB students are not accepted in the following programs: AAS Degree, Pharmacy Technician, and Dental Assistant.

3. Placement Potential

During the admissions interview, each applicant is evaluated to determine his/her potential for graduate employment in his or her chosen field.

4. Interest and Motivation

Of prime importance is the student's desire to succeed. Evidence of a willingness to make sacrifices is necessary to successfully complete their career program. A proper attitude is essential if the student is to gain the maximum from the learning experience in order to prepare for a new career.

5. Availability of Time

Availability of Time: Of equal importance to the student's success is the availability of time to attend classes, and additional time to complete classroom projects or homework as assigned.

6. Interactive Distance Learning (Online):

Availability of Time: Of equal importance to the student's success is the availability of time to participate in online classes, and additional time to complete classroom projects or homework as assigned. The more time spent on preparation and studying, the better the opportunity for achieving success. Students should plan to log in and participate in forums, submit assignments, and/or take quizzes in any given week. Additionally, students will spend a significant time offline reading and studying. The student must manage their time carefully in order to succeed.

Access to a computer and internet: Online students **MUST** have access to a computer and internet in order to effectively participate in courses. Cell phone apps may not facilitate full participation and cannot be relied upon for completing assignments. In addition, prior computer experience, including word processing knowledge, is required for success.

Access to a local library: Online students **MUST** have access to a local library and certify that they have an active library card and/or privileges. While the online Google Scholar site contains sufficient resources to complete all assignments, a local library enhances the student's research capabilities.

Program Specific Requirements that may be required as a part of pre-employment qualifications for hiring.

Program	CPR/First Aid Certification	Drug Screen	TB Test	Liv Scan	Criminal Background Check	Other
Alcohol & Drug Counseling Studies	X	X	X	X	X	RADT-1 registration with CCAPP

Electrical Training Program						Reliable Transportation T Card (Electrical Trainee)
Pharmacy Technician	X	X		X	X	State Pharmacy Technician License High School Diploma or GED
HVAC Technician						Clean Driving Record, Reliable Transportation
Medical Assistant	X		X			

HOW TO APPLY FOR ADMISSION

All applicants are required to have an interview with an admissions representative, successfully pass the entrance examination, and successfully complete all other admissions requirements before being accepted into the training program. The interview usually lasts approximately one hour. During that time, the admission representative will discuss the various aspects of training, programs offered, tuition, and entrance requirements. If qualified, applicants may fill out application forms and complete the enrollment agreement or they may return to enroll at a later date. Applicants are encouraged to take a tour of the facility and observe classes if they desire. Applicants require the approval of the Director of Admissions, Campus President, and/or Program Director as applicable.

ADMISSIONS DEPARTMENT SCHEDULE AND CONTACT

The Admissions Offices are normally open from 9:30 a.m. until 7:30 p.m., Monday through Thursday and from 8:30 a.m. until 6:00 p.m. on Fridays; and from 9:00 a.m. until 1:00 p.m. on Saturday by advance appointment only. The campus admission representatives can be contacted by calling the admissions department at **1-877-CAREERS**. Personal interviews for admission may be arranged by appointment during any of the normal admission hours.

PROGRAM SCHEDULES

InterCoast conducts classes throughout the year. These classes consist of structured modules, courses, or sections of instruction. Subject matter is based on strong educational principles to assure that education standards are maintained. The design is flexible to provide for the integration of new materials and techniques as they are developed. Some classes may be offered online. Class schedules are printed on the Enrollment Agreement. Break schedules are posted in the classroom.

InterCoast's system of scheduling modules allows participants of most programs to commence training at the beginning of each module, term, or course of training, on a space available basis. Instructional techniques are employed so students receive the attention required to reach their objective. This combination of method, technique, and scheduling assure that diligent participants are able to attain their goal in an efficient and effective manner.

INTERCOAST DOES NOT DISCRIMINATE ON THE BASIS OF SEX, AGE, PHYSICAL OR MENTAL HANDICAP, RACE, COLOR, NATURAL ORIGIN, SEXUAL ORIENTATION, GENDER IDENTIFICATION, MARITAL STATUS, POLITICAL AFFILIATION, CREED OR RELIGION IN ITS ADMISSION TO OR TREATMENT IN ITS PROGRAMS AND ACTIVITIES, INCLUDING ADVERTISING, TRAINING, PLACEMENT ASSISTANCE, AND EMPLOYMENT.

DISABILITIES ACCOMMODATIONS

InterCoast is committed to providing reasonable accommodations for all persons with disabilities. Accommodations are provided on an individualized, as-needed basis, determined through appropriate documentation of need. The Campus President is responsible for developing an Accommodations Plan for all students who have are determined to be eligible for accommodations. All discussions will remain confidential. Accommodations are not provided retroactively so it is required that prospective students discuss needs upon enrollment into the program.

In accordance with Section 504 of the Rehabilitation Act and the Americans with Disabilities Act (ADA), InterCoast Colleges does not exclude handicapped individuals from participation in the programs offered by the college, solely by reason of the handicap. All students must meet all admissions requirements and have the ability to work in the field, based on the job duties for which the student is trained. A student is eligible for consideration for accommodations and/or auxiliary aids and services if the student has a documented disability and the Campus President has consulted with the student and determined that the functional limitations of the disability require such accommodation, auxiliary aids and/or services. InterCoast is committed to providing reasonable accommodations including auxiliary aids and/or services to qualified individuals with a disability, unless providing such accommodations would result in undue burden to the institution or fundamentally alter the nature of the relevant program, benefit, or service provided by the institution, taking into account the job requirements of the field of study and/or potential barriers to graduate employment. To request auxiliary aid or service, prospective students should contact the Campus President and provide supporting documentation prior to enrollment and at least two weeks prior to the beginning of the first day of classes or as soon as practical. The Campus President will render a decision within 10 days.

If there are questions regarding this policy please contact the President/CEO (818) 402-5207. Complaints regarding this policy should be made in writing and sent to President@intercoast.edu. Appeals are heard according to the Appeals Process defined in this Catalog.

HOLIDAY SCHEDULE

InterCoast Colleges will not offer instruction on the following days/holidays:

*New Year's Day	*Martin Luther King Day	*President's Day	*Memorial Day	*Independence Day
*Labor Day	*Veterans Day	*Thanksgiving Day/Day After	*Christmas Day	

Holidays of all religious beliefs are respected and allowed. Students will not be charged for breaks longer than five school days. The school may close up to three days per year for Faculty and Staff In-Service Training. InterCoast reserves the right to modify this schedule with reasonable advance notice.

CREDIT FOR PREVIOUS TRAINING

Credit for previous applicable educational training is accomplished by waiving courses, which are prerequisites to the satisfactory completion of the program. If course(s) for which the waiver is requested was taken at a postsecondary institution other than InterCoast, a postsecondary school or college transcript and course syllabi, course outline, or catalog or equivalent are required, the student must have earned a "C" grade or better, and the course must have been taken at an accredited school. InterCoast will determine the credit assigned for prior coursework completed and reserves the right to reject all or a portion of any requests if course content is not compatible to the course that will be taken at InterCoast. Additionally, the student must have completed the coursework within five years from his/her enrollment date at InterCoast. In the case of credits earned from a "closed school", you may apply to transfer the credits you've earned at a closed school toward a comparable program at InterCoast Colleges provided you have not received a closed school loan discharge. There is a fee of \$100 per unit charged for transfer credit outside of InterCoast and \$50 per unit charge for transfer fee credit for courses taken at InterCoast. All transfer fees are due and payable upon enrollment unless other arrangements are made and are non-refundable. Effective April 1, 2018 NEW veteran students or eligible persons will not be charged a transfer credit fee.

There is no charge to the student for college evaluation of previous credit or proficiency testing. Except in a formal teach-out agreement, or transfer from a closed institution, the institution accepts a maximum of 50% of the program's credits for transfer. Requests for transfer must be made in writing by the enrollee and submitted to the Campus President prior to enrollment. The school maintains a written record of all credit for previous training granted to the student. The institution will conduct an evaluation of previous education and training for all veterans and eligible persons, grant appropriate credit, shorten the training period proportionately, and notify the student accordingly. Notification will be given to all agencies, including the VA as required. Tuition will be adjusted accordingly to ensure a pro-rated tuition reduction for transfer credit awarded. Transfer Credits are counted as both attempted and completed hours in the measurement of Satisfactory Academic Progress. Financial aid awards may be adjusted if credits are transferred as acceptable. If the student does not agree with the Campus President's decision, the student can appeal the decision to the "School's Appeal Committee". See appeals section for more information.

TRANSFER OF CREDIT

NOTICE CONCERNING TRANSFERABILITY OF CREDITS AND CREDENTIALS EARNED AT OUR INSTITUTION

The transferability of credits earned at InterCoast is at the complete discretion of an institution to which students may seek to transfer. Acceptance of the diploma or certificate earned in a program is also at the complete discretion of the institution to which the students seek to transfer. If the credits that earned at this institution are not accepted at the institution to which the students seeks to transfer, they may be required to repeat some or all of their coursework at that institution. For this reason, students should make certain that attendance at this institution will meet their educational goals. This may include contacting an institution to which they may seek to transfer after attending InterCoast to determine if their credits will transfer. Credits students earn at InterCoast in most cases will not be transferable to any other college or university. For example, if students entered InterCoast as freshmen, they will still be freshmen if they enter another college or

university at some time in the future even though they earned credits at InterCoast. In addition, if students earn a degree, diploma, or certificate in our programs, in most cases it will not serve as a basis for obtaining a higher level degree at another college or university. In addition, students must meet all financial obligations to the College for their transcript to be released. Additionally, there may be a fee charged by the receiving institution for the evaluation and transfer of credit, if applicable. This fee is the responsibility of the student

InterCoast Colleges has entered into a Corporate Articulation Agreement with the University of Phoenix. The list of transferrable courses can be viewed at http://www.phoenix.edu/content/dam/altcloud/admissions/corporate_alliances/i/InterCoast-Colleges.pdf.

The Credit Recognition Guide (CRG) executed by the organizations includes course-by-course transfer categories for courses that are designated to fulfill general education credits. It is the responsibility of the student to submit a request for prior learning assessment of their training to the University of Phoenix. Students must submit a certificate specifying the number of classroom hours and date of completion, official training record, or other verification of course completion. All submitted coursework contained in the Credit Recognition Guide (CRG) and used by the University of Phoenix for credit evaluation will be subject to all University of Phoenix policies, procedures and fees in effect at the time of submission. Students who submit coursework for credit evaluation that does not appear in the CRG may be subject to additional evaluation fees. It is the responsibility of the student to pay any and all fees incurred in the evaluation process. Specifically, the University of Phoenix will charge a fee to transfer InterCoast credits to the University of Phoenix. Any and all fees, including transfer and evaluation fees are the responsibility of the student. There is no guarantee that University of Phoenix will accept InterCoast credits. There is no guarantee that any credits awarded to students through University of Phoenix's Prior Learning Assessment process will transfer to other colleges or universities. In addition, certain states may have restrictions on the amount of credit that can be awarded to students.

The articulation agreement with the University of Phoenix does not apply to the AAS degree as the University of Phoenix will evaluate degree transfer credits in a manner detailed on their website http://www.phoenix.edu/admissions/transfer_information/previous_college_education.html.

TUITION

Specific tuition and fees charged for each program may be found in the Catalog. Tuition is due on the first class session unless other arrangements have been made with the School and documented in the student's file. Private tuition payment arrangements must be made upon enrollment and approved in writing by the Campus President. Tuition payments may be made through the school's Business Office in the form of personal check, cashier's check, money order, credit or debit card, private financing company, or through various alternative loan programs. Per ACCET standard, students are not financially obligated for greater than a one year period at any time.

Failure to meet financial obligations may result in termination from the program. If students fall behind in tuition payments by more than 60 days, the institution has the right to suspend and/or terminate. Student must be up to date on tuition payment in order to attend the next term or class. If a student falls behind by more than 60 days, the student may not return to his or her studies without bringing all tuition and fee payments current. Transcripts will not be released until a student satisfied the financial obligations. Delinquent tuition beyond 90 days may be turned over for collection efforts and may prevent the student from graduating. InterCoast participates in various tuition assistance programs, including but not limited to Veteran's Educational Benefits (VA), WIA, NAFTA, PAN, TRA, Vocational and State Rehabilitation, tribal programs, alternative loan programs, and employer-sponsored programs).

Financial Aid is also available through the Title IV Programs under the U.S. Department of Education for those who qualify.

VOCATIONAL REHABILITATION APPLICANTS OR WIA APPLICANTS

Prospective students wishing to attend InterCoast Colleges under Veteran's Educational Benefits (VA), Vocational Rehabilitation Benefits (either through a state agency or a private rehabilitation agency), WIA or other programs such as NATFA or TRA, should apply for these benefits through the appropriate agency. The Admissions Office will assist in the application process. When approval is received a student from a given agency, it should be submitted to the school's Business Office, who then bills the appropriate agency for the amount approved. It is the student's responsibility to obtain appropriate approvals and submit proper documentation to the school. Failure to obtain proper approvals from these agencies could result in the student being 100% financially responsible for the tuition and fees at the published rate.

Pursuant to Section 188 of WIOA and 29 CFR Part 38, InterCoast Colleges prohibits the exclusion of an individual from participation in, discrimination, or denial of employment in the administration of or in connection with any programs and activities funded or otherwise financially assisted in whole or in part under Title I of WIOA because of race, color, religion, sex, national origin, age, disability, political affiliation or belief. Beneficiaries may not be discriminated against because of citizenship status or participation in a program or activity that receives financial assistance under Title I of WIOA. The equal opportunity officer can be reached by email president@intercoast.edu

SPONSORED STUDENTS

Information concerning employer sponsorship should be obtained directly from the student's employer. Questions concerning tuition payment arrangements for sponsored students should be referred to the Business Office or Campus President.

VETERANS AND ELIGIBLE PERSONS

InterCoast is approved for Veterans benefits, including Chapter 33, Post 9/11 benefits, effective October 1, 2011. Student eligibility for benefits is determined by the VA. Detailed information concerning eligibility requirements and education benefits for veterans, eligible spouses or dependents, how to apply, programs covered and payment rate information is available on the Department of Veterans Affairs website www.gibill.va.gov, by calling 888-442-4551, or contacting the nearest Veterans Regional Office. Veterans eligible for VA benefits

must be certified by InterCoast's designated certifying official in order to receive VA educational benefits. Submission of VA documentation and evaluation of prior credits is required in order to initiate the process for VA enrollment certification, as follows:

- Copy of the DD-214 or Statement of Service (recommended but not required)
- Certificate of Eligibility or other documentation specifying chapter for certification (required)
- Transcripts for any prior college/university attended regardless of subject. Students are responsible for requesting academic transcripts from all schools attended before, during or after military service—whether or not benefits were received. (required) Submission of VA documentation and evaluation of prior credit is required in order to initiate the process for VA enrollment certification and MUST be completed prior to class start.

This school maintains a policy for the refund of the unused portion of tuition, fees, and other charges in the event the veteran or eligible person fails to enter the course or withdraws, or is discontinued therefrom at any time prior to the completion. The amount charged to the veteran or eligible person for tuition, fees, and other charges does not exceed the approximate pro rata portion of the total charges for tuition, fees, and other charges, that the length of the completed portion of the course should bear to its total length. The refund policy is consistently applied to all students.

GI Bill® is a registered trademark of the US Department of Veterans Affairs (VA). More information about education benefits offered by VA is available at the official U.S. government website at <http://www.gov/gibill>.

Reimbursement to Veterans and eligible persons: For information or for resolution of specific payment problems, the veteran should call the DVA nationwide toll free number at 1-888-442-4551.

FINANCIAL AID

InterCoast Colleges is an eligible institution under the Pell Grant, SEOG, Direct Loans, Subsidized Stafford Loans, Unsubsidized Stafford Loans, Additional Unsubsidized Stafford Loans, and Parent Loans for Undergraduate Students (PLUS) Programs. Students may also qualify for various alternative loan programs. For more information regarding eligibility for any of the programs, contact the InterCoast Financial Aid Office. Students will be asked to complete the Free Application for Federal Student Aid (FAFSA) and applications for all available loan programs, including alternative and institutional loans will be discussed. The student will be notified of his/her financial award. Students who default on Title IV loans received while attending the institution may be terminated and not eligible for re-enrollment, refresher courses, or career services. If the student has received federal student financial aid funds, the student is entitled to a refund of the monies not paid from federal student financial aid program funds according to the refund policy. If a student is eligible for a loan guaranteed by the federal or state government and the student defaults on the loan, both of the following may occur: 1. The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan. 2. The student may not be eligible for any other federal student financial aid at another institution or other government assistance until the loan is repaid.

If Student's financial aid is not disbursed because file is incomplete or student is determined to be ineligible due to documents submitted or failure to submit documents, the student understands that she/he is responsible for tuition. The Student must follow up on any missing documents to ensure that eligibility for aid and disbursements are complete.

CANCELLATION POLICY

Cancellation will occur

1. When a student does not attend the first day of class – “No Show”, OR
2. When the student gives written notice of cancellation to the school at the address specified in the agreement by the first class session, or the seventh day after enrollment, whichever is later. A cancellation request can be initiated by the student or the school. If the institution cancels a program, a full refund will be issued to the enrolled student(s) at the time of the cancellation. The institution will refund any consideration paid by the student. Any refunds then due will be made within 45 days following the date of determination. The institution has the unilateral right to cancel a student who is determined to have not met admissions eligibility or who has not been truthful in his or her application for admission and the institution shall be relieved of any and all obligations to the student.

RELOCATION POLICY

Students who relocate while enrolled at InterCoast may not be able to complete their studies if they move to a country or state where the institution is not currently authorized to offer an online option for a particular program. Prospective students should contact their admissions advisor to discuss how relocation could alter their eligibility, while current students should contact their campus president if they are considering relocating during their course of study.

WITHDRAWAL REFUND POLICY

A withdrawal may be effectuated by the student's written notice or by the student's conduct, including, but not necessarily limited to, a student's lack of attendance. If a student withdraws or is dismissed from the course of instruction after the period allowed for cancellation of the agreement, the school will remit a refund, less the allowable registration fee, within 45 days following the student's withdrawal. The student is obligated to pay only for the educational services rendered. If the student obtains a loan to pay for the program, the student will have the responsibility to repay the fully amount of the loan plus interest, less the amount of any refund. If the student withdraws after the period allowed for cancellation and prior to completion of the course he/she is enrolled in and prior to the completion of 60% of the period of attendance, a pro-rata refund will be made of the unused portion of the tuition. The amount charged to the student shall not exceed the pro rata portion of the total charges for academic year tuition. The calculation is based on the length of the completed portion of the course relative to its total length.

If the student withdraws after 60% of the period of attendance, there will be no refund due to or on behalf of the student. Withdrawal will be considered to have occurred not more than 14 days from the last date of actual attendance. Dismissal will be considered to have occurred on the date that action is taken by the school. Refund calculations are based upon sessions held as of the last date of attendance. This refund policy will be modified to conform to applicable state or federal statutes.

If a student is eligible for a loan guaranteed by the federal or state government and the student defaults on the loan, both of the following may occur:

1. The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan.
2. The student may not be eligible for any other federal student financial aid at another institution or other government assistance until the loan is repaid.

Online Students: The BPPE requires the following: The school shall transmit the first lesson and any materials to the student within seven days after the school accepts the student for admission. The school will transmit all lessons and materials to the student if the student has fully paid for the educational program and, after having received the first lesson and initial materials, requests in writing that all of the material be sent. If this occurs, the school shall remain obligated to provide the educational services it agreed to provide, but shall not be obligated to pay any refund after all the lessons and materials are transmitted.

TRIAL PERIOD

Any new student enrolling at InterCoast Colleges for the first time may opt to receive a trial period of 35 calendar days beginning from the first day of the contracted start date. Any new student may cancel during the 35 day trial period without any financial obligations outside of the registration fee. During the trial period, the institution will assess the student's progress and the campus president may make recommendation as to the student's ability to benefit from the training program. In addition, during the 35 day trial period the student will not be considered a regular enrolled student and will not be eligible for any financial aid. If the trial date expires and the new student does not cancel his/her trial period enrollment, the student will automatically be considered a regular student and may continue his/her contracted program after acknowledgment of becoming a regular student. Once considered a regular student, the student is responsible for all program charges commencing the first day of the contracted date and if otherwise eligible, will become eligible for financial aid. The student has the right to opt out of the trial period. If the student chooses to opt out of the trial period, the student will immediately become a regular student and if otherwise eligible, will be eligible for financial aid. The student will be responsible for all charges beginning the first day of the scheduled class, unless the student cancels within the seven day cancellation period. Charges will commence from the first day of the contracted date.

RETURN OF TITLE IV POLICY

Return of Title IV Funds requirements apply to a grant and/or loan recipient who withdraws from school before completing the payment period of enrollment. In this case, the institution is required to determine the percentage of aid earned by a Title IV recipient by calculating the percentage of the period that the student completed, and determining the amount of earned aid by applying the earned percentage to the total Title IV aid that was or could have been disbursed to the student. If the refund to the Title IV program is greater than the school's refund amount under the pro-rata calculation, the institution will make such refund(s) to the Title IV program and bill the student for any unpaid tuition. The institution will perform a "Return to Title IV Calculation" after 14 calendar days of absences, which is determined to be the student's withdrawal date.

STATE OF CALIFORNIA STUDENT TUITION RECOVERY FUND

The State of California established the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic loss suffered by a student in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program, if the student enrolled in the institution, prepaid tuition, and suffered an economic loss. Unless relieved of the obligation to do so, you must pay the state-imposed assessment for the STRF, or it must be paid on your behalf, if you are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition.

You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if you are not a California resident, or are not enrolled in a residency program.

It is important that you keep copies of your enrollment agreement, financial aid documents, receipts, or any other information that documents the amount paid to the school. Questions regarding the STRF may be directed to the Bureau for Private Postsecondary Education, 2535 Capitol Oaks Drive, Suite 400, Sacramento, CA 95833, (916) 431-6959 or (888) 370-7589.

To be eligible for STRF, you must be a California resident or are enrolled in a residency program, prepaid tuition, paid or deemed to have paid the STRF assessment, and suffered an economic loss as a result of any of the following:

1. The institution, a location of the institution, or an educational program offered by the institution was closed or discontinued, and you did not choose to participate in a teach-out plan approved by the Bureau or did not complete a chosen teach-out plan approved by the Bureau.
2. You were enrolled at an institution or a location of the institution within the 120 day period before the closure of the institution or location of the institution, or were enrolled in an educational program within the 120 day period before the program was discontinued.
3. You were enrolled at an institution or a location of the institution more than 120 days before the closure of the institution or location of the institution, in an educational program offered by the institution as to which the Bureau determined there was a significant decline in the quality or value of the program more than 120 days before closure.

4. The institution has been ordered to pay a refund by the Bureau but has failed to do so.
5. The institution has failed to pay or reimburse loan proceeds under a federal student loan program as required by law, or has failed to pay or reimburse proceeds received by the institution in excess of tuition and other costs.
6. You have been awarded restitution, a refund, or other monetary award by an arbitrator or court, based on a violation of this chapter by an institution or representative of an institution, but have been unable to collect the award from the institution
7. You sought legal counsel that resulted in the cancellation of one or more of your student loans and have an invoice for services rendered and evidence of the cancellation of the student loan or loans.

To qualify for STRF reimbursement, the application must be received within four (4) years from the date of the action or event that made the student eligible for recovery from STRF.

A student whose loan is revived by a loan holder or debt collector after a period of non-collection may, at any time, file a written application for recovery from STRF for the debt that would have otherwise been eligible for recovery. If it has been more than four (4) years since the action or event that made the student eligible, the student must have filed a written application for recovery within the original four (4) year period, unless the period has been extended by another act of law.

However, no claim can be paid to any student without a social security number or a taxpayer identification number.

ACADEMIC INFORMATION

METHOD OF INSTRUCTION

Classes are structured so that the student receives homework, practice problems, reviews, and regular assessments as a part of each course. InterCoast utilizes equipment and industry related software programs. This equipment is located on the premises. Training on the equipment provides students with the skills required to further enhance their understanding and application of industry skills and techniques.

Some classes may meet online. AAS degree students may be required to take General Education and AAS courses online.

CURRICULUM STRUCTURE

Students must be qualified and prepared to take advantage of the training program by dedication to a specific task, perseverance, self-discipline and hard work. Students must be prepared to make a full commitment to the training program. Each student is expected to spend whatever time is necessary after the class session studying, preparing for the next day's class, and/or working on homework assignments.

HOMEWORK

The purpose of homework is to reinforce the classroom learning. Homework is important as it helps the student build on what they have already learned in the classroom and prepares them for the next stage in their learning. Homework is also valuable for teachers, as it helps them assess the progress of their students. Research shows a clear link between the time spent by students on out-of-class study and student achievement. Homework activities may vary according to the needs of the various subject areas being studied. While some homework will consist of completing work begun in class and preparing for future lessons, students will also be given work to consolidate what they have learned and to help them progress to the next stage of their learning.

In addition to reading and studying for tests, students is expected to spend on average 5-8 hours per week on graded homework assignments. Students are encouraged to seek assistance from their instructors in planning and completing assigned homework and any other coursework.

COURSE CRITIQUES

Periodically, students are asked to evaluate various aspects of their education including the instructor's methods in the classroom. The instructor being evaluated may receive a summary of any comments, but does not have access to the individual student evaluations.

SATISFACTORY ACADEMIC & ATTENDANCE POLICIES

SATISFACTORY ACADEMIC PROGRESS POLICY

Satisfactory Academic Progress Policy requires students to maintain a 2.0 GPA and complete at a pace of at least 67% of all credits attempted. Academic performance is based on three standards: grade point average (GPA), pace, and maximum time.

Grade Point Average: The minimum GPA requirement is 2.0

Pace: A student must earn at least 67% of their attempted hours. This calculation is performed by dividing the number of credits earned by the number of credits attempted.

Required Completion Rate Sample Chart:

Credits Attempted	Credits Earned
3	2
9	6
12	8
15	10
18	12
24	16

Maximum Time: Students are expected to complete their program within a Maximum Time Frame of 150% of the required number of hours to graduate. A student may not receive financial aid for more than 150% of the attempted hours.

MAXIMUM TIME FRAME FOR COURSE COMPLETION

All enrolled students must satisfactorily complete their programs of study within a maximum time frame, defined as 150% of the students' scheduled program length, as noted on the enrollment agreement, readmission forms, and/or transfer forms. All attempted credits and scheduled attendance up to the student's last date of attendance are computed in the maximum time frame.

If at any time it is determined that a student cannot complete the course of study within the 150% time frame, the student will be terminated from the program.

If a student is a Transfer Student, the accepted transfer course work will be counted in the Maximum Time Frame. Transfer credits are counted as both attempted and completed credits for the purpose of calculating Satisfactory Academic Progress.

Courses may not be repeated more than once, and any repeated modules will be applied toward the maximum time frame.

SEMESTER CREDIT HOUR MEASUREMENT

Financial Aid Semester Credit Hour: 1 credit equals 1 (one) or any combination of 30 (thirty) hours in Theory, Lecture, Demonstration, Supervised Practice, Laboratory, Internship, and/or Externship. A clock hour equals 60 minutes of training, of which 10 minutes are allowed for a student break.

Academic Semester Credit: 1 credit equals the equivalent of either 15 hours of Lecture, 30 hours of Laboratory or Supervised Practice, or 45 hours of Internship/Externship, or a combination thereof.

Incomplete

An incomplete is a temporary grade that may be issued to a student for a course in which the student had not completed the necessary coursework. Incompletes count in the evaluation of pace and maximum time, but not in the GPA calculation. Incomplete grades will revert to a letter grade for coursework completed by student, after additional work is submitted as applicable.

Withdrawal

When a student withdraws from a program, a "W" or withdrawal of course will be recorded on the student's transcript for the course in which the student was enrolled but did not complete at the time of school termination. All withdrawn hours count as attempts in evaluating pace and maximum time, but not GPA.

Transfer

Hours and/or credits completed at another school and accepted for credit at InterCoast are considered transfer credits. All transfer credits are noted as "CR" and will not impact the overall InterCoast GPA.

Module Repeat and “F” grades

All repeat attempts count in the SAP evaluation of pace and maximum time. A student who fails a module must repeat that module and pass with a minimum grade of 70%. When repeating a module, the highest achieved grade for that module becomes the official grade and it is averaged in the cumulative GPA. When a student repeats a course or module, all attempted hours count in the SAP evaluation. Any student who receives an F grade any time during enrollment will be assessed for potential at-risk SAP failure.

ACADEMIC PROBATION POLICY

Grades are monitored every five weeks. A student earning a cumulative grade point average below a 2.0 will, at the time that grades are reviewed, be placed on academic warning for a five week period. A letter will be delivered in person when possible, electronically, or by regular mail. If the grade point average is not brought up to a 2.0 or better at the end of the probation warning period, the student will be placed on academic probation for a five week period. If at the end of the five week period, the student has not earned a cumulative GPA of 2.0 or above, the student will be terminated from his/her training program. Probation status can be removed early if the student achieves the 2.0 grade point average prior to the expiration of the probationary period. VA benefits for VA students will be terminated upon failure to achieve satisfactory academic progress. Students who wish to challenge a decision relative to academic probation may appeal to the School’s Appeal Committee. Please see section under “Student Appeal Procedures Policy” for further information.

Financial Aid Participants ONLY:

Financial aid is disbursed for regular students after 30 days of enrollment, at midpoint of the academic year, and after the student earns the academic credits of the academic year.

Financial Aid Warning:

Failure to meet Satisfactory Academic Progress will result in the implementation of the Financial Aid Warning. A student will be placed on Financial Aid Warning for the next Payment Period. The student can still receive aid during the Warning period. The student’s progress will be assessed after the payment period is over. If the student does not meet the SAP standards at the end of the payment period, the student is ineligible to receive any additional financial aid.

Financial Aid Appeal/Probation:

If a student is denied his or her financial aid due to failure to meet SAP in a subsequent payment period after notification of financial aid warning, a student can appeal the institution’s decision by submitting a written appeal, describing the extenuating circumstances that prevented him/her from meeting SAP standards. An appeal can only be approved if the student is able to meet all standard requirements by the end of an additional payment period or the student strictly follows an *academic plan* that ensures the student will be meeting all standards again by a specific point in time. A student will be notified via email or letter on the approval/denial within 72 hours after the submission of a completed appeal form. If a student’s appeal is approved, the student will be given an academic plan and is placed on financial aid probation. Financial aid is reinstated during the probation period.

Limit on Reinstatement Appeals

Financial Aid Students who have become disqualified due to lack of satisfactory progress may only have one appeal consideration. Any second and subsequent requests for extended probation of aid eligibility will be denied except in the possible case where there are documented, extenuating circumstances presented.

GRADING POLICY

Grade	%	Grade Point	Interpretation
A	90.0 to 100%	4.0	Excellent
B	80.0 to 89.99%	3.0	Very Good
C	70.0 to 79.99%	2.0	Average
D	60.0 to 69.99%	1.0	Poor
F	00.0 to 59.99%	0.0	Failure
CR	60.0% or better	n/a	Credit
NC	Less than 60.0%	n/a	No Credit

Grade scale is effective with modules ending after February 1, 2017 or later.

Credit/No Credit

The student must make-up assignments and tests in order to achieve a grade and credit for the module(s) before the due date of grades, otherwise, the instructor will calculate the student’s final module grade based upon work submitted and grades earned for completed tests, assignments, and homework.

The credit/no credit grade is issued for Externship and Clinical Internship coursework, and for courses for which credit for previous training was granted. Students may not petition for a Credit/No credit grade in any other courses/modules. Students earning a 70% or better will receive credit in a credit/no credit courses.

MODULE INCOMPLETE

An incomplete grade is given under extenuating circumstances, and will not count in the calculation of the overall grade point average. Students who are unable to complete module coursework due to extenuating circumstances may petition for an incomplete grade. All petitions will be reviewed by the Campus President, and, if the student is granted an “incomplete”, the student is allowed an extension for the completion of assignments projects and/or test for a given module. All incomplete work must be submitted within 10 days following the end of the module, unless other arrangements have been approved. If the work is only partially submitted or incomplete, the grade may be calculated with the completed points already earned.

Module Failure

A grade of F (Failure) is counted as hours attempted but not achieved and has a 0.00 value toward the grade point average (GPA). A student earning an F must repeat the module and/or work satisfactorily prior to graduation, or sooner if the cumulative GPA is less than 2.0. A student may be eligible to receive financial aid to repeat a previously attempted and completed module or term only once in their program.

MODULE WITHDRAWAL

A grade of W (Withdrawal) will not be considered as credits successfully completed and will not count in the calculation of the overall grade point average.

Module Repetition

Repetitions of course work are counted as hours attempted. Students who received an “F” grade are eligible for module repetition. Alcohol and Drug Counseling students are advised that they must achieve a “C” or higher in all courses in order to apply for certification with CCAPP. Therefore, students attending the Alcohol and Drug Counseling Studies program are eligible for module repetition if they receive a “D” in a course. The student may not be eligible for additional Title IV funding to repeat a course for which they previously received a “D”. A student may repeat a module once, but the credits attempted will be applied toward the maximum time frame whether complete or not. A student who fails a module must repeat that module and pass with a minimum grade of 70%. When repeating a module, the highest achieved grade for that module becomes the official grade and is averaged in the cumulative GPA. A repeat fee will be charged to the student's account for each repeat attempt. Veterans students are not subject to repeat fees.

REINSTATEMENT AFTER TERMINATION OR WITHDRAWAL

A student terminated or withdrawn from the program must submit a request for readmission or reinstatement to the Campus President. The student will be informed of the President's decision within 30 days following the receipt of the request. A student who is denied reinstatement may appeal the decision as described under “Student Appeal Procedures”.

SAP STUDENT APPEAL PROCEDURES

A student who wishes to appeal decisions pertaining to satisfactory academic progress, probation, suspension, termination, graduation requirements, attendance requirements, or any decision relating to matters pertaining to disciplinary action must write a letter to the School Appeals Committee, which must be received within 14 calendar days following receipt of the school's decision. The School Appeals Committee consists of the Campus President and any four of the following departments: Student Services, Financial Aid, Career Services, Education, and/or Administration. A student must provide written documentation to support his/her position and any mitigating circumstances. The student will be informed of the decision in writing within 30 days following the receipt of the appeal. The committee's decision is final. Students who wish to appeal financial aid decisions should refer to the Financial Aid appeal process in the Catalog.

RE-ENROLLMENT/RESTART POLICY

Any prior student who wishes to reenroll or restart at InterCoast must make the request in writing and obtain approval from the Campus President. Credit may be given for classes already completed, provided that they were taken within five years from the date the student is requesting to return from drop students. Students who re-enroll within 180 days will resume their coursework under their previous enrollment agreement. A student who has been authorized to restart may be required to sign a new Enrollment Agreement at the current tuition rate and meet with the Financial Aid Office to complete additional forms. Any prior tuition balances must be paid in full before the re-enrollment or re-start will be processed, unless other financial arrangements have been made by the Campus President. Students will incur additional charges for repeating modules. All re-enrollments/restarts are processed in accordance with all regulations, including financial aid, if applicable.

ATTENDANCE POLICY

On Campus Students: Students are expected to attend classes regularly and follow the schedules outlined in the enrollment agreements. Through consistent, uninterrupted attendance a student can gain the knowledge and expertise necessary to be successful. Students are required to sign in each day for credit to be given. Failure to do so may result in no credit being given for that day's attendance. Students should keep in mind that this is an occupational course and attendance is just as important at the institution as it will be in the employment for which this course is preparing them. Any tardy or leave early of more than 15 minutes may result in a loss of professionalism points. Attendance is monitored daily. Students may contact the Student Services Coordinator to review their progress in meeting the standards for attendance.

All students must make up absences that occur during the externship or clinical internship component of the training program to ensure that all required extern hours are completed prior to graduation. If a module(s) is repeated, the attendance from the original module(s) will count toward the attendance requirements for graduation. If a student has been officially dropped by the school, and is permitted to re-enter the program, the time elapsed between the last date of attendance and re-entry date is not included in the calculation of the student's maximum program completion time or attendance percentage.

To achieve attendance reliability standards, students are expected to be present for all class sessions, and must attend at least 80% of the daily session in order to receive attendance credit. To graduate, students must attend a minimum of 80% of the total program. Under no circumstances is a student permitted to continue training if it is determined that the documented attendance probation stipulations have been violated. Veteran students will be terminated from the program and benefits discontinued if attendance requirements are not met.

Attendance Probation: Attendance is recorded daily and satisfactory attendance progress is monitored at the end of each full module. Students that fail to maintain a minimum of 80% attendance will be placed on attendance probation for one module, or five weeks, whichever is later, to provide an opportunity to achieve satisfactory attendance progress. Student progress toward achieving 80% is monitored monthly during the probationary period.

Students who achieve the cumulative 80% attendance in less than the probationary period may be removed early from attendance probation and returned to good attendance standing. If satisfactory attendance progress is not achieved at the conclusion of the probationary period, the student may be terminated. A decision can be made by the Campus President at the end of the attendance probationary period to extend the probationary period if it is determined that the student, with improved attendance, has the ability to achieve the 80% attendance requirement. If at any time during the probation extension it is determined the student will not achieve the 80% attendance requirement (ie: student's absences are so excessive), or, if the institution believes that the student's attendance and academic progress does not indicate that successful completion can occur, the student may be terminated from the program.

Attendance Policy for Online Students:

Regular and substantive active participation online is required to achieve the minimum 80% attendance standard for graduation. A student attends online courses by participating actively in classes or otherwise engaging in academically related activities. Examples of such activities that demonstrate "regular and substantive interaction" include but are not limited to: contributing to an online discussions or text chat sessions; submitting assignments or working drafts; working through exercises; taking quizzes or exams; student participation in interactive tutorials or computer-assisted instructions, participation in an online study group, initiating contact with a faculty member to ask course-related questions. Students should be sure to meet online deadlines for submitting their work as late work will not receive full credit. *Note: Logging into class without active participation as defined above does not count as weekly attendance.*

TARDINESS / EARLY DEPARTURE POLICY

Students are expected to be on time for each session of instruction, and are expected to attend for the entire session of class. A student is considered tardy for class if he/she arrives later than 15 minutes after the scheduled start of class. Students who miss more than 80% of the daily scheduled class hours are considered absent from school and marked absent on the official attendance record.

- Tardy definition: Student arrives more than 15 minutes late to class.
- Leave early definition: Student leaves class or lab more than 15 minutes before the end of the class or lab.
- Consequences of Tardy or Leave Early
 - The tardy student may not be admitted to class during an active testing activity.
 - If a test, quiz, or skills evaluation has been given, the student will be required to take the test, quiz, or evaluation on the student's first day back in class by making arrangements with the instructor

ABSENTEEISM POLICY

If for any reason, a student must be absent from class, the student must contact the Student Services Coordinator immediately. Repeated absences may result in disciplinary action, just as it may on a job. Excessive absences may also lead to program interruption and/or dismissal. To meet graduation requirements, a student must achieve, at a minimum, 80% cumulative attendance reliability standards, and failure to achieve the attendance standard will result in the student being placed on attendance probation, as outlined under the section titled "Attendance Policy" in this catalog.

Excused Absences

Assignments and quizzes/exams may be made up with excused absences. Late work/testing must be taken/turned in on the student's first day back in class or as assigned by the instructor. For an absence to be considered excusable, students must provide written notification or documentation for the reason for the absence to the Student Services Coordinator at the school. The instructor or the instructor's supervisor approves the excused absences. Failure to provide written notification will categorize the absence as unexcused. Excused absences will count as absences in the calculation of attendance rates and will not increase the maximum number of allowable absences. Only the following reasons will be considered as "excused":

1. Personal illness/injury (verified by a physician's statement or hospital report when possible.)
2. Illness of immediate family member (verified by a physician's statement or hospital report when possible.)
3. Death in the family (verified by obituary or other official document when possible.)
4. Court appearance (verified by a legal court document when possible.)

5. Medical/Business appointment (verified by document and unable to be scheduled at any other time of the day.)
6. Military obligation (verified by official notification when possible.)

Students absent more than 14 calendar days will be dropped. Termination can occur earlier if the school determines the student has exceeded the allowable number of absences, is not showing that he/she is benefiting from the program, as initiated by the student, or as required by regulation.

LEAVE OF ABSENCE POLICY

If a student needs a brief interruption in his/her training program, but intends to return, the student may request a leave of absence from the institution. The request must be in writing. Leave of absences must not exceed 180 calendar days, or one half the program length, whatever period is a shorter duration. The student must submit a written, signed, and dated request and provide an explanation as to the reason for the request, including, if possible, documentation.

If a leave of absence is approved, the student is expected to return where he/she left off. The institution, when issuing the leave, will not grant a leave if there is no reasonable expectation that the student will return to school at the end of the leave of absence period. All Title IV loan recipients who request a leave must be notified by the financial aid department prior to the leave that if he or she fails to return from the leave, it will impact the student's loan repayment terms, including the exhaustion of some or all of the student's grace period. During a leave of absence, a student is ineligible for disbursement of direct student loans. The institution's leave of absence policy allows the student to take multiple leaves, provided that the total number of days for the leave does not exceed the maximum allowed. Leave of absences can be consecutive. If the student's Leave of Absence is not approved, the student will be counted as absent, and if absences are excessive, the student may be withdrawn from the program. If the Leave of Absence is approved, the student may return prior to or at the end of the Leave of Absence, and resume training where the student left off, and without paying any additional tuition for the time taken during the Leave of Absence. Where possible, students are encouraged to begin their leave of absence after module completion, so that, when they return from an approved leave of absence, they may resume training in the next module or course. If a student takes an approved leave of absence and does not return or extend the leave, the expected return date is used to determine the student's withdrawal date.

CLINICAL INTERNSHIP AND EXTERNSHIP TRAINING

Students are expected to begin the clinical internship or program externship component of their program as scheduled, and must follow the schedule outlined on the Enrollment Agreement. Hours must be completed before the student's maximum program completion time.

Clinical and Externship Sites are assigned, on the behalf of the student, by the Clinical Coordinator or the Career Services Coordinator.

All clinical site must be approved by the Career Services Coordinator and the site must meet all school requirements prior to the student's first day on site. Should the student be terminated or leave voluntarily from a site, the school may assign one additional site at which the student must complete the remaining hours, or the student may be required to repeat some or all clinical internship or externship hours as deemed appropriate by institution, based on the clinical internship or externship evaluation. If the student fails to complete externship or clinical internship experience or is terminated at the second site, the student may be terminated. Students are responsible for parking and transportation to and from the sites. Students may only attend an approved site and must complete all necessary documents prior to the start of any externship and/or clinical training. Externships and clinical internship may have a different schedule than the students' normal school schedule. Any change in the schedule noted in the enrollment agreement requires approval. Any student who interrupts externship or clinical internship training for more than 14 calendar days will be terminated. Students who do not complete the stated clinical internship or externship hours or objectives may be required to repeat these hours/training. Students must submit to the school various required clinical internship and externship documents within 14 days following this component of the training, in order to be eligible for graduation. Failure to do so will result in termination from the program.

SUSPENSION AND DISMISSAL POLICY

InterCoast Colleges reserves the right to suspend or dismiss any student whose attendance, conduct, (see Student Conduct Policy) or academic standing does not meet the school's standards, or who fails to abide by the school's rules and regulations. Students are marked with an "unexcused" absent during any suspension period.

GRADUATION REQUIREMENTS

In order to graduate, students must:

1. Earn the required total number of credits for the program, pass all required courses with a minimum grade as prescribed in the catalog, and complete required coursework within the maximum time frame permitted.
2. Earn a minimum cumulative grade point average of 2.0 or above.
3. Achieve a minimum 80% cumulative attendance.

STUDENT AWARDS

Graduate awards for outstanding achievement are assets to the graduates who earn them, particularly to present to employers when seeking training related employment. Awards are presented to deserving graduates based on performance and faculty recommendations. The following awards are issued to deserving students at the time of formal graduation:

- **Perfect Attendance Award:** Given to students who have missed no school days
- **President's Honor Award:** Given to students with 3.85 GPA and a minimum of 95% attendance
- **Achievement Award:** Given to students who have shown significant improvement in school

COMPLETION CERTIFICATE / DEGREE

Students will not receive their completion certificate and/or AAS diploma until all financial obligations to the institution are made, an exit interview has been completed, including a petition for graduation, and the student has submitted any missing documentation.

STUDENT TRANSCRIPTS

School transcripts will be issued by the institution's Office of Student Affairs, provided that certain conditions are met. Financial obligations to the institution must be fully satisfied and the student must complete his/her campus exit process, including student loan exit interviews if applicable. InterCoast will not release official transcripts to a student (active, drop, or graduate), institution, company, or employer if there is a balance owing on the student account, regardless of whose obligation it is to pay the account in full, unless satisfactory financial arrangements have been made. It is the student's responsibility to satisfy financial obligations before submitting a transcript request. If a transcript was not released due to outstanding balances on the student's account, it is the student's responsibility to then resend the transcript request once the student's balance has been paid.

In order to ensure that the student's records are confidential, InterCoast will issue official transcripts only upon receiving written authorization from the student. In accordance with federal law pertaining to the Family Educational Rights & Privacy Act, transcripts and/or verification of attendance or graduation will not be released to a third party without the student's written consent. InterCoast may, as a courtesy, provide an unofficial transcript to the student, upon written request, provided that the student is current on any and all monthly institutional loan payment obligations, if applicable. The cost to order an official transcript is \$10 per transcript. If a tracking number is requested, the additional fee is \$6.95 per transcript. To order a transcript, students are to submit a completed Transcript Request Form and money order or cashier's check made payable to InterCoast and mailed to the following address:

**InterCoast Colleges Office of Student Affairs, Attn: Transcript Request
P.O. Box 3585, Granada Hills, CA 91394-3585**

Student may also complete the transcript request online and pay the transcript fee with a credit or debit card by completing that information on the transcript request form found on the InterCoast.edu website. The completed Transcript Request Form can be scanned and emailed to: transcripts@intercoast.edu or submitted by secure eFax to (818) 717-7945, but will not be processed until payment is received/processed. Transcripts are mailed to the address as designated on the completed Transcript Request Form. All requests are processed in the order received. Requester should allow 10 business days in addition to postal mail time for records to arrive to the requested destination.

STUDENT SERVICES/CONDUCT

STUDENT ADVISING POLICY

The staff at InterCoast is dedicated to aiding students in successfully completing their career program and their fulfillment of their career objectives. To enhance the academic program, the following advising services are available by appointment:

*Academic	Instructor or Campus President
*Career Guidance	Career Services Coordinator
*Financial Aid	Student Affairs Department
*Substance Abuse	ADC Instructor
*Campus Crime/Clergy Act Campus Security Authority	Campus President

STUDENT CONDUCT AND BEHAVIOR POLICY

Students are always expected to observe the standards of professional conduct, courtesy, and appearance. An important part of the training at InterCoast includes the development of professional attitudes and behaviors to assist students to meet the highest expectations of employment. InterCoast attempts to maintain a “work-like” environment in which students can grow and develop according to the professional expectations of employers. Learning how to communicate and deal with a variety of people, coping with frustration, solving problems, disciplining oneself and dressing professionally are just a few of the ingredients that go into the makeup of a professional employee.

InterCoast students are encouraged to pursue the development of these positive attitudes and behaviors. Improper conduct and/or unprofessional behaviors are grounds for immediate dismissal. Students are asked to work in harmony with the institution, its administration and faculty and other students, to aid them to be as fully prepared as possible to succeed in the competitive job market.

Students are expected to treat others with respect. Students are to keep facilities neat and clean for the benefit of other students. A student may be dismissed for possession or use of drugs or alcohol, possession of weapons on school premises, and for behavior that creates a safety hazard to other persons at school, or for disrespectful behavior to others, or for use of profanity and/or derogatory language. In addition, the following behaviors may also result in dismissal from InterCoast: Defacing, stealing, or mutilation of school property (computers, furniture, restroom facilities, etc.), the inappropriate downloading of material from the internet, use of chat rooms or instant messengers on any school computer, inappropriate use of emails, falsification or misrepresentation of material information in any records, financial aid documents, or attendance sheets, whether inadvertent or deliberate, and activities that create a safety hazard to other persons at InterCoast. Observance of rules and regulations and maintenance of a professional manner are required at all times. Unruly conduct or any conduct that interferes with the progress of others and operation of the school is cause for dismissal, whether that behavior is explicitly outlined in the school catalog or not.

As of January 1, 2009, all JCAHO accredited facilities (which include many of InterCoast’s clinical and externship sites) were required to take action to create a code of conduct and establish a process for educating staff as well as identifying and managing unacceptable behaviors with a “zero tolerance” policy. InterCoast students are expected to respect and adhere to these policies.

Accredited organizations need to establish an education process to help health care professionals understand that, although historically there has been a culture of tolerance of intimidating and disruptive behavior. This can no longer occur. According to JCAHO, these “intimidating and disruptive behaviors can foster medical errors, contribute to poor patient satisfaction and to preventable adverse outcomes, increase the cost of care, and cause qualified clinicians, administrators and managers to seek new positions in more professional environments.” In order to promote a professional practice and work environment, all InterCoast students must follow and maintain professional behaviors in compliance with the Student Conduct Code. Neither exclusively nor inclusively binding. The intent of this policy is to provide students with a framework that can assist them in making their own decisions regarding their own behaviors and those of their peers.

Definition of Disruptive Behavior

Disruptive behavior is a style of interaction with students, faculty, staff or others that interferes with student learning and causes distress among other students and faculty and affects overall morale within the learning environment. Disruptive behavior undermines the teaching-learning process and can lead to student and/or faculty dissatisfaction.

Disruptive Behavior, regardless of who initiates it, consists of the following:

- Rude language and/or sarcasm (written or verbal)
- Threatening mannerisms (verbal or non-verbal)
- Physical threats and abuse

What are examples of disruptive behavior?

- Raised voices or yelling or shouting in a hostile manner.
- Throwing things.

- Bullying or demeaning behavior.
- Abusive treatment of others.
- Sexual comments/ innuendo, seductive, aggressive or assaulting behavior, whether in person or online.
- Racial, ethnic or socioeconomic slurs.
- Disruption or disrespectful language.
- Insulting and verbal attacks, in person or online, that are personal in nature and go beyond the bounds of fair professional content.
- Uncooperative and/or defiant approach to problems.
- Refusal to complete tasks or carry out clinical internship or externship duties.
- Leaving the externship site or clinical site without reporting off to site supervisor.
- Repeated violation of policies or rules.
- Physical attacks, pinching, patting the gluteus of another, slapping or unwanted touching.
- Inappropriate comments.
- Non-Constructive criticism, addressed to its recipient in such a way as to intimidate, undermine confidence, belittle or to imply stupidity or incompetence.
- Persistent hostility toward another.
- Abusive behavior such as patterns of malcontent and frequent outbursts of anger.
- Blames or shames others.
- Threatening to “*get someone*” in any way.
- Belittling or berating statements.
- Tirades in the classroom, labs, externship or clinical site.
- Unnecessary or consistent sarcasm or cynicism.
- Threats of violence, retribution or litigation.
- Behavior that disparages or undermines confidence in the faculty or school and/or its leaders.
- Public derogatory comments about another student, faculty or staff, or the institution.

Behavior that is perceived as disruptive, offensive, and/or threatening interferes with the learning of other students and impedes the delivery of our program of learning. This behavior may include speech or action that is not part of the learning process but is perceived to create an atmosphere of hostility, intimidation, ridicule or anxiety among other students, instructors or staff.

Documentation:

The instructor will document both the observation or report of disruptive behavior and the discussion with student, and bring the issue to the Campus President. The Campus President will decide the necessary response on a case-by-case basis and may impose disciplinary actions that may include formal warning, probation, suspension and/or termination.

DRESS CODE POLICY

Dressing the part of a successful professional raises an individual’s self-esteem and confidence. InterCoast promotes professional dress at school in order to enable students to become comfortable with the type of apparel expected by a majority of employers. Employers occasionally visit the campus, sometimes unannounced; therefore all students are asked to always look their best.

The following is a list of inappropriate attire while a student at InterCoast.

Backless attire, bare midriff, sleeveless or low-cut tops, baggy jeans/denims or slacks, tattered jeans/denims, headgear of any type other than religious, athletic attire, ragged or frayed clothing, flip-flops.

Allied Health students must be in uniform at all times. Hairstyle must be above the collar. For the purpose of infection control, fingernail length must be kept short and clean, no acrylic nails, and minimal jewelry. Only stud earrings are allowed. Students may wear a short sleeve white crew t-shirt under their uniform top. Pants must be hemmed to a length that rests on the shoes without extending past the back bottom of the shoe. Pants must be of heavy enough material and with a waist-rise high enough that no undergarments are observable. A Hijab may be worn at shoulder length, tucked into scrubs, or worn up. Cigarette smokers *must* take care for any lingering smell of smoke on clothing, hands, nails and breath.

Alcohol and Drug Counseling, HVAC Technician, and Electrician students must wear their designated polo shirts at all times. School ID badges must be worn at all times at school and at externship and clinical internship sites.

Policy for Online Student Pictures

InterCoast Colleges believes that online profile pictures can bring community to the online classroom and enhance the online learning environment. It is important that the profile pictures do not distract from the learning environment. Students are required to post a profile picture for identification purposes and it must adhere to the following guidelines:

- Picture must be of the student only (may not include other individuals) and should be “headshots” (taken from the shoulders up)
- No images, clipart, or symbols
- Backgrounds and foregrounds of profile pictures should be neutral and non-distracting (no symbols, images or clipart)
- Profile pictures must present the student in appropriate attire. Students are expected to dress in a manner conducive to an educational environment. A student’s attire should not be lewd, indecent, or distracting to the educational process as pictures are displayed for identification purposes in the classroom.

InterCoast Colleges reserves the right to remove any profile picture that violates the above policy and take appropriate actions as outlined by the student code of professional behavior.

ANTI-DISCRIMINATION POLICY

I. Policy

InterCoast desires to create and sustain an anti-discriminatory environment and will not tolerate discrimination of any kind. Discrimination on the basis of gender, gender identification, religion, disability, race, color or descent, or national or ethnic origin, marital status, sexual orientation, or age is unacceptable behavior and InterCoast is committed to an environment free of discrimination. Full details of the policy, offenses, complaint procedure, and remedies are published in the school policy that all students and employees receive upon enrollment/hire.

InterCoast will achieve this through:

- A. Education, orientation, and training for all students, staff, and faculty for the purpose of creating awareness of both the issues surrounding discrimination as well as accountability.
- B. InterCoast will provide training at least twice per year to its staff and faculty strategies aimed at preventing racial or other forms of discrimination. Faculty, through the direction of the Campus President, will incorporate educational strategies in their curricula and classes as fully as possible that provides sensitivity training and anti-discrimination training in their classrooms, at least once while the student is in school.

II. Offenses

Offenses of discrimination, both individual and institutional, by anyone enrolled at or employed by InterCoast, are behaviors that are not acceptable. Behaviors that are considered offensive, while certainly not an all-inclusive list, are as follows:

- A. Verbal, physical, or written communication relating to gender, race, ethnicity, color, sexual preference, or age which has the purpose or effect of unreasonable interference with an individual's performance, or which creates a hostile, offensive or intimidating atmosphere for members of the target group is considered offensive and is subject to disciplinary action. InterCoast will not tolerate any acts of intimidation, or any behaviors that demean, slur or stereotype an individual or group on the basis of gender, religion, race, disability, color or descent, or national or ethnic origin, sexual preference or age.
- B. While some examples of harassment, such as physical and verbal assaults, are easily identified, some other examples—including epithets and “humor” or “tagging”—often go unacknowledged. All of the above instances are equally demeaning and are in violation of this policy.

III. Complaint Procedure

No employee or student shall be subjected to discharge, suspension, discipline, harassment, or any form of discrimination having in good faith utilized or assisted others in using the racial discrimination complaint procedures. A complaint may be withdrawn or resolved before the procedure is completed. Every complaint, whether formal or informal, will be treated confidentially, unless disclosure is necessary to protect the legal rights or safety of others or the institution, and will be documented.

A) Complaint Procedures: Procedures may include but are not limited to:

- 1) Directly address the alleged offender.
- 2) Participate in appropriate mediation with the alleged offender.
- 3) File a grievance to remain on file (no immediate action required).
- 4) Have the appropriate staff address the issue with the alleged offender as directed.
- 5) File a police report through the President's Office if the alleged offense is a criminal offense.
- 7) File a formal written complaint.

When a formal complaint has been submitted, the President is responsible for deciding the appropriate offices and/or staff to review the complaint. The incident must have already occurred (cannot be speculative) and the primary witness must file the complaint within 90 days of the time the alleged discrimination occurred.

IV. Remedies

If the person charged in the complaint is found to have violated this policy, remedies may range from prescribed educational trainings to various levels of disciplinary action by the appropriate person or office, depending on whether the person is a student or employee, and depending on the extent of the violation.

ANTI-HARASSMENT POLICY

I. Policy:

InterCoast Colleges (InterCoast) is committed to providing a workplace free of sexual harassment (including harassment based on gender, pregnancy, childbirth or related medical conditions), as well as harassment based on such factors as race, religion, national origin, ancestry, age, physical disability, mental disability, medical condition, marital status, sexual orientation, gender identification, family care leave status or veteran status.

II. Offenses:

Employees, Students, and Non-Employees: InterCoast prohibits harassment of employees and students by supervisors, co-workers, students, faculty, and staff. Similarly, all employees and students are prohibited from harassing any non-employees. InterCoast will also attempt to protect employees and students from harassment by non-employees in the workplace. In a school setting, the role between the school employee or contractor, including faculty, are multifaceted, including serving as a guide, mentor, and advisor. The influence and authority of many of the school's personnel extend far beyond the school. Consequently, and as a general proposition, InterCoast believes that a sexual or romantic relationship between a representative of the school and a student, even where consensual and whether or not the student would otherwise be subject to supervision or evaluation, is inconsistent with the proper role of the employee, and must be avoided. InterCoast therefore does not allow such relationships.

III. **Required Training:**

All Supervisors and Faculty are required to participate in a minimum 2-hour sexual harassment training at least every two years. All non-supervisory staff and students will be provided Harassment Prevention Training generally within 60 days of hire or starting school.

IV: **Examples of Harassment:**

Harassment includes verbal, written, physical, or visual conduct that creates an intimidating, offensive, or hostile working or learning environment or that interferes with work or school performance. Harassing conduct may take many forms such as slurs, jokes, statements, letters, notes, gestures, pictures, or cartoons regarding an employee's sex, race, color, religion, national origin, ancestry, age, physical disability, mental disability, medical condition, marital status, sexual orientation, family care leave status, or veteran status. Sexual harassment includes all these sorts of conduct and unwanted sexual advances. Examples of sexual harassment include:

requests for sexual favors;
conversations containing offensive sexual comments;
offering employment benefits (employees) or other benefits (students/employees) in exchange for sexual favors;
making or threatening reprisals in response to refusals to give sexual favors;
leering, sexual gestures, displaying sexually suggestive objects or pictures;
comments, epithets, slurs, and jokes of a sexual nature or about an individual's body; and
touching, assaulting, impeding, or blocking another individual.

V. **Reporting:**

Any incident of harassment should be reported promptly to your supervisor, the Campus President, to any other manager, or to president@intercoast.edu. You are not required to complain to your supervisor or teacher if that person is the one harassing you or if you are uncomfortable doing so.

Investigation and Retaliation: Every reported complaint of harassment will be investigated thoroughly, promptly, and with as much confidentiality as possible. Also, InterCoast prohibits retaliation against any employee or student for cooperating in an investigation or for making a complaint.

VI. **Discipline:**

If an employee or student harasses another person, the harassing employee or student will be disciplined. Disciplinary action may range from warnings to immediate termination, depending on the circumstances. If a non-employee harasses an employee or student, corrective action will be taken after the appropriate management personnel are consulted.

VII. **Sexual Harassment and Retaliation are Illegal:**

Sexual harassment and retaliation for opposing sexual harassment or for participating in investigations of sexual harassment are illegal. This is also true for the other types of harassment prohibited by this policy. However, intentionally making a false report or providing false information is grounds for discipline. California: In addition to notifying InterCoast about any harassment or retaliation, California employees may complain to the California Department of Fair Employment and Housing (DFEH). All employees may complain to the Equal Employment Opportunity Commission (EEOC). In California, the deadline for filing complaints with the DFEH is one year from the date of the unlawful conduct. If the DFEH believes that a complaint is valid and settlement efforts fail, the DFEH may seek an administrative hearing before the California Fair Employment and Housing Commission (FEHC) or file a lawsuit in court. All States: The EEOC will review your complaint and determine whether to file a lawsuit in court. The deadline for filing complaints with the EEOC is usually 180 days after the unlawful conduct. However, in California, the deadline may be extended if you first file a complaint with the DFEH. Both the FEHC and the courts can award monetary and other relief in valid cases. For information about contacting the DFEH, the FEHC, or the EEOC please see the posted notice regarding harassment located in the staff break area and/or student break area or check the state government listings in the local telephone directory.

CULTURAL DIVERSITY

InterCoast strives to achieve an inclusive environment and increasing diversity in our educational program with cultural diversity as a core value. The school aspires to include the development of a culture where individuals move beyond mere tolerance, but also embrace and celebrate the richness of debate and dialogue based upon cultural differences. The school supports the development of a richly diverse student body as well as faculty and staff. The commitment to diversity means the institution as a whole challenges itself and creates opportunities for a culturally diverse learning environment. The school is and shall be supportive of cultural humility and that is incorporated into the educational experience and practiced at the institution.

CELL PHONE USE

Cell phones must be turned off or muted during class sessions, as the ringing may interfere with class activities. Students are asked to put their cell phones away when inside the classroom.

EATING / DRINKING / SMOKING POLICY

In order to maintain a clean, healthy, and professional learning environment, eating, drinking and smoking (including, but not limited to cigars, cigarettes, e-cigarettes, vapor cigarettes) are restricted to defined areas and smoking is never allowed inside the building.

PARKING POLICY

InterCoast has reserved parking areas available for student parking. Free parking is available at all campus sites. Students may not park in undesignated student parking areas. InterCoast is not responsible for parking violations, tow away fees, property theft, or property damage to vehicles. Vehicles should be kept locked at all times. Student parking decals, if required, must be placed in student vehicles before parking at the school premises.

STUDENT RECORDS POLICY

The Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. § 1232g; 34 CFR Part 99) is a Federal law that protects the privacy of student education records. The law applies to all schools that receive funds under an applicable program of the U.S. Department of Education. The Family Rights & Privacy Act prohibits an institution from releasing school records or any other information about a student to any third party without the student's written consent. InterCoast protects the privacy of all students. Students are guaranteed right to access to their own files. Student files are maintained for five years from the date of graduation or withdrawal. Effective January 1, 2010, student transcripts are maintained indefinitely.

Education records are defined as records which are comprised of materials and documents containing information directly related to a student and their education that are maintained by the College. Records are supervised by the Campus President and access is afforded to the College's staff for the purposes of recording grades and attendance, documenting career services and advising notes, and admissions and financial aid information. Student information is also reviewed by the financial aid department for purposes of determining financial aid eligibility. The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their education records. These rights include:

1. The right to inspect and review the student's education records within forty-five (45) days of the day that the College receives a request for access. Students may request a review of their records, in writing and submitted to the Campus President. Students will be allowed to review the education record under appropriate supervision, during regular business hours.
2. The right to request the amendment of a student's education record that the student believes is inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA. Students may request that the College amend a record by requesting the amendment, in writing, submitted to the official responsible for the record, clearly identify the part of the record the student requests be amended, and specify why the amendment should be made. If the College decides not to amend the record as requested, the College will notify the student, in writing, of the decision and the student's right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.
3. The right to provide written consent before the College discloses personally identifiable information in the student's education record, except to the extent that FERPA Authorizes disclosure without consent. The College discloses an education record without a student's prior written consent under the FERPA exception for disclosure to College officials with legitimate educational interests. A school official is a person employed by the College in an administrative, supervisory, academic or research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the College has contracted as its agent to provide a service instead of using institutional employees or officials (such as an attorney, auditor, or collection agent); a person serving on the Board; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another College official performing his or her tasks. A College official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibilities.
4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the College to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is: Family Policy Compliance Office U.S. Department of Education 400 Maryland Avenue, SW Washington, DC 20202-5901 FERPA@ed.gov

A charge of \$0.10 per page will be made for copying the student's education record or any portion thereof.

HONOR SYSTEM POLICY (Academic Integrity)

True learning occurs only with the spirit and practice of integrity and honesty and ethical principles are necessary to guide professional development. InterCoast has adopted selected Codes of Conduct and Ethics for each Program. These codes form the basis for InterCoast's Academic Integrity Policy. All InterCoast students must adhere to the tenets of their Program Code of Conduct and Ethics while enrolled in their InterCoast program of study.

If it is determined, upon investigation, that a student received unauthorized assistance in accomplishing assignments, quizzes and/or examinations, that student will be disciplined, up to and including dismissal. If applicable, any students who provided the unauthorized assistance may also be disciplined.

Any incident of academic dishonesty is considered a serious breach of School Policy and will result in immediate action, up to and including suspension or termination from the Program. Consequences may include, but are not limited to, a failing grade on an assignment, test, course, term, or module, suspension, or expulsion from the college. A consequence can be accelerated at the sole discretion of the institution, based upon the circumstances, as determined by the Program Director and the Campus President in consultation with the instructor.

In accordance with the School Catalog, a student who wishes to appeal decisions pertaining to satisfactory academic progress, probation, suspension, termination, graduation requirements, attendance requirements or any decision relating to matters pertaining to disciplinary action must write a letter to the School Appeals Committee which must be received within 14 calendar days of receiving the school's decision. A student must provide written documentation to support his/her position and any mitigating circumstances. The student will be informed of the decision within 30 days following the receipt of the appeal. The committee's decision is final.

Below is a list of offenses (not all-inclusive) that constitute academic dishonesty:

- Looking on another person's test paper for answers
- Giving another student answers on tests, homework, or lab projects
- Sharing exam content with a student who will take a make-up exam is considered cheating by both parties
- Using any kind of "cheat sheets" on a test or project including texting or cell phone pictures
- Using a computer, calculator, dictionary, or notes when not allowed
- Discussing exam questions with students who are taking the same class at another time
- Plagiarism, or using the words or works of others without giving proper credit.
- Taking another student's class notes without permission
- Using an annotated instructor's edition of a text
- Having others do your homework for you
- Submitting the same paper for more than one class during your enrollment.
- Submitting the same assignment as another student has submitted is considered cheating by both parties
- Copying files from a lab computer or borrowing someone else's disk with the work on it
- Bribing a student for answers or academic work such as papers or projects
- Buying or acquiring papers or test banks from any source
- Assisting others with dishonest acts
- Inaccurate recording, falsifying or altering records
- Breaches in confidentiality rules

TOP 10 QUESTIONS YOU SHOULD ASK YOURSELF ABOUT ACADEMIC INTEGRITY

10. If other people found out about your actions, could you defend what you did?
9. Is the action you are taking worth the risk and the stress?
8. Is it worth failing the course (or worse) if the instructor knew you cheated?
7. How would you feel about being expelled from school for this action?
6. Is your decision fair to all people concerned?
5. Does your decision make you proud of who you are as a person?
4. Have you made a carefully thought-out, responsible, mature decision regardless of what everyone else is doing?
3. Is it the right thing to do?
2. If this action were to appear in the headlines of the newspaper tomorrow morning, would you feel proud?
1. If your family knew about your decision, would they be proud of you?

Forms of Academic Dishonesty

There are several other kinds of actions that are considered offenses against the standards of academic honesty, and among these are plagiarism, cheating, impersonation, aiding and abetting, collusion and falsification and fabrication, defined as follows:

Cheating

Cheating is **any attempt to give or obtain assistance in a formal academic exercise (like an examination) without due acknowledgment.**¹ Some forms of cheating include getting a copy of an exam or finding out an exam question before it is officially available; copying another person's answer to an exam question; consulting an unauthorized source during an exam (i.e. cell phone, calculator, cheat sheet, hand signals, color codes); submitting the work one has done for one class or project in a second class; submitting work prepared in collaboration with other members of a class without authorization from the instructor; submitting work prepared in whole or in part by another person and representing that work as one's own.

Plagiarism

InterCoast practices a ZERO TOLERANCE policy regarding Plagiarism but at the same time, we understand that sometimes such instances may be inadvertent or unintentional, especially with the ease of access to information via the Internet.

Definition of Plagiarism...

Plagiarism is the adoption or reproduction of original creations of another author (person, collective, organization, community or other type of author, including anonymous authors) without due acknowledgment, and is a form of academic dishonesty. Any use of the work of others, whether published, unpublished or posted electronically (e.g., on web sites), attributed or anonymous, must include proper acknowledgement.

Students must adhere to this policy to remain in Good Academic Standing. Therefore, it is highly encouraged that students check their work before submitting assignments. This can easily be accomplished through FREE plagiarism sites such as the following:

<https://www.grammarly.com/plagiarism-checker> - free and requires email sign up for further detail

<https://edubirdie.com/plagiarism-checker> - free and no sign up required

Additional free resources may be available per your Instructor, Academic Tutor, and/or Student Services. If the instructor recognizes the submitted work as the work of another student, even if the website checker does not recognize or score the infraction, the instructor may apply this policy to the submission.

A student may not submit a written assignment where the plagiarism check exceeds a score of 25%.

To uphold the institution's Academic Integrity, the following details the ICC policy:

First Offense - Score exceeds 25% as determined by the instructor's check

1. Faculty will notify student in writing upon discovery.

2. Student will not receive grade on the assignment but an opportunity to redo/resubmit for an official grade without penalty.
3. Faculty will provide guidance in proper citation/s and formatting, to include a recommendation for tutoring.
4. Incident will be documented by faculty and submitted to the Student Services department who will enter the incident into the student database and file the incident report in the student file.

Second Offense - Score on second submission OR on a subsequent assignment in the course exceeds 25% as determined by the instructor's check

1. Faculty will notify student in writing upon discovery.
2. Student will receive "0" grade on the assignment, with an opportunity to redo/resubmit for a grade no higher than 70%.
3. Incident will be reported to Academics and Student Services with a recommendation and mandatory meeting for tutoring.
4. Student will be warned of possible Academic Probation if Third/Final Offense encountered.

Third and Final Offense Score on third submission OR on a subsequent assignment in the course exceeds 25% as determined by the instructor's check

1. Faculty will notify student in writing upon discovery.
2. Student will receive "0" grade for both the work.
3. Incident will be reported to Academics and Student Services with a recommendation for tutoring.
4. Student will be placed on Academic Probation for 30 days.
5. Student may be dismissed from the program if the student submits subsequent plagiarized work exceeding the 25% threshold.

Impersonation

It is a breach of academic honesty to **have someone else impersonate one's self** in class, in a test or examination, or in connection with any other type of assignment or presentation in a course. Both the impersonator and the individual impersonated may be charged.

Aiding and Abetting

It is academic misconduct to **encourage, enable, or cause others to commit a breach of academic honesty**. Anyone who helps or enables another in cheating, impersonation, plagiarism, or any other breach of academic honesty will be subject to the penalties outlined in the institution's policy. The giver need not be aware of the fact that the receiver will misuse the academic work. Simply providing it enables the receiver to misuse it and thus may be considered aiding and abetting. Examples of aiding and abetting include sharing a care plan/lab report/formula/assignment/old exam/computer program with another student in person or electronically by email, text, camera, or on a social networking site such as Facebook. Both the owner of the lab care plan/report/formula/assignment/old exam/computer program and the person who copied may be disciplined.

Collusion

There is a significant difference between collaboration and collusion. Collaboration is working jointly with others and is often encouraged by course instructors. Collusion is working jointly with others when **it is not permissible or when the instructor does not authorize working in a group**.¹ Permissible Collaboration includes:

- Group work that clearly follows the course director's instructions
 - Sharing research findings or discussing course materials with other students when these contributions are fully acknowledged in one's individual work
- In contrast, collusion includes:
- Working with another student on an assignment when working in groups has not been approved by the instructor.
 - Dividing sections of an assignment or project among a group and then presenting it as work having been completed individually.
 - Splitting the tasks for group assignments unevenly where some students do most of the work while others do very little.

Fabrication and Falsification

It is a **breach of academic honesty to fabricate (make-up) research or results**.¹ **This includes:** statistics, experimental results or data, research methodology, facts, quotations, references or bibliographic material and research and the ideas of others.

It is also a **violation of academic honesty to falsify information**. This includes:

- "Massaging" or dishonest reporting of research, lab results or data
- Starting from expected results and working backwards
- Misrepresenting the research and ideas of others
- Falsely reporting having met the responsibilities for a course, internship or externship.
- Falsifying one's attendance in a course or fieldwork
- Falsifying letters of support or letters of reference
- Falsifying academic records and/or transcripts
- Misrepresenting the amount of work one has contributed to group assignments and activities
- Falsifying doctors' notes or other documentation related to petitions or missed work
- Modifying graded, returned material then submitting it for re-grading

Testing procedures

During exams, each student must follow these prescribed rules:

- No hats or outerwear are allowed in the testing area
- No talking is allowed during exams
- There will be several versions of each test distributed randomly for each exam session
- Only school calculators may be used for testing
- Seating will be arranged to physically separate desks as much as possible
- Students will move to another seat if requested by the instructor or proctor

- No cell phones are allowed in the testing area
- No backpacks, bags, or purses are allowed in the testing area
- No soda or drink containers are allowed in the testing area
- Students will return completed answer sheets and test questions to the instructor individually

COPYRIGHT POLICY

InterCoast prohibits the illegal copying of copyrighted texts, publication, documents, and computer software or peer to peer file sharing. Instructors may only copy portions of texts for single use as handouts to illustrate lesson plans, as permitted by federal copyright law. Students may not illegally copy texts or software for distribution, use, or sale. If this policy is violated, the person responsible will be subject to disciplinary action, up to and including termination. Copyright infringement is the act of exercising, without permission or legal authority, one or more of the exclusive rights granted to the copyright owner under section 106 of the Copyright Act (Title 17 of the United States Code). These rights include the right to reproduce or distribute a copyrighted work. In the file-sharing context, downloading or uploading substantial parts of a copyrighted work without authority constitutes an infringement. Penalties for copyright infringement include civil and criminal penalties. In general, anyone found liable for civil copyright infringement may be ordered to pay either actual damages or “statutory” damages affixed at not less than \$750 and not more than \$30,000 per work infringed. For “willful” infringement, a court may award up to \$150,000 per work infringed. A court can, in its discretion, also assess costs and attorneys’ fees. For details, see Title 17, United States Code, Sections 504, 505. Willful copyright infringement can also result in criminal penalties, including imprisonment of up to five years and fines of up to \$250,000 per offense. For more information, please see the Web site of the U.S. Copyright Office at: www.copyright.gov.

DRUG AND ALCOHOL ABUSE PREVENTION POLICY

Purpose and Goal

In an effort to adhere to 34 C.F.R. 86.100 of section 22 of the Drug-Free Schools and Communities Act Amendment of 1989 and section 1213 of the Higher Education Act, InterCoast Colleges is committed to protecting the safety, health, and well-being of all employees, students, and other individuals in our workplace. We recognize that alcohol abuse and drug abuse pose a significant threat to our goals. We have established an Alcohol and Drug Use Abuse Prevention Policy that balances our respect for individuals with the need to maintain a zero tolerance alcohol and drug-free environment. This organization encourages employees and students to voluntarily seek help with drug and alcohol problems.

Covered Students

Any student, prospective student, or former student who is on campus or on the organization's property, at school sponsored events, or on an extern site, is covered by our Alcohol and Drug Abuse Prevention Policy.

Applicability

Our Alcohol and Drug Abuse Prevention Policy is intended to apply whenever anyone is representing or conducting business for the organization and to all students, whether on campus, at a campus sponsored event, or on an extern site. Therefore, this policy applies during all school hours.

Prohibited Behavior

It is a violation of our Alcohol and Drug Abuse Prevention Policy to be impaired by use, possess, sell, trade, and/or offer for sale alcohol, illegal drugs, controlled substances, or intoxicants. The term “controlled substance” as used in the policy means any narcotic drug, hallucinogenic drug, amphetamine, barbiturate, marijuana, or any other controlled substance, as defined in Schedules I through V of Section 202 of the Controlled Substances Act, 21 U.S.C. 812, and as further defined by regulation 21C.F.R.1208.01 et seq. The possession or use of marijuana is illegal under federal law, notwithstanding the provisions of the Compassionate Use Act (California Health & Safety Code 11362.5) or California Proposition 64 (Marijuana Legalization). These state laws have no legal effect under federal law.

Notification of Convictions

Any student who is convicted of a criminal drug violation for possession or sale of illegal drugs or controlled substances while receiving federal student aid may jeopardize future federal financial aid eligibility. In the event that any student is convicted for such an offense, the completion of an acceptable drug rehabilitation program is required for future federal financial aid eligibility. Any student who is convicted of a criminal drug violation must notify the institution in writing within ten calendar days of the conviction. **Students may additionally limit their potential for employment based on industry standards.**

Searches

Entering the organization's property constitutes consent to searches and inspections. If an individual is suspected of violating the Alcohol and Drug Abuse Prevention Policy, he or she may be asked to submit to a search or inspection at any time. Searches can be conducted of backpacks, purses, bags, desks, and workstations.

Consequences

Students: InterCoast Colleges prohibit the unlawful possession, use or distribution of illicit drugs, alcohol, and controlled substances by students and employees on its property or as part of any of its activities. One of the goals of our Alcohol and Drug Abuse Prevention Policy is to encourage students to voluntarily seek help with alcohol and/or drug problems. If, however, an individual violates the policy, the consequences are serious. In the case of students, if the student violates the Alcohol and Drug Abuse Prevention Policy, the student will be subject to disciplinary action such as removing the student from class, suspension, and/or termination, and may be required to enter appropriate counseling. Student may be required to submit letters of reflection (assignments or assigned research based on their topic of offense, or written responses to questions asked, and/or apology statements/letter). While on suspension or expulsion, students will not be allowed on campus or clinical sites and will not be allowed to attend school events. Nothing in this policy prohibits the student from being disciplined or discharged for other policy violations. Students who wish to appeal a decision made under this policy can follow the appeals procedure outlined in the school catalog.

Any student who is involved with the unlawful possession, use or distribution of illicit drugs, alcohol, or controlled substances may be subject to referral for prosecution for violations of applicable local, State, or Federal laws. Federal and state sanctions for illegal possession of controlled substances can range from up to four years imprisonment and up to \$20,000 in fines for each offense. Under federal laws, possession of illegal drugs may result in sanctions of not less than five years and up to life imprisonment.

Return-to-School Agreements

Following a violation of the Alcohol and Drug Abuse Prevention Policy, a student may be offered an opportunity to participate in appropriate counseling. In such cases, the student must sign and abide by the terms set forth in a Return-to-School Agreement (RTS) and clearance from the counseling professional as a condition of continued education.

Assistance

InterCoast Colleges recognizes that alcohol and drug abuse and addiction are treatable illnesses. We also realize that early intervention and support improve the success of rehabilitation. To support our employees, our drug-free workplace policy:

- Encourages students to seek help if they are concerned that they or their family members may have a drug and/or alcohol problem.
- Encourages students to utilize the services of qualified professionals in the community to assess the seriousness of suspected drug or alcohol problems and identify appropriate sources of help.
- Ensures the availability of a current list of qualified community professionals.

The ultimate financial responsibility for recommended treatment belongs to the student.

Confidentiality

All information received by the organization through the Alcohol and Drug Abuse Prevention Policy is **confidential** communication. Access to this information is limited to those who have a legitimate need to know in compliance with relevant laws and management policies.

Shared Responsibility

A safe and productive drug-free workplace is achieved through cooperation and shared responsibility. Both employees and students have important roles to play. All employees and students are required to not report to work/school or be subject to duty while their ability to perform job duties is impaired due to on- or off-duty use of alcohol or other drugs.

In addition, students are encouraged to:

- Report dangerous behavior to the Campus President.

It is the Campus President's responsibility to:

- Inform students of the drug-free workplace policy.
- Observe student performance.
- Investigate reports of dangerous practices.
- Document negative changes and problems in performance.
- Counsel students as to expected performance improvement.
- Clearly state consequences of policy violations.

Communication

Communicating our Alcohol and Drug Abuse Prevention Policy to employees and students is critical to our success. To ensure all students are aware of their role in supporting our Alcohol and Drug Abuse Prevention Policy:

- All students will receive a written copy of the policy in the student catalog.
- All students will review the policy in the admissions process.
- The policy will be reviewed in orientation sessions with new students.
- All students will receive an update of the policy.
- Student education about the dangers of alcohol and drug use and the availability of help will be provided to all students.
- Every staff and faculty member will receive training to help him/her recognize and manage students with alcohol and other drug problems.

Policy Review and Effectiveness

In an effort to maintain biennial review materials effectively, InterCoast Colleges will keep such materials at a centralized location via the Corporate Administrative Office. Materials may include, but not limited to, departmental trainings on alcohol and drug education, annual notifications, biennial policies review and updates, and employee/student disciplinary sanctions.

Potential Health and Behavioral Risks

ALCOHOL: Inattentive, accident prone, undependable, excessive drinking at meetings or lunches, absenteeism, tardiness.

AMPHETAMINES: Erratic production, interpersonal problems, excessive use of medical benefits, absenteeism, tardiness.

COCAINE: Mood swings that cause problems with other employees, inconsistent performance, possibly selling drugs at work and/or stealing from employer, absenteeism, tardiness.

MARIJUANA: Loss of short-term memory, slowed responses, sleepiness, difficulty concentrating, erratic production, frequent trips to isolated areas.

OPIATES: Unable to think clearly, loss of interest in physical appearance, possibly selling drugs at work and/or, stealing from employer, and low motivation.

PCP: Bizarre behavior, disoriented, impaired speech, accident-prone. Unable to perform functionality.

Facts on Drug Abuse

Substance abuse can cause very serious health and behavioral problems, including short-and long-term effects upon both the body (physiological) and mind (psychological), as well as impairment of learning ability, memory, and performance. Chronic health problems may arise from long-term abuse, and acute, traumatic reactions may arise even from one-time or moderate use.

In addition to the toxicity of specific drugs, mixing drugs can compound toxic effects. Illegal, "counterfeit" or "designer" drugs may be toxic, contaminated, or have impurities causing poisoning, and can be lethal. Acute health problems may include heart attack, stroke, and sudden death (even first-time use of cocaine or GHB). Long-term effects include heart and/or lung damage, high blood pressure, blood vessel leaks in brain, brain cell destruction, permanent memory loss, infertility, impotency, immune system impairment, kidney failure, and cirrhosis of the liver.

Human Immunodeficiency Virus (HIV or AIDS), sexually transmitted disease, rape, unwanted pregnancy, injury, accidents, and violence can result from substance abuse. Using alcohol or other drugs while pregnant can cause fetal damage, birth defects, miscarriage and infant death. For additional information on health risks of substance abuse, see the website of the National Institute on Drug Abuse,

<http://www.drugabuse.gov/consequences/>

Addiction HELP Phone Numbers

If a person would like to talk to someone outside of the school, they can call one of the numbers listed on this page, or call a hospital or treatment center in their area by dialing information (411).

Independent Twelve Step Programs:

- Alcoholics Anonymous (AA) 800-970-9040 <http://www.alcoholics-anonymous.org/>
- Marijuana Anonymous 800-766-6779 <http://www.marijuana-anonymous.org>
- Narcotics Anonymous (NA) 916-732-2299 <http://www.na.org/>
- Al-Anon/Alateen 1-888-425-2666 <http://www.al-anon.alateen.org>

SAFETY POLICIES

InterCoast is strongly committed to crime prevention and the safety of our school communities. Information has been prepared to increase awareness of the current programs and procedures that exist to protect the safety and well-being of students, employees, and guests. As members of the school community, students are encouraged to take personal responsibility for his or her conduct and safety. Adopting a posture of individual responsibility will enhance the quality of life for all on-campus students. The cooperation and involvement of all students and staff members in crime prevention programs and by reporting all suspected criminal actions and emergencies is essential to minimize criminal activity. Victims or witnesses can report crimes confidentially to the anonymous link on the school website titled **Silent Witness**. **In an emergency, Dial 911**. All members of the campus community are encouraged to report crimes that occur on the campus to the Campus President, and as soon as possible following discovery of the offense. The Campus President will ask questions to gain as much information as possible. It's important for the Campus President to determine the following: What happened? Where it happened? When it happened? Is/was a weapon involved? Is/was a vehicle involved? What did the suspect look like? Is the suspect still there? Was anyone injured?

Campus crime, arrest and referral statistics include those reported to designated campus officials (including but not limited to directors, department heads, designated staff, student services coordinators and advocates), and local law enforcement agencies. Each year, enrolled students are provided with access to this report, either in the financial aid office or by e-mail notification. Faculty and staff receive similar notification with their paycheck, email or hand delivery. Copies of the report may also be obtained at the Campus President's Office, website: www.intercoast.edu or by calling the Corporate Office at (818) 672-2100. All prospective employees may obtain a copy from the Business Office, website: www.intercoast.edu or by calling (818) 672-2100. The information is provided with the employment applications, if requested.

Timely Warnings

In the event that a situation arises, either on or off campus, that, in the judgment of the College President, constitutes an ongoing or continuing threat, a campus wide "timely warning" will be issued. The warning will be issued through the college e-mail system to students, faculty, and staff. Depending on the particular circumstances of the crime, especially in all situations that could pose an immediate threat to the community and individuals, letters may be issued to active students, staff and faculty. This will allow for a more immediate notification. In such instances, a copy of the notice is posted in the student lounge. Anyone with information warranting a timely warning should report the circumstances to the President office, by phone (818-334-6425) or by email at president@intercoast.edu. Telephone notification is preferred, as it allows immediate response time from the President's Office.

To report a crime Contact the Campus President's Office or President's Office (non-emergencies), or dial 9-1-1 (emergencies only). Any suspicious activity or person seen in the parking lots or loitering around vehicles, inside buildings or around the Campus should be reported immediately to the Campus President or manager on duty or the local police department. In emergency situations after hours, call the local police department. In response to a call, the appropriate personnel will take the required action, asking the victim to report to the Campus President's office to file an incident report.

All incident reports are followed by the Campus President for review and potential action. The Campus President, after consultation with the President, will investigate a report when it is deemed appropriate. Additional information obtained via the investigation will also be forwarded to the President. If assistance is required from the Police Department or the Fire Department, the appropriate unit will be contacted. If a sexual assault or rape should occur, staff on the scene, will offer the victim a wide variety of services.

Confidential Reporting Procedures

If you are the victim of a crime and do not want to pursue action within the School System or the criminal justice system, you may still want to consider making a confidential report. With your permission, the Campus President or a designee of InterCoast Colleges can file a report on the details of the incident without revealing your identity. The purpose of a confidential report is to comply with your wish to keep the matter confidential, while taking steps to ensure the future safety of yourself and others. With such information, the School can keep an accurate record of the number of incidents involving students, determine where there is a pattern of crime with regard to a particular location, method, or assailant, and alert the campus community to potential danger. Reports filed in this manner are counted and disclosed in the annual crimes statistics for the institution.

Crime Reporting Procedures

All members of the campus community are encouraged to report crimes which occur on the campus to the Campus President; ideally as soon as possible following discovery of the offense. The Campus President will ask questions to gain as much information as possible. It's important for the Campus President to determine; What happened? Where it happened? When it happened? Is/was a weapon involved? Is/was a vehicle involved? What did the suspect look like? Is the suspect still there? Was anyone injured? In the case of a reported crime, a local Police Officer will then respond, investigate and may complete a written report. He or she may completely investigate the incident, including the arrest of the responsible party, or may conduct an initial investigation and forward the case to Detectives/investigators for further action. Criminal charges, if warranted, are either filed directly with the courts or through the District Attorney's Office.

Working Relationship with Other Law Enforcement Agencies

InterCoast enjoys an excellent rapport and effective relationship with allied law enforcement agencies. Should a major crime occur on campus that exhausts the resources of InterCoast's Campus Security Authority, the local Police Department shall be asked to assist with their resources.

Emergency Response and Evacuation Procedures

Notification of Campus Emergencies: InterCoast will, without delay and upon confirmation of a significant emergency or other dangerous situation involving an immediate threat to the health or safety of students or employees occurring on or affecting the campus, use any one or a combination of several methods to notify as many people as possible in a timely manner. InterCoast students, faculty and staff may use the institution's internal intercom system or opt to receive text and/or e-mail emergency notifications.

InterCoast Authorities may delay notification in cases in which, in the professional judgment of responsible authorities, immediate notification would compromise efforts to assist victims or to contain, respond to or otherwise mitigate the emergency. InterCoast will evaluate the circumstances of an event and will assign the appropriate priority based on safety considerations for life, property and environment, in that order. In-progress events will generally take priority over events that have just occurred or that have occurred at some

earlier point in time. Actual, occurring events will generally take priority over similar events that may potentially occur in the future. The content and scope of the notification will be determined at the earliest possible point in an event, and the notification may be initiated by the Campus President, Staff or Faculty, as determined by the particular circumstances. The scope of the notification – who/which segments of the community will be notified – will be determined by the same people, and will reflect the nature and scope of the event. An event contained in a small area or a single room will likely dictate a smaller scope of notification than would an uncontained or dynamic event. Subsequent notifications to the larger community will generally be made by the Campus President.

Access Policy

During business hours, the School will be open to students, parents, employees, contractors, guests, and invitees. During non-business hours, access to all facilities is by key, if issued. In the case of periods of extended closing, the College will admit only those with prior written approval to all facilities. Some facilities may have individual hours, which may vary at different times of the year. Examples are the Resource Room and Conference Rooms. In these cases, the facilities will be secured according to schedules developed by the Campus President. Emergencies may necessitate changes or alterations to any posted schedules.

Law Enforcement

InterCoast employees on duty have the authority to ask persons for identification and to determine whether individuals have lawful business at the School. Designated Employees have the authority to ask persons without lawful business at the School to leave the premises. These employees have the authority to contact the police should individuals who have no business at the School refuse to leave the premises. Criminal incidents are referred to the local police. All crime victims and witnesses are strongly encouraged to immediately report the crime to campus Authorities and the appropriate police agency. Prompt reporting will assure timely warning notices on-campus and timely disclosure of crime statistics.

Security Awareness Programs and Crime Prevention Programs

InterCoast strives to emphasize proactive measures in order to minimize the need for reactive responses. We must all take responsibility for our own safety and the safety of others. Promptly and accurately reporting any and all criminal acts, dangerous situations and suspicious behaviors greatly assists in the provision of a safe campus community.

The following are descriptions of InterCoast's security awareness programs provided to InterCoast students during enrollment and faculty/staff upon hire on an annual basis distributed no later than October 1st of each year:

- During enrollment, students are informed of the campus crime statistics, security and where to report crimes. Students are given information crime on-campus and in the immediate surrounding neighborhood. Similar information is presented to new employees.
- Student Orientation & Faculty Orientation: Through the use of flyers, brochures, pamphlets and other initiatives, tips on personal safety while on campus and in the surrounding community, information on registering bicycles and computers at local police department, and information regarding local laws and regulations.
- Clery Act Campus Security Authority training: In-person and online training provided to all Campus Presidents and/or other appropriate staff regarding responsibilities under the Clery Act and mechanisms in place to report Clery-related offenses. This training is provided in compliance with the mandatory training provisions of the Clery Act.
- Crime Prevention Programs and Sexual Assault Prevention Programs are offered periodically. A common theme of all awareness and crime prevention programs is to encourage students and employees to be aware of their responsibility for their own security and the security of others.

Sex Offenses, Domestic and Dating Violence, and Stalking

The following information is InterCoast's policy on Preventing and Addressing Sexual Assault, Domestic Violence, Dating Violence, and Stalking. In accordance with federal law, InterCoast does not discriminate on the basis of sex/gender in its educational programs and employment. Sexual assault, dating violence, domestic violence, and stalking are forms of sex/gender discrimination and are violations of criminal law in addition to prohibited offenses by InterCoast.

InterCoast will not tolerate domestic violence, dating violence, sexual assault, stalking, or other forms of sexual misconduct. Offenders may be subject to appropriate internal investigative processes, disciplinary action, and/or criminal proceedings. InterCoast utilizes procedures that provide prompt, fair, and impartial investigation and resolution in cases involving domestic violence, dating violence, sexual assault, and stalking. These procedures are carried out by officials who receive specific annual training. Sexual violence is a form of sexual harassment and services are available to students, faculty, and staff who experience sexual violence, domestic violence, dating violence, and instances of stalking. In these situations, InterCoast is committed to providing crisis intervention measures for students, faculty, and staff, as well as appropriate administrative response for the complainant and respondent; referring individuals to criminal authorities; and educating and promoting discussion on interpersonal abuse and violence issues. InterCoast prohibits retaliation by its officers, employees, students, or agents against a person who exercises his or her rights or responsibilities under any provision federal or state law.

The intent is to promote an environment at the campus which is free of sexual assaults, domestic violence, dating violence, and stalking. To accomplish this, InterCoast provides comprehensive education and prevention programs that inform the students/faculty and staff about the risks and myths that contribute to sexual assaults, domestic violence, dating violence, and stalking. Procedures sensitive to victims in responding to reports of alleged sexual assault, domestic violence, dating violence, or stalking, including informing victims about their right to file criminal charges as well as the availability of medical, counseling, and support services, and alternative remedies such as housing and academic accommodation, if reasonably available; and InterCoast disciplinary sanctions for those who commit sexual assault, domestic violence, dating violence, and stalking.

Training is provided to selected InterCoast personnel to provide support, education, and counseling referrals to victim-survivors. InterCoast continually evaluates trainings and education offered to ensure that all processes continue to meet required standards.

Reporting Sexual Assault, Domestic Violence, Dating Violence, and Stalking

Victims of sexual assault, domestic violence, dating violence, and stalking should get to a place of safety immediately and should obtain necessary medical treatment at once. Victims should report the incident as soon as possible, since time is a critical factor for evidence collection and preservation.

Victims should report incidents of sexual assault, domestic violence, dating violence, and stalking occurring on Campus immediately to the Campus President or calling 911. Sexual assaults, domestic violence, dating violence, and stalking occurring off-campus should be reported to local law enforcement by calling 911. InterCoast personnel will assist the victim in notifying local authorities and receiving the necessary medical treatments and tests, if the victim so requests. Filing a police report provides the opportunity for the collection of evidence and assures the victim access to confidential counseling. Reporting an incident of sexual assault, domestic violence, dating violence, and stalking does not require prosecution of a crime, nor will it subject the victim to judgment or scrutiny.

Persons wishing to file a complaints of sexual assault, domestic violence, dating violence, or stalking will be directed (and, whenever possible, escorted) to the office of the Campus President which is primarily responsible for supervising the Campus's investigations of these complaints. In cases involving sexual assault, the Local Police Departments will be contacted upon the accuser's request and generally will lead any criminal investigation. All complaints will be treated confidentially consistent with applicable legal requirements and customary law enforcement practices.

InterCoast recognizes that sexual assault, domestic violence, dating violence, and stalking may also be considered sexual harassment. In order to remedy any hostile environment, sexual harassment complaints will be investigated by the Campus President. All conduct proceedings against students, however, will be resolved through the VP of Student Affairs. All discipline for employees will be addressed through the appropriate disciplinary process.

InterCoast will protect the identity of persons who report having been victims of sexual assault, domestic violence, dating violence, or stalking to the fullest extent of the law.

Bystanders play a critical role in the prevention of sexual and relationship violence. If you are an individual, who witnesses violence or conditions that perpetuate violence. Immediately dial 911.

Affirmative Consent Law

InterCoast acknowledges affirmative consent as a standard in the determination of whether consent was given by both parties to sexual activity. In regard to the Violence Against Women Act and the categories of Domestic Violence, Dating Violence, Stalking, and Cyber Stalking, InterCoast has adopted the following affirmative consent standard in the determination of whether consent was given by both parties to sexual activity.

- "Affirmative consent" means affirmative, conscious, and voluntary agreement to engage in sexual activity.
- It is the responsibility of each person involved in the sexual activity to ensure that he or she has the affirmative consent of the other or others to engage in the sexual activity.
- Lack of protest or resistance does not mean consent, nor does silence mean consent.
- Affirmative consent must be ongoing throughout a sexual activity and can be revoked at any time.
- The existence of a dating relationship between the persons involved, or the fact of past sexual relations between them, should never by itself be assumed to be an indicator of consent.

Sexual Assault Prevention and Response

The College provides education through community resources about sexual assaults and date rape. Students and employees of the Campus can call the **California Coalition on Domestic Violence at 1-800-524-4765** for additional referrals, or **RAINN at 1-800-656-HOPE** to find a rape crisis center in their area. This organization also offers sexual assault education and information programs to College students and employees upon request. Literature on date rape education and sexual assault materials are available through the President's Office at 818-334-6425.

If you are a victim of a sexual assault at this institution, your first priority should be to get to a place of safety. You should then obtain necessary medical treatment. The Administration strongly advocates that a victim of sexual assault report the incident in a timely manner. Time is a critical factor for evidence collection and preservation. An assault should be reported directly to a school official or the police. Filing a police report will not obligate the victim to prosecute, nor will it subject the victim to scrutiny or judgmental opinions from officers or school staff. Filing a police report will 1. Ensure that a victim of sexual assault receives the necessary medical treatment and tests, at no expense to the victim 2. Provide the opportunity for collection of evidence helpful in prosecution, which cannot be obtained later (ideally a victim of sexual assault should not wash, douche, use the toilet, or change clothing prior to a medical/legal exam) 3. Assure the victim has access to free confidential counseling from counselors specifically trained in the area of sexual assault crisis intervention. When a sexual assault victim contacts a school official, the City Police will be notified. A representative from the President's office will also be notified. The victim of a sexual assault may choose for the investigation to be pursued through the criminal justice system. A representative from the President's office will guide the victim through the available options and support the victim in his or her decision. Various counseling options are available from the school through the Campus President's Office. Counseling and support services outside the school system can be obtained through **RAINN at 1-800-656-HOPE** or through the **California Coalition on Domestic Violence at toll free 1-800-524-4765** or other resources available at the school. Ask for the Resource Directory. School disciplinary proceedings, as well as special guidelines for cases involving sexual misconduct, are detailed in the Student Catalog.

Sex Offender Registration

Information is provided to students upon request of where to find information on a Sex Offender list or registry. The State establishes a website as the official internet public access to the sex offender registration computerized database. In California, the website is www.meganslaw.ca.gov or the national registry at <http://www.nsopr.gov>. Registry information provided under this section shall be used only for the purposes of the administration of criminal justice, screening of current or prospective employees, volunteers or otherwise for the protection of the public in general.

Definitions of Criminal Offenses

Crime definitions from the uniform Crime Reporting Handbook and the National Incident-Based Reporting System Edition of the Uniform Crime Reporting Handbook and terms used in the Campus SaVE Act:

Murder

The willful (non-negligent) killing of a human being by another.

Manslaughter

The killing of another person through gross negligence.

Sex Offense (Forcible)

Any sexual act directed against another person without the other person's consent. (Includes attempts)

- a. Sexual intercourse (penetration--however slight)
- b. Sodomy (penetration, however slight)
- c. Oral copulation (vaginal, anal)
- d. Rape with a foreign object (penetration vaginal or anal--however slight)
- e. Sexual battery (the touching of the intimate parts [sexual organ, anus, groin, or buttocks of any person, or the breast of a female] of another person for the purpose of sexual gratification) **Sex Offense (Non-forcible)** Any unlawful, but consensual sex act with another person. (Includes attempts)
 - a. Incest (sexual intercourse between persons who are related to one another within the degrees wherein marriage is prohibited)
 - b. Statutory rape (intercourse with a person who is under the age of consent--18yrs).

Robbery

The taking of personal property in the possession of another, from his/her immediate presence, and against his/her will, accomplished by means of force or fear. (Includes attempts)

Aggravated Assault

An unlawful assault upon the person of another for the purpose of inflicting severe or aggravated bodily injury. (Includes attempts, and whether or not an injury occurred.)

Burglary

The unlawful entry (or attempt to enter) into a defined structure with the intent to commit a theft or any felony. (Excludes vehicle burglary)

Motor Vehicle Theft

The taking of a motor vehicle (as defined) without the consent of the owner with the intent to either permanently or temporarily deprive the owner of the vehicle. (Includes attempts)

Arson

The willful or malicious burning or attempt to burn (w/o the intent to defraud) a dwelling, house, public building, motor vehicle or aircraft, or personal property of another. (Includes attempts)

Drug/Narcotic Violations

The unlawful possession, sale, use, transportation, cultivation, manufacturing, maintaining an unlawful place. (Drug/narcotic violations referred for campus disciplinary action under the Student Conduct Code need not be reported to the police department.)

Alcohol Violations

The unlawful possession, sale, transportation, manufacturing, furnishing alcohol to a minor (under 21 years), or maintaining an unlawful drinking place. **CLERY does not require the reporting of public drunkenness or driving while under the influence offenses.** (Alcohol violations referred for campus disciplinary action under the Student Conduct Code need not be reported to the police department.)

Weapons Violation

The unlawful possession or control of any firearm, deadly weapon, (including nunchakus or billy club) illegal knife or explosive device while on the property of the InterCoast Colleges.

Domestic Violence

Felony or Misdemeanor crimes of violence committed by a current or former spouse of the victim, by a person with whom the victim shares a child in common, by a person who is cohabitating with or has cohabitated with the victim as a spouse, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction.

Dating Violence

Violence committed by a person A) who is or has been in a social relationship of a romantic or intimate nature with the victim; and B) where the existence of such a relationship shall be determined based on a consideration of the following factors: length of the relationship, the type of relationship, the frequency of interactions between the persons involved in the relationship.

Stalking

Engaging in a course of conduct directed at a specific person that would cause a reasonable person to A) fear for his or her safety or the safety of others; or B) suffer substantial emotional distress.

Sexual Assault Same as Sex Offense (Forcible and Non-Forcible)

Hate Crime

A criminal act involving one/more of the listed crimes which was motivated by bias against any person or group of persons, or the property of any person or group of persons because of the ethnicity, race, national origin, religion, gender, sexual orientation, or disability of the person or group, or bias based upon the perception that the person or group has one or more of those characteristics.

Hate Incident

Any non-criminal act motivated by bias against any person or group of persons, or the property of any person or group of persons because of the ethnicity, race, national origin, religion, gender, sexual orientation or disability of the person or group, or bias based upon the perception that the person or group has one or more of those characteristics.

Simple Assault

An unlawful physical attack by one person upon another where neither the offender displays a weapon, nor the victim suffers obvious severe or aggravated bodily injury involving apparent broken bones, loss of teeth, possible internal injury, severe laceration or loss of consciousness.

Intimidation

To unlawfully place another person in reasonable fear of bodily harm through the use of threatening words and/or other conduct, but without displaying a weapon or subjecting the victim to actual physical attack.

Destruction/Damage/Vandalism of Property (Except "Arson")

To willfully or maliciously destroy, damage, deface, or otherwise injure real or personal property without the consent of the owner or the person having custody or control of it.

Larceny/Theft The unlawful taking, carrying, leading, or riding away of property from the possession or constructive possession of another.

PERSONAL PROPERTY

Students are asked to monitor all of their own personal property such as backpacks, books, wallets, purses and other personal items, as the school is not responsible for lost or stolen property.

GUESTS POLICY

Students are welcome to bring guests to tour the school during the school's normal hours of operation with approval of the Campus President.

COMPUTER LABORATORY USE

InterCoast Colleges maintains a computer laboratory and is available to all students during non-scheduled class usage hours. Students are expected to demonstrate proper use of the computer equipment at all times. Any inappropriate uses of computer equipment including, but not limited to the inappropriate downloading of programs or materials from the internet, use of social networking sites, chat rooms or

instant messengers on any school computer, and/or other mistreatment and unauthorized use of equipment will not be tolerated. No smoking, eating, or drinking is permitted at any time in the computer laboratory.

STUDENT GRIEVANCE PROCEDURES

Adherence by all parties to the Code of Professional Behavior is required at all times during the grievance process.

First Step - Students who encounter difficulties, problems, or have complaints should, either orally or in writing, request an individual conference with the instructor or staff member to discuss the matter within 48 hours of the incident.

Second Step - If a satisfactory resolution to the problem is not reached, the aggrieved party should make an appointment to speak with the Program Director. If there is no Program Director the aggrieved party should meet with the Campus President.

Third Step - If the second step has not resolved the grievance within 3 days of the first step, the aggrieved party may present to the corporate office, in writing, all facts of the grievance using the available link on the school website. <http://intercoast.edu> or by sending an email to president@intercoast.edu

Within 14 calendar days upon receipt of the written information, the Campus President will schedule a Grievance Committee hearing. The time of the meeting will be communicated in writing to all parties. The Committee will consist of the Campus President, a member of the corporate staff, and three staff or faculty members not involved with the incident in question.

All persons, or their representatives, involved with the incident must be present at the time of the meeting. All parties involved will be given the opportunity to discuss the grievance. The Grievance Committee will excuse all parties involved in the grievance and immediately review and conclude the case. The decision of the Committee will be communicated to those involved in the incident within 14 days. The Committee's decision is final.

No retaliation of any kind shall be taken against a student for participating in the complaint or grievance process. These procedures shall also protect data privacy rights. The college maintains a record of all complaints and grievances filed and are collected and archived in the Vice President of Compliance and Academics Office.

Complainants who have exhausted all complaint and grievance procedures provided under this policy and who seek further resolution may contact the School President in writing by email president@intercoast.edu.

Students who are still unable to resolve their complaint with the school may file a formal complaint with:

GRADUATE EMPLOYMENT ASSISTANCE SERVICES

InterCoast Career Services – Student’s Commitment to Employment Assistance

InterCoast does not guarantee Employment

InterCoast employs a Career Services Coordinator to assist graduates in contacting companies in order to secure employment. The Career Services Coordinator acts as a liaison between students and the employment community. Employment assistance efforts require both the graduate and institution to work hand in hand in the efforts. The graduate is expected to work diligently to secure employment, utilizing the career development training, soft skills training, and technical skills training received. Graduates are encouraged to begin their employment search activities during externship and/or clinical internship training or within the last six weeks of schooling if applicable.

Many students obtain employment without the assistance of the Career Services staff; however, the institution is available to assist eligible graduates at any time. All graduates will be provided placement assistance unless they are not eligible (as noted below) and/or if the graduate has submitted a valid student waiver of placement assistance. Graduates waiving placement assistance may later resume placement assistance by notifying the Career Services Department that they again wish to be placed in an active job seeking status.

Successful job search is dependent upon a self-confident and well-prepared applicant with a well-planned strategy, and the Career Services Coordinator will assist in this effort. The Career Services Coordinator will work with each graduate until he/ she is placed, assuming cooperation on the part of the graduate. The Career Services Department staff provides employment assistance to graduates to find employment opportunities in their career fields, matching their training, capabilities, and experience.

In order for graduates to be eligible for employment assistance, and in order to effectively utilize career services, graduates must:

1. Search for employment in a job that utilizes the skills and knowledge learned in their program of study, (Training Related Employment) or maintain a position with their current employer that results in a training-related increase in responsibility, increase in pay, or promotion with that current employer.
2. Graduates must submit a completed and acceptable resume to the Career Services Coordinator. This resume must be submitted in electronic form to the campus career services coordinator email address.
3. The Career Services Department must receive timely updates from graduates on any change in name, address, telephone number, email, and social media. Additionally, the institution must be advised in writing of any changes in employment status or if graduate is temporarily unavailable for interview activity due to vacation or other activity.
4. Graduates must maintain email and telephone contact with the Career Services Department at least twice weekly during the active job search period. If an appointment is made with an employer or with the Career Services Coordinator and it cannot be kept, an immediate call to the employer and/or institution must be made.
5. Graduates should maintain a log of all job search activity and it is recommended that they keep the log current and suggested that they submit the activity weekly to the email noted above to receive feedback on their job search.
6. Graduates must notify the Career Services Coordinator of the results of all interviews. Graduates agree to inform the school of any job acceptances, regardless of how the employment was secured.

Graduates must complete an exit interview with all departments, including financial aid (if applicable), student services, career services, education, and must meet with the Campus President. It is suggested that the student schedule the appointment to meet with the various department staff so that the exit is completed within one week following the last date of attendance.

AAS DEGREE SUBSTANCE USE DISORDER COUNSELING

High School Diploma or GED Required

Program Description

This Program is designed for students seeking employment immediately upon graduation rather than providing credits to transfer to a four-year degree. Emphasis is placed on courses which enable the student to gain theoretical knowledge important for working in the field and to apply concepts to meet their occupational objectives. Upon completion of all requirements the student will be awarded an AAS (Associates in Applied Sciences) Degree.

This program provides the necessary knowledge, skill and attitude development needed to be effective in the treatment of alcohol and other drug dependency and abuse. The program is designed to provide students that do not have prior experience in the field of Alcohol and Drug Counseling with a competency based educational program that meets the requirements for becoming an addiction counselor and provides the foundation for continuing education in counseling. Offered online with all General Education courses offered online.

Program Objectives

The program's goal is to provide the alcohol and drug treatment field with knowledgeable and skilled counselors.

Occupational Objectives

The objective is to meet the requirement and demand for certified counselors, secure employment, and provide the student with possible advancement opportunities. Although field experience is required before becoming certified, this course exceeds the didactic and supervised fieldwork internship requirement standards of the California Consortium of Addiction Programs and Professionals (CCAPP) for future certification. For further details in receiving certification in the field of recovery and obtaining field credentials through CCAPP please visit their web-site at <https://www.ccapp.us> Graduates applying for future CADC-I credentials must achieve a grade of "C" or better in all Core courses.

AAS DEGREE BUSINESS ADMINISTRATION

High School Diploma or GED Required

Offered Online Only

Program Description

This Program is designed for students seeking employment immediately upon graduation rather than providing credits to transfer to a four-year degree. Emphasis is placed on courses which enable the student to gain theoretical knowledge important for working in the field and to apply concepts to meet their occupational objectives. Upon completion of all requirements the student will be awarded an AAS (Associates in Applied Sciences) Degree.

The Associate in Applied Science Business Administration program provides graduates with the necessary skills to succeed in today's business world. Areas of study include accounting, economics, finance, human resource management, marketing, basic computer operations and business law.

Program Objectives

The program prepares individuals to plan, organize, direct, and control the functions and processes of a firm or organization. Includes instruction in management theory, human resources management and behavior, accounting and other quantitative methods, marketing, and business decision-making

Occupational Objectives

The program provides graduates with both entrepreneurial skills for those who prefer to run their own businesses and organizational skills for those who wish to work in larger corporate organizations. The program's goal is to prepare students to pursue supervisory and managerial positions in financial institutions, government, transportation, small businesses, manufacturing, insurance, and retailing.

FITNESS SPECIALIST

Program Description

This program will prepare students to work one-on-one or with two or three clients, either in a gym or in the clients' homes. They help clients assess their level of physical fitness and set and reach fitness goals. Trainers also demonstrate various exercises and help clients improve their exercise techniques. They may keep records of their clients' exercise sessions to monitor the clients' progress toward physical fitness. They also may advise their clients on how to modify their lifestyles outside of the gym to improve their fitness. Offered on ground.

Program Objectives

The program is designed to provide students with extensive and comprehensive training to prepare for employment. Students will learn basic principles and theories, and applications of different exercise activities. Students will learn and develop administrative skills such as client scheduling, obtaining and maintaining client data, and bookkeeping, necessary to work in a gym or private setting. Students will be certified in CPR and first aid.

Occupational Objectives

Fitness trainers and instructors work in health clubs, country clubs, fitness or recreation centers, gyms, hospitals, universities, yoga and Pilates studios, resorts, and clients' homes. Graduates will be qualified to work in entry level positions as a Fitness Trainer, Fitness Worker, Personal Trainer, Group Exercise instructor, and/or Fitness Director.

50 Weeks to Complete

This program prepares graduates for the following occupation: Fitness Trainer: <http://www.onetonline.org/link/summary/310507.00>

This program prepares graduates to work in traditional workplace settings as well as in freelance employment or as self-employed individuals. A defining characteristic of these two work-styles is that they are often comprised of projects or short-term job opportunities. This type of work may not be consistent; depending on the job, project, or budget, periods of employment can range from one day to weeks to several months. In addition, the hours worked in a day or week may be more or less than the traditional 8 hour work day or 40 hour work week. Additionally, during periods when individuals are not working on a specific job or project, they can expect to spend time on expanding their networks, advertising or promoting their services, or honing their skills. Once graduates begin to work freelance or are self-employed, they will be asked to provide documentation that they are employed as such so that they may be counted as placed for our job placement records. Students enrolling in this program will initial a disclosure that they understand that some or all of this program's graduates are employed in this manner and understand what comprises this work-style.

MENTAL HEALTH REHABILITATION TECHNICIAN

Offered Online Only Program Description

This program provides the necessary knowledge, skill and attitude development needed to be effective in providing specific mental health rehabilitation services. Those services include community integration, intensive case management, assertive community treatment, skills development, and family psycho-education. The program is designed to provide students that do not have prior experience in the field of Mental Health with a competency based educational program in the most time effective manner available today. Offered online.

Program Objectives

This program will provide the needed education and training for those seeking a new and fulfilling career as a mental health rehabilitation support assistant.

Occupational Objectives

The program's goal is to provide the mental health field with entry level, knowledgeable, and skilled assistants. The objective is to meet the requirement and demand for co-occurring disorder specialists, secure employment, and provide the student with advancement opportunities.

PHARMACY TECHNICIAN

****High School Diploma or GED Required for Admission**

Program Description

This program is designed for those students who desire knowledge and skills in the career as a Pharmacy Technician or related position.

Program Objectives

This is an instructional program that prepares individuals to support pharmacists by providing assistance during patient consultation, counter dispensing operations, and prescription preparation: keeping patient and related health record information; and by performing a wide range of practice-related duties.

Occupational Objectives

Pharmacy Technician graduates must become licensed by the California Board of Pharmacy to qualify to work as a Pharmacy Technician in the state of California. Students will need to fill out an application, complete a Live Scan, provide a current picture, produce official high school transcripts, and submit to a drug screen and background check. Licensed graduates will qualify to work as an entry level Pharmacy Technician in both hospital and retail drug store pharmacies. Licensed or unlicensed graduates will be qualified for employment as a pharmacy clerk.

COURSE DESCRIPTIONS

COURSE NUMBER: AD122

COURSE NAME: Intro & Overview of AOD

PREREQUISITES: NONE

At the completion of this course the student will gain applicable knowledge of historical uses of alcohol and the exploration/etiology of alcoholism. In addition, discussions will explore the history, current approaches, and controversies involved in the treatment of alcoholism and narcotic addiction/abuse.

COURSE HOURS: 30 LECTURE/15 LAB

COURSE CREDITS: 2.5

COURSE NUMBER: AD123

COURSE NAME: Law & Ethics for SUD Counselors

PREREQUISITES: NONE

Student will gain an understanding of state and national regulatory processes relevant to ethical conduct and practices within the industry/profession

COURSE HOURS: 30 LECTURE/15 LAB

COURSE CREDITS: 2.5

COURSE NUMBER: AD124

COURSE NAME: Physiological Effects of AOD

PREREQUISITES: NONE

At the completion of this course the student will be able to distinguish the body systems affected by alcohol use, abuse, and dependence as well as identify illnesses and diseases primarily caused by or exacerbated by alcohol.

COURSE HOURS: 30 LECTURE/ 15 LAB

COURSE CREDITS: 2.5

COURSE NUMBER: AD125

COURSE NAME: Pharmacology

PREREQUISITES: NONE

At the completion of this course the student will be able to identify and classify various illicit and prescription drugs.

COURSE HOURS: 30 LECTURE/ 15 LAB

COURSE CREDITS: 2.5

COURSE NUMBER: AD126

COURSE NAME: Counseling Competencies

PREREQUISITES: NONE

This course is designed to provide a practical integrative approach to counseling. Students will learn both a theoretical and practical knowledge base for the entry-level AOD counselor. In addition to didactic lecture, each class will explore the basic counseling micro skills via role-playing activities which involve active listening, paraphrasing and reflection of feelings, probing, summarizing, confrontation, reframing, and normalizing. The student will also gain knowledge of the fundamental principles of counseling and the counseling relationship.

COURSE HOURS: 30 LECTURE/15 LAB

COURSE CREDITS: 2.5

COURSE NUMBER: AD127

COURSE NAME: Case Management

PREREQUISITES: NONE

The student will gain knowledge of the fundamental principles of counseling and the counseling relationship. The student will learn case management documentation requirements, reports and recordkeeping.

COURSE HOURS: 30 LECTURE/15 LAB

COURSE CREDITS: 2.5

COURSE NUMBER: AD128

COURSE NAME: Personal Counseling Skills

PREREQUISITES: NONE

At the completion of this course the student will gain applicable knowledge of counseling skills training, becoming a counselor, an overview of skills training, understanding the counseling relationship, and attending to the client.

COURSE HOURS: 15 LECTURE/30 LAB

COURSE CREDITS: 2.5

COURSE NUMBER: AD129

COURSE NAME: Counseling Theories & Applications

PREREQUISITES: NONE

At the completion of this course the student will gain applicable knowledge of counseling theories, an overview of skills training, understanding the counseling relationship, and attending to the client.

COURSE HOURS: 15 LECTURE/30 LAB

COURSE CREDITS: 2.5

COURSE NUMBER: AD130

COURSE NAME: 12 Steps, Relapse, and Recovery

PREREQUISITES: NONE

This course will cover a variety of topics: Group Therapy, Co-Occurring Disorders, Recovery Process, Relapse Prevention, and Support Groups (12-Step Approach). In addition, the student will identify the various types of group counseling utilized in different modalities of treatment.

COURSE HOURS: 15 LECTURE/30 LAB

COURSE CREDITS: 2.5

COURSE NUMBER: AD131
COURSE NAME: Family Dynamics
PREREQUISITES: NONE

COURSE HOURS: 15 LECTURE/30 LAB
COURSE CREDITS: 2.5

This course provides an understanding of the family dynamics in a chemically dependent family and the interventions which may lead to recovery for family members. It provides a clear understanding of healthy functional families.

COURSE NUMBER: AD132
COURSE NAME: Co-Occurring Disorders
PREREQUISITES: NONE

COURSE HOURS: 15 LECTURE/30 LAB
COURSE CREDITS: 2.5

This course provides students with an understanding of co-occurring psychiatric and substance abuse disorders and their impact on the individual, family, and community. Includes an integrated approach to address the issues accompanying the illness.

COURSE NUMBER: AD133
COURSE NAME: Culture, Race & Gender Considerations
PREREQUISITES: NONE

COURSE HOURS: 15 LECTURE/30 LAB
COURSE CREDITS: 2.5

This course will provide the student with skills toward the development of culturally responsive clinical skills that are vital to the effectiveness of behavioral health services.

COURSE NUMBER: AD134
COURSE NAME: Personal and Professional Growth for Counselors
PREREQUISITES: NONE

COURSE HOURS: 30 LECTURE/15 LAB
COURSE CREDITS: 2.5

In this course students will have a working knowledge of counselors Scope of Practice for their chosen field. In this course students will have a working knowledge of the Stages of Change and Motivational Interviewing. Students will learn to become more effective communicators and counselors using motivational interventions and approaches to move clients toward positive change. Students will become certified in CPR/First Aid.

COURSE NUMBER: AD135
COURSE NAME: Clinical Practicum
PREREQUISITES: NONE

COURSE HOURS: 30 LECTURE/15 LAB
COURSE CREDITS: 2.5

In this course students will prepare for the Clinical application of their education; students will assess their life areas for the potential of burnout within the field of Alcohol/Drug Counseling and learn to recognize what causes them to be subject to conditions that can lead to depletion or impairment in the workplace. Student will identify effective strategies to maintain self-care and wellness, including Clinical Supervision, 12 Step Support Groups, psychotherapy, exercise, healthy diet, relaxation techniques and time management.

COURSE NUMBER: AD120A
COURSE NAME: Clinical Internship I w/Supervision
PREREQUISITES: Completion of AD109, AD110, AD111, AD112, AD113, AD114, AD115

COURSE HOURS: 0 LECTURE/ 0 LAB/90 Internship
COURSE CREDITS: 2.0

The clinical opportunity provides real world vocational experience to student counselors while they continue to participate in counseling supervision.

COURSE NUMBER: AD120B
COURSE NAME: Clinical Internship II w/Supervision
PREREQUISITES: Completion of AD120A

COURSE HOURS: 0 LECTURE/ 0 LAB/90 Internship
COURSE CREDITS: 2.0

The clinical opportunity provides real world vocational experience to student counselors while they continue to participate in counseling supervision.

COURSE NUMBER: AD120C
COURSE NAME: Clinical Internship III w/Supervision
PREREQUISITES: Completion of AD120B

COURSE HOURS: 0 LECTURE/ 0 LAB/95 Internship
COURSE CREDITS: 2.0

The clinical opportunity provides real world vocational experience to student counselors while they continue to participate in counseling supervision.

COURSE NUMBER: AH102
COURSE NAME: Anatomy & Physiology
PREREQUISITES: NONE

COURSE HOURS: 90 LECTURE/ 0 LAB
COURSE CREDITS: 6.0

This course instructs the students in the principles of pharmacology in the ambulatory setting, calculating dosages for non-parenteral and parenteral medications, and common medications used in each body system.

COURSE NUMBER: AMA206
COURSE NAME: ICD-10CM Coding
PREREQUISITES: NONE

COURSE HOURS: 30 LECTURE/60 LAB
COURSE CREDITS: 4.0

The focus of this class is learning the coding rules for the ICD-10-CM coding systems and then applying the rules to code patient services. In addition, a variety of payment systems is presented.

COURSE NUMBER: AMA207
COURSE NAME: CPT & HCPCS Coding
PREREQUISITES: NONE

COURSE HOURS: 30 LECTURE/60 LAB
COURSE CREDITS: 4.0

This course provides the student with a basic understanding of CPT and HCPCS coding in health care.

COURSE NUMBER: AMA208 COURSE NAME: Advanced Billing, Reimbursement & Compliance PREREQUISITES: NONE	COURSE HOURS: 60 LECTURE/30 LAB COURSE CREDITS: 5.0
<p>This course provides the student with a basic understanding of the field of medical insurance billing and its impact on the U.S. healthcare system and the economics of healthcare delivery. Students will also learn coding Radiology, Pathology, Medicine, and Rehabilitation services as well as compliance and reimbursement.</p>	
COURSE NUMBER: ATP114 COURSE NAME: Intro to Trades Professions PREREQUISITES: NONE	COURSE HOURS: 30 LECTURE/15 LAB COURSE CREDITS: 2.5
<p>This course provides a basic overview of construction trade, basic safety measures, and standards of conduct related to customer service.</p>	
COURSE NUMBER: ATP115 COURSE NAME: Construction Math, OSHA Safety & NEC PREREQUISITES: NONE	COURSE HOURS: 30 LECTURE/15 LAB COURSE CREDITS: 2.5
<p>This course provides a basic overview of basic safety measures, OSHA 10, and the National Electrical Code.</p>	
COURSE NUMBER: ATP116 COURSE NAME: Electrical Safety & Theory PREREQUISITES: NONE	COURSE HOURS: 30 LECTURE/15 LAB COURSE CREDITS: 2.5
<p>This course provides a general introduction to electrical concepts and theories and basic safety measures.</p>	
COURSE NUMBER: ATP117 COURSE NAME: Construction Drawings PREREQUISITES: NONE	COURSE HOURS: 30 LECTURE/15 LAB COURSE CREDITS: 2.5
<p>This course provides a general introduction to math and construction drawings</p>	
COURSE NUMBER: ATP118 COURSE NAME: Conductors & AC Current PREREQUISITES: NONE	COURSE HOURS: 30 LECTURE/15 LAB COURSE CREDITS: 2.5
<p>This course provides an introduction to conductors and AC theory.</p>	
COURSE NUMBER: ATP119 COURSE NAME: Motor Theory & Application PREREQUISITES: NONE	COURSE HOURS: 30 LECTURE/15 LAB COURSE CREDITS: 2.5
<p>This course provides an introduction to motor theory, using electrical test equipment, and managing electrical hazard.</p>	
COURSE NUMBER: BTA111 COURSE NAME: Administrative Office Procedures PREREQUISITES: NONE	COURSE HOURS: 60 LECTURE/30 LAB COURSE CREDITS: 5.0
<p>This course will introduce the student to the topics and issues in today's workplace. Students will learn to effectively lead teams and communicate with coworkers. Basic office skills such as filing, records management, arranging meetings, and making travel arrangements will be taught. They will learn to manage the work environment and technology.</p>	
COURSE NUMBER: BTA112 COURSE NAME: Intro to Information Technology PREREQUISITES: NONE	COURSE HOURS: 60 LECTURE/30 LAB COURSE CREDITS: 5.0
<p>This course will introduce the student to the topics and issues in today's workplace. Students will learn to manage the work environment and technology including basic network administration, network security, and computer troubleshooting.</p>	
COURSE NUMBER: BTA113 COURSE NAME: Human Resources Fundamentals PREREQUISITES: NONE	COURSE HOURS: 60 LECTURE/30 LAB COURSE CREDITS: 5.0
<p>This course will provide the student with a complete, comprehensive review of essential personnel management concepts and techniques. Students will explore how Human Resources play a key role in helping companies meet the challenges of global competition. Strategic objectives to lower costs, improve productivity, and increase organizational effectiveness are changing the way every part of the organization, including the HR department, does business.</p>	
COURSE NUMBER: BTA114 COURSE NAME: Human Resources Management PREREQUISITES: NONE	COURSE HOURS: 60 LECTURE/30 LAB COURSE CREDITS: 5.0
<p>This course will provide the student with a review of essential personnel management concepts and techniques. Students will explore how Human Resources play a key role in helping companies meet the challenges of global competition. Strategic objectives to lower costs, improve productivity, and increase organizational effectiveness are changing the way every part of the organization, including the HR department, does business.</p>	

COURSE NUMBER: BUS100
COURSE NAME: Intro to Computer Applications
PREREQUISITES: NONE

COURSE HOURS: 60 LECTURE/30 LAB
COURSE CREDITS: 5.0

This course will teach the student the fundamentals of Microsoft Excel, Word, Access, PowerPoint, and Outlook. Students will become acquainted with the proper procedures to create spreadsheets, documents, databases and presentations suitable for coursework, professional purposes, and personal use.

COURSE NUMBER: BUS101
COURSE NAME: Business Law
PREREQUISITES: NONE

COURSE HOURS: 90 LECTURE/ 0.0 LAB
COURSE CREDITS: 6.0

Students will learn the basic legal concepts of contract law. Students will learn more specialized concepts such as business formation, agency law, commercial paper, secured transactions, and employment law as they relate to common business activities.

COURSE NUMBER: BUS102
COURSE NAME: Business Communications
PREREQUISITES: NONE

COURSE HOURS: 75 LECTURE/15 LAB
COURSE CREDITS: 5.0

Students will be taught effective verbal and nonverbal communication skills. They will learn to write effective business communications, including letters, memos and email messages. This course also covers leadership communication skills related to motivating employees and problem solving, teamwork, group dynamics and conflict resolution. This course will help the student develop an increased knowledge of key concepts in customer service. Students will study customer service from a customer satisfaction perspective and learn how to provide excellent customer experiences for their company.

COURSE NUMBER: CA111
COURSE NAME: Business Math
PREREQUISITES: NONE

COURSE HOURS: 45 LECTURE/45 LAB
COURSE CREDITS: 4.0

This course is designed to introduce the fundamental concepts of a business math course. Topics such as whole numbers, fractions, decimals and integers, order of operations, percents, measurements and probability are covered.

COURSE NUMBER: CA112
COURSE NAME: Introduction to Accounting
PREREQUISITES: NONE

COURSE HOURS: 60 LECTURE/30 LAB
COURSE CREDITS: 5.0

This course provides an introduction to business accounting. Topics include accounting concepts and principles, financial statements, internal control design, and accounting for partnerships.

COURSE NUMBER: CA113
COURSE NAME: Computerized Accounting
PREREQUISITES: NONE

COURSE HOURS: 15 LECTURE/75 LAB
COURSE CREDITS: 3.0

Students will be introduced to the accounting cycle and learn double entry accounting through an automated process. They will see the critical role that accounting plays in making business decisions and develops skills that will enable them to succeed in the workforce. The course will familiarize the student with using QuickBooks accounting software to automate the full accounting cycle.

COURSE NUMBER: CA114
COURSE NAME: Tax Preparation
PREREQUISITES: NONE

COURSE HOURS: 15 LECTURE/75 LAB
COURSE CREDITS: 3.0

In recent years, the role of the third party assistance in tax return preparation within the United States has become more significant. To acknowledge this trend, the IRS is strengthening partnerships with tax practitioners, tax return preparers, and other third parties in order to ensure effective tax administration that adheres to professional standards and follows the law.

COURSE NUMBER: DA11
COURSE NAME: Dental Science
PREREQUISITES: NONE

COURSE HOURS: 40 LECTURE/40 LAB
COURSE CREDITS: 4.0

This course provides the student with knowledge of the anatomy and physiology of the human body systems with special emphasis in those areas related to the practice of dentistry including: morphology, histology, and embryology. Dental charting is an integral part of this course. The course addresses the terms and abbreviations required for charting, the numbering system, and cavity classifications.

COURSE NUMBER: DA12
COURSE NAME: Restorative Dentistry
PREREQUISITES: Completion of DA11

COURSE HOURS: 40 LECTURE/40 LAB
COURSE CREDITS: 4.0

This course provides the student with an introduction to the dental office and basic chairside assisting, instrument transfers and maintaining a sterile field, and basic chairside instruments and tray systems. Additionally, the course provides students with an introduction to the names, properties, and characteristics of materials commonly used in the restoration of teeth. Students gain knowledge about the various materials and specific techniques that are frequently used in the dental office.

COURSE NUMBER: DA13
COURSE NAME: Radiography & Radiation
PREREQUISITES: Completion of DA11

COURSE HOURS: 40 LECTURE/40 LAB
COURSE CREDITS: 4.0

This course provides the students with the techniques of radiation safety; the production, processing, and proper storage of dental x-rays; and the legal implications of dental radiography. The course also provides students with digital radiography, intra-and extra-oral imaging. Upon

successful completion of this course and Externship, students receive their X-ray Certificate.

COURSE NUMBER: DA14

COURSE HOURS: 40 LECTURE/40 LAB

COURSE NAME: Dental Specialties

COURSE CREDITS: 4.0

PREREQUISITES: Completion of DA11

This course introduces the student to the following specialty areas of dentistry: dental public health, endodontics, oral & maxillofacial surgery, oral pathology, orthodontics, Pedodontics, periodontics, and fixed and removable prosthodontics. Students gain knowledge about each of the dental practices and the treatments that are available within them.

COURSE NUMBER: DA15

COURSE HOURS: 40 LECTURE/40 LAB

COURSE NAME: Pharmacology

COURSE CREDITS: 4.0

PREREQUISITES: Completion of DA11

This course provides the student with an overview of pharmacology with a special emphasis on the various drugs that are encountered in dentistry. Focus is on drug laws, prescriptions, routes of administration, and the management of pain and anxiety in the dental environment. Sedation and preparing anesthetics for the dentist will also be taught. Students will gain knowledge regarding the management of medical emergency situations including cardiopulmonary resuscitation. Students will take a CPR course that will include a written and practical exam. CPR certification is a requirement of the Dental Assisting program. Finally, students will learn about electrocardiography and pulse oximetry to fulfill the requirements of new laws governing dental assisting.

COURSE NUMBER: DA16

COURSE HOURS: 40 LECTURE/40 LAB

COURSE NAME: Preventative Dentistry

COURSE CREDITS: 4.0

PREREQUISITES: Completion of DA11

This course provides the students with knowledge regarding overall nutrition and preventative dentistry to include: coronal polishing and pit & fissure sealants. Students are the proper oral hygiene techniques, such as: tooth brushing, flossing, and administering fluoride treatments. Upon successful completion of this course students receive their coronal polishing and sealant cards.

COURSE NUMBER: DA17

COURSE HOURS: 40 LECTURE/40 LAB

COURSE NAME: Dental Administration

COURSE CREDITS: 4.0

PREREQUISITES: Completion of DA11

This course provides the student with knowledge of information management, patient clinical records, electronic appointment scheduling and insurance processing, effective communication skills and telephone techniques. Upon completion of this course, the student will have a professional cover letter and resume and gain the necessary professional skills to find successful employment in a professional environment.

COURSE NUMBER: DA18

COURSE HOURS: 40 LECTURE/40 LAB

COURSE NAME: Dental Law & Ergonomics

COURSE CREDITS: 4.0

PREREQUISITES: Completion of DA11

This course provides the student with the necessary guidelines and standards required to become a Registered Dental Assistant. Topics covered include: dental law and ethics, ergonomics in the dental operator and the laboratory materials and techniques, as well as the California Dental Practice Acts.

COURSE NUMBER: DA19

COURSE HOURS: 0 LECTURE / 0 LAB / 160 EXTERNSHIP

COURSE NAME: Dental Externship

COURSE CREDITS: 3.0

PREREQUISITES: Completion of DA11, DA12, DA13, DA14, DA15, DA16, DA17, DA18

The externship opportunity provides real world vocational experience to participants.

COURSE NUMBER: ETP101

COURSE HOURS: 60 LECTURE/30 LAB

COURSE NAME: Conduit Bending, Conductors, Circuit Breakers & Fuses

COURSE CREDITS: 5.0

PREREQUISITES: Completion of ATP114, ATP115, ATP116, ATP117, ATP118, ATP119

This course provides an introduction to conduit bending and installation, Conductor Installations, Conductor Terminations, fuses and circuit breakers, electrical devices and wiring techniques

COURSE NUMBER: ETP102

COURSE HOURS: 60 LECTURE/30 LAB

COURSE NAME: Electronics Theory, Control Systems, Conductor Calculations

COURSE CREDITS: 5.0

PREREQUISITES: Completion of ATP114, ATP115, ATP116, ATP117, ATP118, ATP119

This course introduces the basic descriptions of various types of contactors and relays along with their practical applications. The course covers installation consideration and NEC requirements, explains the function and operation of basic electronic devices, conductor selections & calculations and explains how to size/ select circuit breakers, fuses for various applications.

COURSE NUMBER: ETP103

COURSE HOURS: 60 LECTURE/30 LAB

COURSE NAME: Hazardous Locations & Systems

COURSE CREDITS: 5.0

PREREQUISITES: Completion of ATP114, ATP115, ATP116, ATP117, ATP118, ATP119

This course introduces the basic principles of human vision and the characteristics of light, conduit bending, installation of electrical circuits in health care, NEC requirements for Hazardous Locations and Fire Alarm Systems.

COURSE NUMBER: ETP104

COURSE HOURS: 60 LECTURE/30 LAB

COURSE NAME: Transformers & Distribution

COURSE CREDITS: 5.0

PREREQUISITES: Completion of ATP114, ATP115, ATP116, ATP117, ATP118, ATP119

This course introduces the basic descriptions of various types of contactors and relays along with their practical applications, covers installation

consideration and NEC requirements, explains the function and operation of basic electronic devices, conductor selections and calculations and explains how to size/ select circuit breakers, fuses for various applications.

COURSE NUMBER: ETP105

COURSE HOURS: 60 LECTURE/30 LAB

COURSE NAME: Photovoltaics / Voice-Data-Video

COURSE CREDITS: 5.0

PREREQUISITES: Completion of ATP114, ATP115, ATP116, ATP117, ATP118, ATP119

This course discusses basic solar theory and applications, provides a basic overview of HVAC systems and their controls, teaches the basic leadership skills required to supervise personnel. The course explains the NEC requirements for electrical generators and covers various heat tracing systems along with their applications and installation requirements.

COURSE NUMBER: ETP106

COURSE HOURS: 60 LECTURE/30 LAB

COURSE NAME: Digital Logic / Motor Control

COURSE CREDITS: 5.0

PREREQUISITES: Completion of ATP114, ATP115, ATP116, ATP117, ATP118, ATP119

This course provides information on selecting, sizing, and installing motor controllers, also covers basic relay logic, covers motor calculation required to size conductor and over current protection. The course discusses application and operating principles of solid state controls used in advanced motor control and describes the various electronic circuits and gates used in digital control circuits. The course introduces the application of PLCs in industrial process control.

COURSE NUMBER: ETP107

COURSE HOURS: 60 LECTURE/30 LAB

COURSE NAME: Overview of the Electrical Trade

COURSE CREDITS: 5.0

PREREQUISITES: Completion of ATP114, ATP115, ATP116, ATP117, ATP118, ATP119

This course provides information the electrical trade skills needed for success including communication skills, customer service, and troubleshooting.

COURSE NUMBER: HOS212

COURSE HOURS: 15 LECTURE/30 LAB

COURSE NAME: Electronic Medical Billing

COURSE CREDITS: 2.0

PREREQUISITES: NONE

This course provides the student with training in the administrative medical software, Medisoft.

COURSE NUMBER: HOS213

COURSE HOURS: 15 LECTURE/30 LAB

COURSE NAME: Excel – Word – 10 Key

COURSE CREDITS: 2.0

PREREQUISITES: NONE

This course provides the student with training in Microsoft Excel and Word. The student will build skill in 10 Key data entry.

COURSE NUMBER: HOS215

COURSE HOURS: 45 LECTURE/0 LAB

COURSE NAME: Clinical and Human Resource Management

COURSE CREDITS: 3.0

PREREQUISITES: NONE

This course provides the student with training in the role of the human resources manager in the medical office or clinic. Students will learn to develop a policy manual, recruit, interview, hire, evaluate, and terminate employees.

COURSE NUMBER: HOS216

COURSE HOURS: 0 LECTURE/ 0 LAB / 180 Externship

COURSE NAME: Externship

COURSE CREDITS: 4.0

PREREQUISITES: Completion of all core Healthcare Office Specialist program courses

The externship opportunity provides real world vocational experience to participants.

COURSE NUMBER: HVAC101

COURSE HOURS: 60 LECTURE/30 LAB

COURSE NAME: Intro to HVAC and Refrigeration

COURSE CREDITS: 5.0

PREREQUISITES: Completion of ATP114, ATP115, ATP116, ATP117, ATP118, ATP119

This course covers the basic principles of heating, ventilating, and air conditioning, career opportunities in HVAC, and apprenticeship programs. This course will provide instruction on thermodynamics, heat transfer, pressure and temperature relationships, and the fundamentals of refrigeration. The student will learn the major components and accessories of the sealed system including metering devices, evaporators, compressors and condensers. In this course the student will also learn the core section of EPA regulatory under section 608 of the Clean Air Act, as they relate to refrigerants and refrigerant handling. Emphasis is placed on principles of safety practices handling refrigerant.

COURSE NUMBER: HVAC102

COURSE HOURS: 60 LECTURE/30 LAB

COURSE NAME: Piping Fundamentals and Installation

COURSE CREDITS: 5.0

PREREQUISITES: Completion of ATP114, ATP115, ATP116, ATP117, ATP118, ATP119

This course is designed to provide the students with the safety practices and the identification and purpose of the hand and power tools utilized in the field by HVAC technicians. The practices for oxy-acetylene torch safety are emphasized along with different techniques for connecting tubing such as brazing and soldering copper refrigerant lines and the proper procedures for cutting, bending, swaging and flaring in the air conditioning field during installation procedures.

COURSE NUMBER: HVAC103

COURSE HOURS: 60 LECTURE/30 LAB

COURSE NAME: Heating Systems

COURSE CREDITS: 5.0

PREREQUISITES: Completion of ATP114, ATP115, ATP116, ATP117, ATP118, ATP119

The purpose of this course is to provide students with the basics of gas fired heating. The topics covered in this course are geared toward the residential and commercial package unit forced air heating systems. The student will be exposed to the central heating system mechanical and electrical safety, types of gas and fuel used, function of controls, combustion efficiency tests, gas pressure adjustment and proper ventilation. The

class will familiarize the student with different boiler room design and hydronic heating systems, focusing on controls and the safe operation of support equipment. Extensive hands on troubleshooting and electrical wiring diagrams are used to prepare the student for field service.

COURSE NUMBER: HVAC104

COURSE HOURS: 60 LECTURE/30 LAB

COURSE NAME: Air Conditioning and Heat Pump Systems

COURSE CREDITS: 5.0

PREREQUISITES: Completion of ATP114, ATP115, ATP116, ATP117, ATP118, ATP119

This course covers Air Conditioning and Heat Pumps split systems and roof top package units. It will teach the students the normal refrigeration cycle for air conditioning units and the reverse cycle for heat pump units and their various components. C.O.P., E.E.R., S.E.E.R rating and design point psychometric chart plotting. Charging methods will be covered which include superheat, sub-cooling, weigh-in the charge. It will teach the students the various defrost methods including time, temperature & demand, air switch and other defrost integrated circuit board controls. This course will also include service and repair of air conditioning and heat pump systems using mechanical and electrical troubleshooting techniques and electrical wiring diagrams interpretation.

COURSE NUMBER: HVAC105

COURSE HOURS: 60 LECTURE/30 LAB

COURSE NAME: Installation & Air Distribution

COURSE CREDITS: 5.0

PREREQUISITES: Completion of ATP114, ATP115, ATP116, ATP117, ATP118, ATP119

This course provides information on Tubing and Piping, Comfort & Psychometrics, Air Distribution, and Installation.

COURSE NUMBER: MA100

COURSE HOURS: 90 LECTURE/ 0 LAB

COURSE NAME: Health Care Fundamentals

COURSE CREDITS: 6.0

PREREQUISITES: NONE

This course instructs the students in the core skills required of all health care workers. Students will learn Medical Terminology and cover the topics of communication, health care systems, legal and ethical responsibilities, and teamwork. Students will also participate in CPR and First Aid training and receive their CPR/First Aid certification.

COURSE NUMBER: MA115

COURSE HOURS: 30 LECTURE/60 LAB

COURSE NAME: Administrative Medical Assisting

COURSE CREDITS: 4

PREREQUISITES: NONE

This course instructs the student in the basic principles of medical insurance coverage and billing procedures, medical records management, which includes the use of medical records, accounts receivable, and collection procedures.

COURSE NUMBER: MA200

COURSE HOURS: 45 LECTURE/ 0 LAB

COURSE NAME: Medical Terminology / Law & Ethics

COURSE CREDITS: 3.0

PREREQUISITES: NONE

This course instructs the students in the core skills required of all health care workers. Students will learn Medical Terminology basic structure and cover the topics of health care systems, legal and ethical responsibilities, and teamwork.

COURSE NUMBER: MA201

COURSE HOURS: 45 LECTURE/ 0 LAB

COURSE NAME: Healthcare Communication

COURSE CREDITS: 3.0

PREREQUISITES: NONE

This course instructs the students in the core skills required of all health care workers. Students will learn effective communication, safety, phone, scheduling and appointment setting.

COURSE NUMBER: MA202

COURSE HOURS: 45 LECTURE/ 0 LAB

COURSE NAME: Anatomy & Physiology I

COURSE CREDITS: 3.0

PREREQUISITES: NONE

This course provides insight into basic human body structure and functions, including fundamentals needed to understand and evaluate health practices related to each system and the body as a whole. Students will study the Integumentary, Muscular, and Skeletal systems.

COURSE NUMBER: MA203

COURSE HOURS: 45 LECTURE/ 0 LAB

COURSE NAME: Anatomy & Physiology II

COURSE CREDITS: 3.0

PREREQUISITES: NONE

This course provides insight into basic human body structure and functions, including fundamentals needed to understand and evaluate health practices related to each system and the body as a whole. Students will study the Sensory, Cardiovascular, Immune, and Respiratory systems.

COURSE NUMBER: MA204

COURSE HOURS: 45 LECTURE/ 0 LAB

COURSE NAME: Anatomy & Physiology III

COURSE CREDITS: 3.0

PREREQUISITES: NONE

This course provides insight into basic human body structure and functions, including fundamentals needed to understand and evaluate health practices related to each system and the body as a whole. Students will study the Digestive, Urinary, Endocrine, and Reproductive systems.

COURSE NUMBER: MA205

COURSE HOURS: 15 LECTURE/30 LAB

COURSE NAME: Career Development in Healthcare

COURSE CREDITS: 2.0

PREREQUISITES: NONE

Students learn the essential work / life and career development skills needed for success as a medical assistant.

COURSE NUMBER: MA120
COURSE NAME: Pharmacology
PREREQUISITES: NONE

COURSE HOURS: 45 LECTURE/ 0 LAB
COURSE CREDITS: 3.0

This course instructs the students in the principles of pharmacology in the ambulatory setting, and common medications used in each body system. Students will study nutrition and learn guidelines for a healthy diet and diet modifications.

COURSE NUMBER: MA121
COURSE NAME: Administration of Medication
PREREQUISITES: NONE

COURSE HOURS: 15 LECTURE/ 30 LAB
COURSE CREDITS: 2.0

This course instructs the students in calculating dosages and administering medications for non-parenteral and parenteral medications, Students will learn to provide patient-centered education regarding health and wellness.

COURSE NUMBER: MA122
COURSE NAME: Phlebotomy
PREREQUISITES: NONE

COURSE HOURS: 15 LECTURE/30 LAB
COURSE CREDITS: 2.0

This course instructs the student in hematology and the procedures of venipuncture/skin puncture for the purpose of blood specimen collection.

COURSE NUMBER: MA123
COURSE NAME: Radiology, EKG & Pulmonary Testing
PREREQUISITES: NONE

COURSE HOURS: 15 LECTURE/30 LAB
COURSE CREDITS: 2.0

This course instructs the student in the purpose and technique for recording an electrocardiogram (EKG). Students learn the concepts of radiology and study pulmonary function tests.

COURSE NUMBER: MA124
COURSE NAME: Clinical Procedures
PREREQUISITES: NONE

COURSE HOURS: 15 LECTURE/30 LAB
COURSE CREDITS: 2.0

This module gives the student an introduction to practices, procedures and routines of the medical office, and the medical assistant's role in preparation for examination and treatment of the patient. This course prepares the student for basic clinical office practice including: taking vital signs; assisting with mobility; identification, asepsis and OSHA Standards; bandaging and wound care. The student will become certified in adult and child CPR and first aid.

COURSE NUMBER: MA125
COURSE NAME: Clinical Laboratory Skills
PREREQUISITES: NONE

COURSE HOURS: 15 LECTURE/30 LAB
COURSE CREDITS: 2.0

This course provides an introduction to basic clinical procedures used by Medical Assistants in the physician's office. Procedures and skills are taught for assisting with minor office surgeries, identifying and caring for surgical instruments, and maintaining the exam room. The course includes an introduction to basic medical laboratory techniques used by medical assistants and provides instruction in microbiology, standard precautions, specimen collection and processing, and diagnostic testing.

COURSE NUMBER: MA126
COURSE NAME: Administrative Medical Assisting
PREREQUISITES: NONE

COURSE HOURS: 15 LECTURE/30 LAB
COURSE CREDITS: 2.0

This course instructs the student in the basic principles of medical insurance coverage and billing procedures, medical records management, which includes the use of medical records, accounts receivable, and collection procedures.

COURSE NUMBER: MA127
COURSE NAME: Health Insurance
PREREQUISITES: NONE

COURSE HOURS: 45 LECTURE/0 LAB
COURSE CREDITS: 3.0

This course instructs the student in the basic principles of medical insurance coverage and billing procedures.

COURSE NUMBER: MA128
COURSE NAME: Managing Medical Records
PREREQUISITES: NONE

COURSE HOURS: 15 LECTURE/30 LAB
COURSE CREDITS: 2.0

This course instructs the student in medical records management, which includes the use of medical records, accounts receivable, and collection procedures.

COURSE NUMBER: MA129
COURSE NAME: Specialty Exams and Procedures
PREREQUISITES: NONE

COURSE HOURS: 15 LECTURE/30 LAB
COURSE CREDITS: 2.0

In this module, students will learn to assist with medical office procedures; eye and ear assessment and procedures, pediatric patients, geriatric patients, male and female physical exams, and obtaining patient information and documentation.

COURSE NUMBER: MA117
COURSE NAME: Medical Assistant Externship
PREREQUISITES: Completion of all core medical assisting program courses

COURSE HOURS: 0 LECTURE/ 0 LAB / 180 Externship
COURSE CREDITS: 4.0

The externship opportunity provides real world vocational experience to participants.

COURSE NUMBER: MHR101
COURSE NAME: Community Mental Health
PREREQUISITES: NONE

COURSE HOURS: 45 LECTURE/ 0 LAB
COURSE CREDITS: 3

Upon completion of this course the student will be able to identify basic helping theories and techniques including empathic understanding, reflection, clarification of ideas, joining, use of natural supports, and basic interviewing techniques. The student will also be trained to recognize the stigma experienced by consumers of mental health services and its impact on recovery; and demonstrate the ability to challenge this stigma, define policies including laws concerning Rights of Recipients of Mental Health Services and Americans with Disabilities Act (ADA) requirements. Students will summarize the medical aspects of mental illness, including its etiology, psychotropic medications, negative and positive symptoms of Schizophrenia, Interaction of co-occurring medical issues, and the Five Axes descriptions in the Diagnostic and Statistical Manual of Mental Disorders, Fourth Edition (DSM-IV). Students will describe in general terms trauma and its relationship to major mental illness and demonstrate a commitment to professional competence including ethical practices, confidentiality, interdisciplinary teamwork, and burnout prevention.

COURSE NUMBER: MHR102
COURSE NAME: Sexual Abuse, Trauma & Recovery / Crisis Identification & Resolution
PREREQUISITES: NONE

COURSE HOURS: 45 LECTURE/ 0 LAB
COURSE CREDITS: 3

This course is designed to study the principles of crisis intervention and resolution. The course will cover theories and techniques of intervention and resolution. Students will learn to assess and react to various crises involving suicide, homicide, intimate partner violence, sexual assault/abuse, bereavement/grief, substance abuse, natural disasters, war, and terrorism. Participants will become aware of resources available to assist individuals with psychiatric disabilities in crisis. Medical aspects of crisis intervention will be taught as well as the effective use of clinical supervision. Consumer empowerment strategies will also be covered.

COURSE NUMBER: MHR105
COURSE NAME: Psychosocial Rehabilitation Principles & Methodology
PREREQUISITES: NONE

COURSE HOURS: 45 LECTURE/ 0 LAB
COURSE CREDITS: 3.0

This course is designed to provide a theoretical and practical knowledge base for the entry-level skills required to deliver psychosocial rehabilitation (PSR) services to adults experiencing mental illness.

COURSE NUMBER: MHR106
COURSE NAME: Applications of Psychosocial Rehabilitation
PREREQUISITES: NONE

COURSE HOURS: 45 LECTURE/ 0 LAB
COURSE CREDITS: 3.0

This course is designed introduce discussion topics and/or activities that bring the concepts of recovery into focus and give each student the opportunity to rehearse and experience the application of these skills. In addition to working with service recipients, students will also learn basic skills to support family members. Throughout the course, skills for greater self-awareness and cultural competence will be identified and developed.

COURSE NUMBER: PD100A
COURSE NAME: Professional Development
PREREQUISITES: NONE

COURSE HOURS: 15 LECTURE/30 LAB
COURSE CREDITS: 1.5

This course is designed to introduce valuable life skills needed for success in college. Topics such as goal setting, interpersonal communication, time management, stress management, dealing with change, fiscal responsibility, memory development, listening skills, note-taking skills, study and test-taking skills, basic writing skills, learning styles, and critical thinking are covered. Microsoft Office Word, PowerPoint and Excel are also included.

COURSE NUMBER: PD100B
COURSE NAME: Career Development
PREREQUISITES: NONE

COURSE HOURS: 15 LECTURE/30 LAB
COURSE CREDITS: 1.5

This course is designed to introduce valuable life skills needed for career development.

COURSE NUMBER: PT200
COURSE NAME: Medical Terminology
PREREQUISITES: NONE

COURSE HOURS: 45 LECTURE/ 0 LAB
COURSE CREDITS: 3

In this course, students will learn Medical Terminology, define and spell terms and word parts, analyze, build and pronounce medical words.

COURSE NUMBER: PT201
COURSE NAME: Healthcare Law & Ethics
PREREQUISITES: NONE

COURSE HOURS: 45 LECTURE/ 0 LAB
COURSE CREDITS: 3

This course instructs the students in the core skills required of all health care workers. Students will cover the topics of communication, health care systems, legal and ethical responsibilities, and teamwork.

COURSE NUMBER: PT202
COURSE NAME: Anatomy & Physiology I
PREREQUISITES: NONE

COURSE HOURS: 45 LECTURE/ 0 LAB
COURSE CREDITS: 3

This course provides insight into basic human body structure and functions, including fundamentals needed to understand and evaluate health practices related to select body system and the body as a whole.

COURSE NUMBER: PT203
COURSE NAME: Anatomy & Physiology II
PREREQUISITES: NONE

COURSE HOURS: 45 LECTURE/ 0 LAB
COURSE CREDITS: 3

This course provides insight into basic human body structure and functions, including fundamentals needed to understand and evaluate health practices related to select body system and the body as a whole.

COURSE NUMBER: PT204
COURSE NAME: Career Development
PREREQUISITES: NONE

COURSE HOURS: 15 LECTURE/30 LAB
COURSE CREDITS: 2

This course is designed to introduce valuable life skills needed for career development.

COURSE NUMBER: PT205
COURSE NAME: Professional Development
PREREQUISITES: NONE

COURSE HOURS: 15 LECTURE/30 LAB
COURSE CREDITS: 2

This course will instruct the student in topics such as goal setting, interpersonal communication, time management, stress management, dealing with change, fiscal responsibility, memory development, listening skills needed for success in pharmacy settings.

COURSE NUMBER: PT231
COURSE NAME: Pharmacology I
PREREQUISITES: NONE

COURSE HOURS: 45 LECTURE/ 0 LAB
COURSE CREDITS: 3

This course instructs the students in the principles of pharmacology in the ambulatory setting, calculating dosages for non-parenteral and parenteral medications, and common medications used in select body system.

COURSE NUMBER: PT232
COURSE NAME: Pharmacology II
PREREQUISITES: NONE

COURSE HOURS: 45 LECTURE/ 0 LAB
COURSE CREDITS: 3

This course instructs the students in the principles of pharmacology in the ambulatory setting, calculating dosages for non-parenteral and parenteral medications, and common medications used in select body system.

COURSE NUMBER: PT233
COURSE NAME: Pharmacy Compounding I
PREREQUISITES: NONE

COURSE HOURS: 15 LECTURE/30 LAB
COURSE CREDITS: 2.0

This course will introduce the student to the compounding of medications using pills, capsules, and other methods of preparation. This course strives to adjust the student's mindset from traditional pharmacy practice, where patients are assigned a pre-made medication, to a setting in which each patient, whether human or animal, is diagnosed and treated individually.

COURSE NUMBER: PT234
COURSE NAME: Pharmacy Compounding II
PREREQUISITES: NONE

COURSE HOURS: 15 LECTURE/30 LAB
COURSE CREDITS: 2.0

This course will introduce the student to the extemporaneous compounding of medications using flavoring, reconstituting solutions, and preparing suppositories.

COURSE NUMBER: PT235
COURSE NAME: Pharmacy Calculations I
PREREQUISITES: NONE

COURSE HOURS: 15 LECTURE/30 LAB
COURSE CREDITS: 2.0

This course will enable the student to gain knowledge of basic arithmetic that is essential for today's pharmacy technician; basic skills in mathematics are required for understanding and performing drug preparations. Nearly every aspect of drug dispensing requires a consideration of numbers. All advanced pharmacy calculations, which are explained throughout the course, rely on a solid understanding of basic math principles.

COURSE NUMBER: PT236
COURSE NAME: Pharmacy Calculations II
PREREQUISITES: NONE

COURSE HOURS: 15 LECTURE/30 LAB
COURSE CREDITS: 2.0

This course will enable the student to gain knowledge of basic arithmetic that is essential for today's pharmacy technician; basic skills in mathematics are required for understanding and performing drug preparations. Nearly every aspect of drug dispensing requires a consideration of numbers. All advanced pharmacy calculations, which are explained throughout the course, rely on a solid understanding of basic math principles.

COURSE NUMBER: PT237
COURSE NAME: Sterile Product Preparation
PREREQUISITES: NONE

COURSE HOURS: 15 LECTURE/30 LAB
COURSE CREDITS: 2.0

This course will introduce the student to sterile products and the manner in which they can be administered. The student will understand both the properties of sterile products and how to prepare them using proper aseptic technique.

COURSE NUMBER: PT238
COURSE NAME: Chemotherapy/Hazardous Products
PREREQUISITES: NONE

COURSE HOURS: 15 LECTURE/30 LAB
COURSE CREDITS: 2.0

This course will introduce the student how to prepare large volume solutions, intravenous piggybacks, chemotherapy and total parenteral nutrition.

COURSE NUMBER: PT239
COURSE NAME: Procurement and Inventory Control
PREREQUISITES: NONE

COURSE HOURS: 15 LECTURE/30 LAB
COURSE CREDITS: 2.0

In this course students will learn to explain cost analysis and cost control, define cost finding and cost factors, discuss the differences between independent and group purchasing, define a "prime supplier.", explain why inventory control is essential in the pharmacy practice, explain inventory errors, and describe the effect of inventory errors on financial statements.

COURSE NUMBER: PT240
COURSE NAME: Insurance Billing
PREREQUISITES: NONE

COURSE HOURS: 15 LECTURE/30 LAB
COURSE CREDITS: 2.0

In this course, students will learn to explain the terms *deductible* and *premium*, describe medical insurance coverage, define group plans and prepaid health plans, explain various types of private health insurance, discuss managed care programs, government plans, and eligibility criteria for Medicare.

COURSE NUMBER: PT226
COURSE NAME: Pharmacy Technician Externship I
PREREQUISITES: Completion of all core courses

COURSE HOURS: 0 LECTURE / 0 LAB / 90 EXTERNSHIP
COURSE CREDITS: 2.0

The externship opportunity provides real world vocational experience to participants.

COURSE NUMBER: PT227
COURSE NAME: Pharmacy Technician Externship II
PREREQUISITES: Completion of all core courses

COURSE HOURS: 0 LECTURE / 0 LAB / 90 EXTERNSHIP
COURSE CREDITS: 2.0

The externship opportunity provides real world vocational experience to participants.

GENERAL EDUCATION COURSES

NATURAL AND PHYSICAL SCIENCES

COURSE NUMBER: BIO101
COURSE NAME: Human Biology
PREREQUISITES: NONE

COURSE HOURS: 45 LECTURE/0 LAB
COURSE CREDITS: 3.0

This course is designed to introduce the principles and theories of Human Biology. Topics such as Characteristics of Living, Cell structure, Chemistry as it relates to human life, Body Organization, Homeostasis, Skeletal system, Muscular System, Nervous System, Endocrine System, Digestive System and Reproductive System will be covered.

COURSE NUMBER: MAT101
COURSE NAME: College Mathematics
PREREQUISITES: NONE

COURSE HOURS: 45 LECTURE/60 LAB
COURSE CREDITS: 3.0

This course is designed to introduce the fundamental concepts of a pre-algebra course. Topics such as whole numbers, fractions, decimals and integers, order of operations, percents, measurements and probability are covered.

COURSE NUMBER: SCI101
COURSE NAME: Biological Psychology
PREREQUISITES: NONE

COURSE HOURS: 45 LECTURE/0 LAB
COURSE CREDITS: 3.0

This course is designed to examine the development and function of the brain. It will assess various sensory systems, and how neural processes inform the human experience through sleep, sex, emotion, hunger, and other aspects of consciousness.

COURSE NUMBER: SCI102
COURSE NAME: Anthropology
PREREQUISITES: NONE

COURSE HOURS: 45 LECTURE/0 LAB
COURSE CREDITS: 3.0

This course is designed to provide a basic understanding of the principles of biological anthropology. Special emphasis is placed on evolutionary theory as it applies to humans and on the place of humans in the natural world.

HUMANITIES AND FINE ARTS

COURSE NUMBER: ENG101
COURSE NAME: Introduction to English Composition
PREREQUISITES: NONE

COURSE HOURS: 45 LECTURE/0 LAB
COURSE CREDITS: 3.0

This course is designed to develop written communication skills. Topics covered include understanding the writing process, analyzing readings, and practicing writing for personal and professional applications.

COURSE NUMBER: ENG102
COURSE NAME: Introduction to Oral Communication
PREREQUISITES: NONE

COURSE HOURS: 45 LECTURE/0 LAB
COURSE CREDITS: 3.0

This course is designed to teach students to demonstrate an understanding and application of human communication concepts in the areas of communication process, public communication, listening, group communication, nonverbal communication, persuasion, language and culture.

COURSE NUMBER: ENG103

COURSE HOURS: 45 LECTURE/0 LAB

COURSE NAME: Conflict Resolution in Interpersonal Communication

COURSE CREDITS: 3.0

PREREQUISITES: NONE

This course is designed to examine the nature and dynamics of conflict, behavioral and cultural issues underlying interpersonal, group, and intergroup conflict, and strategies to resolve and reduce the negative impact of conflict.

COURSE NUMBER: ENG104

COURSE HOURS: 45 LECTURE/0 LAB

COURSE NAME: Critical Thinking

COURSE CREDITS: 3.0

PREREQUISITES: NONE

This course is designed to introduce the student to the process by which individuals develop and support their beliefs, and evaluate the strength of arguments made by others in real-life situations. Students will practice skills of critical thinking, and focus on applying those strategies to understanding current issues, belief systems, and ethical positions. Students will learn to review information and influences, discuss controversial topics intelligently, and construct well-reasoned arguments on a variety of topics. The course will focus on written analysis.

SOCIAL AND BEHAVIORAL SCIENCES

COURSE NUMBER: HIS101

COURSE HOURS: 45 LECTURE/0 LAB

COURSE NAME: World History

COURSE CREDITS: 3.0

PREREQUISITES: NONE

This course is designed to trace the developments of human civilizations and cultures; examine the ideas and institutions that form the foundation of today's globally interdependent world.

COURSE NUMBER: HIS102

COURSE HOURS: 45 LECTURE/0 LAB

COURSE NAME: US History

COURSE CREDITS: 3.0

PREREQUISITES: NONE

This course is designed to focus on the history of 1900 America to the present. Students will participate in the examination of the Progressive Era, The Jazz Age, world wars and cold wars, depression, civil rights, Watergate, and America today.

COURSE NUMBER: HIS103

COURSE HOURS: 45 LECTURE/0 LAB

COURSE NAME: Introduction to Selected Cultures

COURSE CREDITS: 3.0

PREREQUISITES: NONE

This course is designed to introduce students to the demands of living in a pluralistic society, as well as to the communication skills needed to develop cross-ethnic and cross-cultural perspectives.

COURSE NUMBER: HIS104

COURSE HOURS: 45 LECTURE/0 LAB

COURSE NAME: Ethics

COURSE CREDITS: 3.0

PREREQUISITES: NONE

This course is designed to introduce students to the principles of Ethics through a critical examination of various ethical/moral theories and their application to contemporary moral problems.

COURSE NUMBER: PSY101

COURSE HOURS: 45 LECTURE / 0 LAB

COURSE NAME: Introduction to Psychology

COURSE CREDITS: 3.0

PREREQUISITES: NONE

This course is designed to introduce human behavior. Topics such as the Field of psychology, biological foundation of the brain, sensation, cognition and intelligence, human development, perception, motivation, personality, learning/memory, and stress are covered.

COURSE NUMBER: PSY102

COURSE HOURS: 45 LECTURE/0 LAB

COURSE NAME: Developmental Psychology

COURSE CREDITS: 3.0

PREREQUISITES: NONE

This course is an introduction to the study of the behavioral, cognitive and psychosocial aspects of growth through the human lifespan; with emphasis on childhood, adolescence and late adulthood, includes topics on death and dying.

COURSE NUMBER: PSY103

COURSE HOURS: 45 LECTURE/0 LAB

COURSE NAME: Marriage and Family Life

COURSE CREDITS: 3.0

PREREQUISITES: NONE

This course is designed to apply concepts, theories, research and cross-cultural perspectives toward understanding the American courtship, marriage and family institutions. Topics examines include love, sex, marital adjustment, parenting, family disorganization, changing gender roles, alternate lifestyles, and family variations by social class, ethnic group and race.

COURSE NUMBER: PSY104

COURSE HOURS: 45 LECTURE/0 LAB

COURSE NAME: Child Growth and Development

COURSE CREDITS: 3.0

PREREQUISITES: NONE

This course is designed to introduce the student to the physical, social, emotional, and cognitive development of the young child (prenatal through 12 years of age).

COURSE NUMBER: SOC101
COURSE NAME: Introduction to Sociology
PREREQUISITES: NONE

COURSE HOURS: 45 LECTURE/0 LAB
COURSE CREDITS: 3.0

This course explores sociological processes that underlie everyday life. The course focuses on globalization, cultural diversity, critical thinking, new technology and the growing influence of mass media.

COURSE NUMBER: SOC102
COURSE NAME: Introduction to Diversity
PREREQUISITES: NONE

COURSE HOURS: 45 LECTURE/0 LAB
COURSE CREDITS: 3.0

This course is designed to expose students to knowledge of racial/ethnic diversity. Students are guided in understanding their own cultural and ethnic heritage, increasing their sensitivity to the ethnic reality of culturally diverse groups in this country, as they prepare to work with diverse populations. The concepts of race, culture, ethnicity, prejudice, discrimination, institutional racism, institutional discrimination; and oppression will be examined.

COURSE NUMBER: SOC103
COURSE NAME: Civic Engagement
PREREQUISITES: NONE

COURSE HOURS: 45 LECTURE/0 LAB
COURSE CREDITS: 3.0

This course is designed to give the student the opportunity to learn about theories and applied actions for public engagement and civic leadership.

COURSE NUMBER: SOC104
COURSE NAME: Introduction to Social Services
PREREQUISITES: NONE

COURSE HOURS: 45 LECTURE/0 LAB
COURSE CREDITS: 3.0

This course examines the basic principles, scope, and function of social services. The student will examine the history, philosophy, professional mission, career patterns, practice, methods and organization structure of the social services profession.

COURSE NUMBER: PRO100
COURSE NAME: Professional and Career Development
PREREQUISITES: NONE

COURSE HOURS: 60 LECTURE/30 LAB
COURSE CREDITS: 5.0

This course is designed to introduce valuable life skills needed for success in college. Topics such as goal setting, interpersonal communication, time management, stress management, dealing with change, fiscal responsibility, memory development, listening skills, note-taking skills, study and test-taking skills, basic writing skills, learning styles, and critical thinking are covered. Microsoft Office Word, PowerPoint and Excel are also included. This course is designed to introduce valuable life skills needed for career development.

COURSE NUMBER: BTA111
COURSE NAME: Administrative Office Procedures
PREREQUISITES: NONE

COURSE HOURS: 60 LECTURE/30 LAB
COURSE CREDITS: 5.0

This course will introduce the student to the topics and issues in today's workplace. Students will learn to effectively lead teams and communicate with coworkers. Basic office skills such as filing, records management, arranging meetings, and making travel arrangements will be taught. They will learn to manage the work environment and technology.

COURSE NUMBER: BTA112
COURSE NAME: Business Technology in the Workplace
PREREQUISITES: NONE

COURSE HOURS: 60 LECTURE/30 LAB
COURSE CREDITS: 5.0

This course will introduce the student to the topics and issues in today's workplace. Students will learn to effectively lead teams and communicate with coworkers. Basic office skills such as filing, records management, arranging meetings, and making travel arrangements will be taught. They will learn to manage the work environment and technology.

COURSE NUMBER: BTA115
COURSE NAME: Introduction to Information Technology
PREREQUISITES: NONE

COURSE HOURS: 45 LECTURE/0 LAB
COURSE CREDITS: 3.0

Introduces students to the fundamental concepts in information technology (IT) that provide the technical underpinning for today's computer applications. A perspective on the range of information technology is presented giving the student an understanding of the principles underlying digital devices, computer hardware, software, telecommunications, networking and multimedia

COURSE NUMBER: CA114
COURSE NAME: Tax Preparation
PREREQUISITES: NONE

COURSE HOURS: 15 LECTURE/75 LAB
COURSE CREDITS: 3.0

In recent years, the role of the third party assistance in tax return preparation within the United States has become more significant. To acknowledge this trend, the IRS is strengthening partnerships with tax practitioners, tax return preparers, and other third parties in order to ensure effective tax administration that adheres to professional standards and follows the law.

COURSE NUMBER: BUS106
COURSE NAME: Accounting II
PREREQUISITES: Completion of CA112 or equivalent

COURSE HOURS: 45 LECTURE/0 LAB
COURSE CREDITS: 3.0

This course focuses on the study of accounting principles as they apply to partnerships and corporations. Major topics include stocks and bonds, investments, cash flow statements, financial analysis, budgeting, and cost and managerial accounting.

COURSE NUMBER: BA107

COURSE HOURS: 45 LECTURE/0 LAB

COURSE NAME: Microeconomics

COURSE CREDITS: 3.0

WEST COVINA CAMPUS

PROGRAMS OFFERED

Alcohol and Drug Counseling Studies	Electrical Training Program
AAS Degree Substance Use Disorder Counseling	HVAC Technician

The West Covina campus is approximately 15,125 square feet and located with access to restaurants, major freeways, and bus stops. The campus has various lab and lecture rooms, administrative offices, computer lab, student break area, and staff lounge. The school is housed in modern, centrally air-conditioned facility that is wheel chair accessible. A fully equipped computer provides students hands-on training and include computers and printers. The student-to-computer ratio is one-to-one for each program. The Electrical and HVAC labs are equipped for demonstration and safe hands on practice of skills taught in the curriculum.

NOTICE OF NON-DISCRIMINATION

It is the policy of InterCoast Colleges (the “College”) to maintain an environment for students, faculty, administrators, staff, and visitors that is free of all forms of discrimination and harassment, including sexual misconduct. The College has enacted the Campus Sexual Misconduct Policies & Procedures (the “Policy”) to reflect and maintain its institutional values, to provide for fair and equitable procedures for determining when this Policy has been violated, and to provide recourse for individuals and the community in response to violations of this Policy. The Policy can be found at the College’s website at www.intercoast.edu or obtained in person from the Title IX Coordinator (see below).

This Policy prohibits all forms of sex discrimination, harassment, and misconduct, including sexual assault, sex offenses, domestic violence, dating violence, sexual exploitation, and stalking. This Policy also prohibits retaliation against a person who reports, complains about, or who otherwise participates in any matter related to this Policy.

The College does not discriminate on the basis of sex in its educational, extracurricular, athletic, or other programs or in the context of employment. Sex discrimination is prohibited by Title IX of the Education Amendments of 1972, a federal law that provides:

No person in the United States shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving Federal financial assistance.

The College also prohibits other forms of discrimination and harassment, including discrimination and harassment on the basis of race, color, national origin, disability, or age in its programs and activities. The following person has been designated to handle inquiries regarding the non-discrimination policies, including Title IX:

Justin Preston, Title IX Coordinator/504 Coordinator
2480 Hilborn Road Suite 100
Fairfield, CA 94533-6085
Phone: (707) 421-9700
Email: justin.preston@intercoast.edu

Inquiries or complaints concerning the College’s compliance with Title IX or other federal civil rights laws may be referred to the U.S. Department of Education’s Office for Civil Rights.

Office for Civil Rights, San Francisco Office
50 United Nations Plaza
Mail Box 1200; Room 1545
San Francisco, CA 94102

CAMPUS SEXUAL MISCONDUCT POLICIES & PROCEDURES

1. Introduction

InterCoast Colleges (the “College”) is committed to providing a working and educational environment for all students, faculty and staff that is free from sex discrimination, including sexual misconduct. Every member of the College community should be aware that the College is strongly opposed to sexual misconduct, and that such behavior is prohibited by state and federal laws.

As part of the College’s commitment to providing a working and learning environment free from sexual misconduct, the Campus Sexual Misconduct Policies & Procedures (the “Policy”) shall be disseminated widely to the College community through publications, the College website, new employee orientations, student orientations, and other appropriate channels of communication. The College provides training to key staff members to enable the College to handle any allegations of sexual misconduct promptly and effectively. The College will respond promptly and equitably to all reports of sexual harassment, and will take appropriate action to prevent, to correct, and if necessary, to discipline behavior that violates this Policy.

2. Scope of the Policy

This Policy governs sexual misconduct involving students that occurs on any College property or in connection with any College-sponsored program or event. Under this Policy, the College will assess the effects of off-campus misconduct to evaluate whether there is a hostile environment on campus. This includes a review of misconduct that did not occur in the context of an education program or activity but may have had such an impact. This Policy applies to alleged sex discrimination and harassment carried out by students, employees, and third parties conducting business with the College, regardless of the person's gender, gender identity, sexual orientation, age, race, nationality, class status, ability, religion or other protected status. The College encourages victims of sexual violence to talk to somebody about what happened – so victims can get the support they need, and so the College can respond appropriately. As further described in this Policy, the College will seek to respect a victim's request for confidentiality to the extent possible, while remaining ever mindful of the victim's well-being.

3. Prohibited Conduct

Sexual misconduct comprises a broad range of behaviors focused on sex that may or may not be sexual in nature. Any intercourse or other intentional sexual touching or activity without the other person's consent is sexual assault, which is a form of sexual misconduct under this Policy. Sexual harassment and sexual exploitation, stalking, domestic violence, and dating violence are also forms of sexual misconduct. Intimidation for one of these purposes is sexual misconduct, as is retaliation following an incident of alleged sexual misconduct or attempted sexual misconduct. The definitions for specific acts of sexual misconduct can be found in the Definitions of Key Terms in Section 4 of the Policy.

Misconduct can occur between strangers or acquaintances, or people who know each other well, including between people involved in an intimate or sexual relationship, can be committed by anyone regardless of gender identity, and can occur between people of the same or different sex or gender. This Policy prohibits all forms of sexual misconduct.

4. Definitions of Key Terms

Sexual Harassment - Unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature constitute sexual harassment when (i) submission to such conduct is made either explicitly or implicitly a term or condition of an individual's education or employment, (ii) submission to or rejection of such conduct by an individual is used as the basis for education or employment decisions affecting such individuals, or (iii) such conduct has the purpose or effect of unreasonably interfering with an individual's school or work performance or creating an intimidating, hostile, or offensive educational or working environment.

Hostile Environment Caused By Sexual Harassment - refers to a situation where students and/or employees are subject to unwanted sexual behavior that is so severe, persistent, or pervasive that it alters the conditions of education, employment, or participation in a school program or activity, thereby creating an environment that a reasonable person in similar circumstances and with similar identities would find hostile, intimidating, or abusive. An isolated incident, unless sufficiently severe, does not amount to a hostile environment caused by sexual harassment.

Quid Pro Quo Harassment – refers to a situation where students and/or employees are subject to unwanted sexual behavior where submission or rejection of such conduct is used, explicitly or implicitly, as the basis for decisions affecting an individual's education, employment, or participation in a school program or activity.

Sexual Assault - is any unwanted physical contact of a sexual nature that occurs either without the consent of each participant or when a participant is unable to give consent freely. Sexual assault includes Rape and Sex Offenses as defined below. Sexual assault can occur either forcibly and/or against a person's will, or when a person is unable to give consent freely.

Rape - The penetration, no matter how slight, of the vagina or anus with any body part or object, or oral penetration by a sex organ of another person, without the consent of the victim.

Sex Offenses - Any sexual act directed against another person, without the consent of the victim, including instances where the victim is incapable of giving consent.

Fondling - The touching of the private body parts of another person for the purpose of sexual gratification, without the consent of the victim, including instances where the victim is incapable of giving consent because of his/her age or because of his/her temporary or permanent mental incapacity.

Incest - Sexual intercourse between persons who are related to each other within the degrees wherein marriage is prohibited by law.

Statutory Rape - Sexual intercourse with a person who is under the statutory age of consent.

Domestic Violence - Violence committed (i) by a current or former spouse or intimate partner of the victim; (ii) by a person with whom the victim shares a child in common; (iii) by a person who is cohabitating with, or has cohabitated with, the victim as a spouse or intimate partner; (iv) by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction in which

the crime of violence occurred, or (v) by any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction in which the crime of violence occurred.

Dating Violence - Violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim. The existence of such a relationship shall be determined based on the reporting party's statement and with consideration of the length of the relationship, the type of relationship, and the frequency of interaction between the persons involved in the relationship. For the purpose of this definition dating violence includes, but is not limited to, sexual or physical abuse or the threat of such abuse. Dating violence does not include acts covered under the definition of domestic violence.

Sexual Exploitation - sexual misconduct that occurs when a person takes unjust or abusive sexual advantage of another for his or her own advantage or benefit or for the benefit or advantage of anyone other than the exploited party; and that behavior does not otherwise constitute sexual assault. Examples of sexual exploitation include, but are not limited to, videotaping or photographing of any type (webcam, camera, Internet exposure, etc.) without knowledge and consent of all persons; prostituting another person; knowingly transmitting HIV or a sexually transmitted disease to an unknowing person or to a person who has not consented to the risk; or inducing incapacitation with the intent to commit sexual assault, without regard to whether sexual activity actually takes place.

Stalking - Engaging in a course of conduct directed at a specific person that would cause a reasonable person to fear for the person's safety or the safety of others, or suffer substantial emotional distress. Course of conduct means two or more acts, including, but not limited to, acts in which the stalker directly, indirectly, or through third parties, by any action, method, device, or means, follows, monitors, observes, surveils, threatens, or communicates to or about a person, or interferes with a person's property. Substantial emotional distress means significant mental suffering or anguish that may, but does not necessarily, require medical or other professional treatment or counseling. Reasonable person means a reasonable person under similar circumstances and with similar identities to the victim.

Retaliation - means any adverse action, or attempted adverse action, against an individual or group of individuals because of their participation in any manner in an investigation, proceeding, or hearing under this Policy.

Intimidation - To unlawfully place another person in reasonable fear of bodily harm through the use of threatening words and/or other conduct, but without displaying a weapon or subjecting the victim to actual physical attack.

Consent – InterCoast Colleges uses an affirmative consent standard to determine whether a sexual assault complainant consented to the alleged conduct. “Affirmative consent” is defined as an affirmative, conscious, and voluntary agreement to engage in sexual activity. Neither the lack of protest or resistance nor silence constitutes consent, and consent may be withdrawn at any time. Affirmative consent must be given by all parties to sexual activity. For the purpose of evaluating complaints during the disciplinary process described under this Policy, it is not a valid excuse that the respondent believed the complainant consented if: (A) the respondent’s belief arose from his or her own intoxication or recklessness, or (B) the respondent did not take reasonable steps to ascertain whether the complainant affirmatively consented. Similarly, it will not be a valid excuse that the respondent believed the complainant affirmatively consented where the respondent knew or reasonably should have known that the complainant was unable to consent because he or she was: (A) asleep or unconscious, (B) incapacitated due to drugs/alcohol/ medication, or (C) unable to communicate due to a mental or physical condition.

Complainant – means the person making the allegation(s) of sexual misconduct.

Respondent – means the person alleged to have committed sexual misconduct.

5. Options for Assistance Following an Incident of Sexual Misconduct

The College strongly encourages any victim of sexual misconduct to seek immediate assistance. Seeking prompt assistance may be important to ensure a victim’s physical safety or to obtain medical care. The College strongly advocates that a victim of sexual misconduct report the incident in a timely manner. Time is a critical factor for evidence collection and preservation.

Reporting Incidents of Sexual Misconduct.

Victims of sexual misconduct may file a report with the local Police Department. Victims may also file a report with the College’s Title IX Coordinator. More information about reporting an incident of sexual misconduct can be found in Section 7 of this Policy, below.

When a student or employee reports to the College that the student or employee has been a victim of dating violence, domestic violence, sexual assault, or stalking, whether the offense occurred on or off campus, the College will provide the student or employee a written explanation of the student's or employee's rights and options. The College will also provide the student or employee with written notification about assistance available both within the College and without, as well as information about options for academic or protective measures.

The victim of the sexual misconduct may choose for the investigation to be pursued simultaneously through the criminal justice system and the College’s disciplinary procedures. The College and the criminal justice system work independently from each other. Law enforcement officers do not determine whether a violation of this Policy has occurred. The Title IX Coordinator will guide the victim through the available options and support the victim in his or her decision.

Support Services Available.

Counseling, advocacy and support services are available for victims of sexual misconduct, whether or not a victim chooses to make an official report or participate in the College's disciplinary or criminal process. InterCoast Colleges does not provide counseling or health care services. Personal counseling offered by the College will be limited to initial crisis assessment and referral.

Counseling and support services outside the College system can be obtained through RAINN at 1-800-656-HOPE or through the California Coalition on Domestic Violence at toll free 1-800-524-4765. Additional sexual misconduct crisis and counseling options are available locally and nationally through a number of agencies, including:

The College's Title IX Coordinator will work with all students affected by sexual misconduct to ensure their safety and support their well-being. This assistance may include providing accommodations to support or protect a student after an incident of sexual misconduct and while an investigation or disciplinary proceeding is pending. Such accommodations may include the ability to alter class schedules, withdraw from/retake a class without penalty, and access academic support (e.g., tutoring). The College may be able to provide additional interim measures to victims while an investigation is pending, such as no contact orders. Interim measures will be individualized and appropriate based on the information gathered by the Title IX Coordinator, making every effort to avoid depriving any student of his or her education. The measures needed by each student may change over time, and the Title IX Coordinator will communicate with each student throughout the investigation to ensure that any interim measures are necessary and effective based on the students' evolving needs. Students who report an incident of sexual misconduct may also be able to obtain a formal protection order from a civil or criminal court. The College will work with the student and the applicable court to assist in the enforcement of any such protective orders.

Evidence Preservation

Victims of sexual assault, domestic violence or dating violence should consider seeking medical attention as soon as possible. It is important that a victim of sexual assault not bathe, douche, smoke, change clothing or clean the bed/linen where they were assaulted so that evidence necessary to prove criminal activity may be preserved. In circumstances where the victims do not opt for forensic evidence collection, health care providers can still treat injuries and take steps to address health concerns. Victims of sexual misconduct are encouraged to also preserve evidence by saving text messages, instant messages, social networking pages, other communications, and keeping pictures, logs or other copies of documents, if they have any, that would be useful in connection with a College or police investigation.

6. Title IX Coordinator

The College's Title IX Coordinator is responsible for monitoring and overseeing the College's compliance with Title IX and the prevention of sex harassment, sexual misconduct and discrimination. The Title IX Coordinator is:

Knowledgeable and trained in College policies and procedures and relevant state and federal laws;

Available to advise any individual, including a complainant, respondent, or a third party, about College and community resources and reporting options;

Available to provide assistance to any College employee regarding how to respond promptly and equitably to a report of Title IX-related prohibited conduct and related retaliation;

Participates in ensuring the effective implementation of this Policy, including monitoring compliance with all procedural requirements, record keeping, and timeframes; and

Responsible for overseeing training, prevention, and education efforts and annual reviews of climate and culture.

Inquiries or concerns about Title IX may be referred to the Campus President:

7. Reporting Policies and Protocols

InterCoast Colleges strongly encourages all members of the College community to report information about any incident of sexual misconduct as soon as possible, whether the incident occurred on or off campus. Reports can be made either to the College and/or to law enforcement.

Reporting to the College

An incident of sexual misconduct may be reported directly to the College's Title IX Coordinator. If the College's Title IX Coordinator is the alleged perpetrator of the sexual misconduct, the report should be submitted to the College's Director of Student Affairs. Filing a report with a College official will not obligate the victim to prosecute, nor will it subject the victim to scrutiny or judgmental opinions from police officers.

While there is no time limit for reporting, reports of sex discrimination or harassment should be brought forward as soon as possible. All incidents should be reported even if significant time has elapsed, but prompt reporting will better enable the College to respond, investigate, provide an appropriate remedy, and impose discipline if appropriate. The College is committed to supporting the rights of a person reporting an incident of sexual misconduct to make an informed choice among options and services available.

The College will respond to all reports in a manner that treats each individual with dignity and respect and will take prompt steps to prevent recurrence of any sex discrimination or harassment found to have occurred, and to correct its discriminatory effects on the complainant and others, if appropriate.

Reporting to Law Enforcement

An incident of sexual misconduct can be reported to law enforcement at any time, 24 hours a day/7 days a week, by calling 911. At the complainant's request, the College will assist the complainant in contacting law enforcement. If the complainant decides to pursue the criminal process, the College will cooperate with law enforcement agencies to the extent permitted by law. A complainant has the option to decide whether or not to participate in any investigation conducted by law enforcement. Filing a police report will:

Ensure that a victim of sexual assault receives the necessary medical treatment and tests

Provide the opportunity for collection of evidence helpful in prosecution, which cannot be obtained later (ideally a victim of sexual assault should not wash, douche, use the toilet, or change clothing prior to a medical/legal exam)

Reporting of Crimes & Annual Security Reports

Campus safety and security are important issues at InterCoast Colleges. Our goal is to provide students with a safe environment in which to learn and to keep students, parents, and employees well informed about campus security. The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act, or Clery Act, requires institutions of higher education to record and report certain information about campus safety, including the number of incidents of certain crimes on or near campus, some of which constitute sexual misconduct under this Policy.

Each year the College prepares this report to comply with the Clery Act. The full text of this report can be located on the College's web site at www.intercoast.edu. This report is prepared in cooperation with the local law enforcement agencies around our campus. Each year notification is made to all enrolled students and employees that provides the web site to access this report. Copies of the report may also be obtained in person from the Campus President or by calling 310-847-8400. All prospective employees may obtain a copy from the Business Office, website: www.intercoast.edu, or by calling 818-672-2100.

Timely Warnings

In the event that a situation arises, either on or off campus, that, in the judgment of the College President constitutes an ongoing or continuing threat, a campus wide “timely warning” will be issued. The warning will be disseminated to staff and students through announcements in campus facilities, cell phone messages, e-mail, College website, social media and/or flyers to ensure that the entire campus is likely to receive the warning. The timely warning will include information that promotes safety and tips to prevent similar crimes, allowing the campus community to take appropriate precautions. The timely warning will also include the time, location, and type of crime reported. Anyone with information warranting a timely warning should report the circumstances to the Campus President by phone at 310-847-8400 or in person at the College.

Third-Party and Anonymous Reporting

In cases where sexual misconduct is reported to the Title IX Coordinator by someone other than the alleged victim (by an instructor, classmate or friend, for example), the Title IX Coordinator will promptly notify the alleged victim that a report has been received. This Policy and the Procedures will apply in the same manner as if the alleged victim had made the initial report. The Title IX Coordinator will make every effort to meet with the alleged victim to discuss available options and resources. Reports from an anonymous source will be treated in a similar fashion.

No Retaliation

The College prohibits retaliation against those who file a complaint or third-party report, or otherwise participate in the investigative and/or disciplinary process (e.g., as a witness). The College will take strong responsive action if retaliation occurs. Any incident of retaliation should be promptly reported to the Title IX Coordinator or the College President.

Coordination With Drug Free School Policy

The College encourages students to report all instances of sexual misconduct. The College will take into consideration the importance of reporting sexual misconduct in addressing violations of the College’s alcohol and drug policies. An individual who participates as a complainant or witness in an investigation of sexual assault, domestic violence, dating violence, or stalking will not be subject to disciplinary sanctions for a violation of the College’s student conduct policies at or near the time of the incident, unless the College determines that the violation was egregious, including, but not limited to, an action that places the health or safety of any other person at risk or involves plagiarism, cheating, or academic dishonesty.

8. College Policy on Confidentiality

The College encourages victims of sexual misconduct to talk to somebody about what happened – so victims can get the support they need, and so the College can respond appropriately.

This policy is intended to make students aware of the various reporting and confidential disclosure options available to them – so they can make informed choices about where to turn should they become a victim of sexual misconduct. The College encourages victims to talk to **someone identified in one or more of these groups.**

Privileged and Confidential Communications – Professional & Pastoral Counselors

Professional, licensed counselors and pastoral counselors who provide mental-health counseling to members of the community (and including those who act in that role under the supervision of a licensed counselor) are not required to report any information about an incident to the Title IX coordinator without a victim’s permission. The College does not provide professional or pastoral counseling, but can assist a victim of sexual misconduct in obtaining support services from these groups or agencies. Contact information for these support organizations is listed in Section 5 of this Policy.

A victim who at first requests confidentiality may later decide to file a complaint with the College or report the incident to local law enforcement, and thus have the incident fully investigated.

NOTE: While these professional and pastoral counselors and advocates may maintain a victim’s confidentiality vis-à-vis the College, they may have reporting or other obligations under state law.

ALSO NOTE: If the College determines that the alleged perpetrator(s) pose a serious and immediate threat to the College community, the Campus President may be called upon to issue a timely warning to the community. Any such warning should not include any information that identifies the victim.

Reporting to “Responsible Employees”

A “responsible employee” is a College employee who has the authority to redress sexual misconduct, who has the duty to report incidents of sexual misconduct or other student misconduct, or who a student could reasonably believe has this authority or duty.

When a victim tells a responsible employee about an incident of sexual violence, the victim has the right to expect the College to take immediate and appropriate steps to investigate what happened and to resolve the matter promptly and equitably.

A responsible employee must report to the Title IX Coordinator all relevant details about the alleged sexual violence shared by the victim and that the College will need to determine what happened – including the names of the victim and alleged perpetrator(s), any witnesses, and any other relevant facts, including the date, time and specific location of the alleged incident.

To the extent possible, information reported to a responsible employee will be shared only with people responsible for handling the College’s response to the report. A responsible employee should not share information with law enforcement without the victim’s consent or unless the victim has also reported the incident to law enforcement.

The College’s responsible employees include any College employee that a student can reasonably believe has the authority or duty to redress and/or report incidents of sexual misconduct, including, but not limited to, professors, the Campus President, Administrative Assistant, Assistant Director of Admissions, Admissions Representatives, Tuition Coordinator, Director of Student Affairs, and Career Services Coordinator.

Before a victim reveals any information to a responsible employee, the employee should ensure that the victim understands the employee’s reporting obligations – and, if the victim wants to maintain confidentiality, direct the victim to confidential resources.

If the victim wants to tell the responsible employee what happened but also maintain confidentiality, the employee should tell the victim that the College will consider the request, but cannot guarantee that the College will be able to honor it. In reporting the details of the incident to the Title IX Coordinator, the responsible employee will also inform the Coordinator of the victim’s request for confidentiality.

Responsible employees will not pressure a victim to request confidentiality, but will honor and support the victim’s wishes, including for the College to fully investigate an incident. By the same token, responsible employees will not pressure a victim to make a full report if the victim is not ready to.

Reporting to Title IX Coordinator

When a victim tells the Title IX Coordinator about an incident of sexual misconduct, the victim has the right to expect the College to take immediate and appropriate steps to investigate what happened and to resolve the matter promptly and equitably.

To the extent possible, information reported to the Title IX Coordinator will be shared only with people responsible for handling the College’s response to the report. The Title IX Coordinator should not share information with law enforcement without the victim’s consent or unless the victim has also reported the incident to law enforcement.

Before a victim reveals any information to the Title IX Coordinator, the Coordinator should ensure that the victim understands the Coordinator’s obligations – and, if the victim wants to maintain confidentiality, direct the victim to confidential resources. If the victim wants to tell the Title IX Coordinator what happened but also maintain confidentiality, the Coordinator should tell the victim that the College will consider the request, but cannot guarantee that the College will be able to honor it.

The Title IX Coordinator will not pressure a victim to request confidentiality, but will honor and support the victim’s wishes, including for the College to fully investigate an incident. By the same token, the Title IX Coordinator will not pressure a victim to make a full report if the victim is not ready to.

Requesting Confidentiality: How the College Will Weigh the Request and Respond.

If a victim discloses an incident to the Title IX Coordinator but wishes to maintain confidentiality or requests that no investigation into a particular incident be conducted or disciplinary action taken, the College must weigh that request against the College’s obligation to provide a safe, non-discriminatory environment for all students, including the victim.

If the College honors the request for confidentiality, a victim must understand that the College’s ability to meaningfully investigate the incident and pursue disciplinary action against the alleged perpetrator(s) may be limited.

Although rare, there are times when the College may not be able to honor a victim’s request in order to provide a safe, non-discriminatory environment for all students.

The Title IX Coordinator will evaluate requests for confidentiality. When weighing a victim’s request for confidentiality or that no investigation or discipline be pursued, the Title IX Coordinator will consider a range of factors, including the following:

The increased risk that the alleged perpetrator will commit additional acts of sexual misconduct or other violence, such as:

- whether there have been other sexual misconduct complaints about the same alleged perpetrator;
- whether the alleged perpetrator has a history of arrests or records from a prior College indicating a history of violence;
- whether the alleged perpetrator threatened further sexual misconduct or other violence against the victim or others;
- whether the sexual misconduct was committed by multiple perpetrators;

- Whether the sexual misconduct was perpetrated with a weapon;
- Whether the victim is a minor;
- Whether the College possesses other means to obtain relevant evidence of the sexual ⁽¹⁾_(SEP)misconduct (e.g., security cameras or personnel, physical evidence);
- Whether the victim's report reveals a pattern of perpetration (e.g., via illicit use of drugs ⁽¹⁾_(SEP)or alcohol) at a given location or by a particular group. ⁽¹⁾_(SEP)

The presence of one or more of these factors could lead the College to investigate and, if appropriate, pursue disciplinary action. If none of these factors is present, the College will likely respect the victim's request for confidentiality. ⁽¹⁾_(SEP)

If the College determines that it cannot maintain a victim's confidentiality, the College will inform the victim prior to starting an investigation and will, to the extent possible, only share information with people responsible for handling the College's response. The College will remain ever mindful of the victim's well-being, and will take ongoing steps to protect the victim from retaliation or harm and work with the victim to create a safety plan. Retaliation against the victim, whether by students or College employees, will not be tolerated. The College will also:

- assist the victim in accessing other available victim advocacy, academic support, counseling, disability, health or mental health services, and legal assistance;
- provide other security and support, which could include issuing a no-contact order, helping arrange a change of course schedules (including for the alleged perpetrator pending the outcome of an investigation) or adjustments for assignments or tests; and
- inform the victim of the right to report a crime to local law enforcement – and provide the victim with assistance if the victim wishes to do so. ⁽¹⁾_(SEP)

The College may not require a victim to participate in any investigation or disciplinary proceeding.

Because the College is under a continuing obligation to address the issue of sexual violence campus-wide, reports of sexual violence (including non-identifying reports) will also prompt the College to consider broader remedial action – such as increased monitoring, supervision or security at locations where the reported sexual violence occurred; increasing education and prevention efforts, including to targeted population groups; conducting climate assessments/surveys; and/or revisiting its policies and practices.

If the College determines that it can respect a victim's request for confidentiality, the College will also take immediate action as necessary to protect and assist the victim. A victim's request for confidentiality will likely limit the College's ability to investigate a particular matter. The College may take steps to limit the effects of the alleged sexual misconduct and prevent its recurrence without initiating formal action against the alleged perpetrator or revealing the identity of the student complainant. Examples include: providing increased monitoring, supervision, or security at locations or activities where the misconduct occurred; providing training and education materials for students and employees; revising and publicizing the College's policies on sexual misconduct; and conducting climate surveys regarding sexual misconduct.

Miscellaneous

Take Back the Night and other public awareness events. Public awareness events such as "Take Back the Night," the Clothesline Project, candlelight vigils, protests, "survivor speak outs" or other forums in which students disclose incidents of sexual violence, are not considered notice to the College of sexual misconduct for purposes of triggering its obligation to investigate any particular incident(s). Such events may, however, inform the need for campus-wide education and prevention efforts.

Off-campus Counselors and Advocates. Off-campus counselors, advocates, and health care providers will also generally maintain confidentiality and not share information with the College unless the victim requests the disclosure and signs a consent or waiver form. Contact information for these off-campus resources can be found in Section 5 of this Policy.

9. Investigation Procedures and Protocols

The College's Title IX Coordinator oversees the College's investigation, response to, and resolution of all reports of prohibited sexual misconduct, and of related retaliation, involving students, faculty, and staff.

As soon as practicable after receiving a report, the Title IX Coordinator will make an initial assessment of the report to determine whether the report, on its face, alleges an act prohibited by this Policy. If the Title IX Coordinator determines the report states facts which, if true, could constitute a violation of this Policy, the Title IX Coordinator will assess whether the complaint should proceed through the voluntary resolution process or formal investigation process (see below). The Title IX Coordinator will communicate the determination regarding the initial assessment in writing to the complainant. If the Title IX Coordinator determines the complainant's report does not state facts that, if true, could constitute a violation of the Policy, the complainant may still file a report with the federal Office for Civil Rights, the police, or seek available civil remedies through the judicial system. The complainant may also re-file the report with the College upon discovery of additional facts.

Notice

After the initial assessment, if the Title IX Coordinator determines that the complaint may appropriately be resolved through voluntary resolution, the Title IX Coordinator will ask the complainant and respondent, separately, whether they would agree to pursue resolution of the complaint informally. If either party does not agree to pursue voluntary resolution, or if the complainant, respondent, or College, at any time, determines that voluntary resolution is not or no longer appropriate, the Title IX Coordinator will promptly inform the complainant and respondent in writing that the complaint will proceed through formal investigation.

After the initial assessment, the Title IX Coordinator may determine the complaint must proceed through formal investigation. The Title IX Coordinator will notify the complainant and respondent with written notice of the formal investigation, including the allegation(s). The complainant and respondent will be given the opportunity to meet separately with the Title IX Coordinator to review the Policy.

Voluntary Resolution

Voluntary resolution, when selected by all parties and deemed appropriate by the Title IX Coordinator, is a path designed to eliminate the conduct at issue, prevent its recurrence, and remedy its effects in a manner that meets the safety and welfare of the College community. If all parties voluntarily agree to participate in an informal resolution that does not involve a full investigation and adjudication after receiving a full disclosure of the allegation(s) and their options for formal resolution and if the College determines that the particular Title IX complaint is appropriate for such a process, the College will facilitate an informal resolution to assist the parties in reaching a voluntary resolution. The College retains the discretion to determine which cases are appropriate for voluntary resolution.

Voluntary resolution may include: conducting targeted or broad-based educational programming or training for relevant individuals or groups; providing increased monitoring, supervision, or security at locations or activities where the misconduct occurred; facilitating a meeting with the respondent with the complainant present; and any other remedy that can be tailored to the involved individuals to achieve the goals of the Policy.

Voluntary resolution may also include restorative principles that are designed to allow a respondent to accept responsibility for misconduct and acknowledge harm to the complainant or to the College community. Restorative models will be used only with the consent of both parties, and following a determination by the Title IX Coordinator that the matter is appropriate for a restorative approach.

The College will not compel parties to engage in mediation or to participate in any particular form of informal resolution. As the title implies, participation in voluntary resolution is a choice, and either party can request to end this manner of resolution and pursue an investigation and adjudication at any time, including if voluntary resolution is unsuccessful at resolving the report.

The time frame for completion of voluntary resolution may vary, but the College will seek to complete the process within 15 days of the all **parties' request for voluntary resolution.**

Formal Investigation Process

The Title IX Coordinator will designate a specially trained investigator (or team of investigators) to interview the complainant, respondent and any witnesses. The investigator will also gather pertinent documentary materials (if any) and other information.

The College's process for responding to, investigating and adjudicating sexual misconduct reports will continue during any law enforcement proceeding. The investigator may need to temporarily delay an investigation while the police are gathering evidence but will resume the investigation after learning that the police department has completed its evidence-gathering and will generally not wait for the conclusion of any related criminal proceeding.

The investigator will interview the complainant, respondent and any witnesses. They will also gather pertinent documentary materials (if any) and other information.

Time Frame for Investigation

Consistent with the goal to maximize educational opportunities and minimize the disruptive nature of the investigation and resolution, the Title IX Coordinator seeks to resolve all reports in a timely manner. In general, an investigation may last up to 30 days, from the date that written notice of the investigation was sent to the complainant and respondent. Adjudication through the hearing panel (see below), if applicable, will generally take up to 30 days from the date the investigative report is provided to both the complainant and the respondent. The Title IX Coordinator may set reasonable time frames for required actions under the Policy. Those time frames may be extended for good cause as necessary to ensure the integrity and completeness of the investigation, comply with a request by external law enforcement, accommodate the availability of witnesses, accommodate delays by the parties, account for College breaks or vacations, or address other legitimate reasons, including the complexity of the investigation (including the number of witnesses and volume of information provided by the parties) and the severity and extent of the alleged conduct. Any extension of the timeframes, and the reason for the extension, will be shared with the parties in writing. Best efforts will be made to complete the process in a timely manner by balancing principles of thoroughness and fundamental fairness with promptness.

Where necessary, the College will take immediate steps to protect complainants pending the final outcome of an investigation, including academic accommodations and other interim measures. These steps may include the ability to change class schedules; withdraw from/retake a class without penalty; access academic support such as tutoring; and no contact orders. Interim measures will be individualized and appropriate based on the information gathered by the Title IX Coordinator, making every effort to avoid depriving any student of his or her education. The measures needed by each student may change over time, and the Title IX Coordinator will communicate with each student throughout the investigation to ensure that any interim measures are necessary and effective based on the students' evolving needs.

Investigation Report

The investigator will prepare a report that includes a statement of the allegations and issues, the positions of the complainant and respondent, a summary of the evidence (including from interviews and documentation gathered), an explanation why any proffered evidence was not investigated, assessment of individual credibility, and findings of fact and an analysis of whether a violation of the Policy has occurred. The investigator will use "preponderance of the evidence" as the standard of proof to determine whether a violation of the Policy occurred. Preponderance of the evidence means that the investigator must be convinced based on the information it considers that the respondent was more likely than not to have engaged in the conduct at issue in order to find the respondent responsible for violating the Policy. The complainant and respondent will be simultaneously notified of the completion of the investigation and provided with the investigator's report.

Upon receipt of the investigative report, the complainant and respondent shall each have the opportunity to request a hearing be conducted pursuant to the procedures set forth in Section 10, below. If neither party requests a hearing within 10 calendar days from their receipt of the investigative report, then the recommended findings of responsibility set forth in the investigative report shall be final. The Title IX Coordinator shall rely on the recommended findings of responsibility in the investigative report for purposes of imposing sanctions in accordance with Section 11, below.

10. Grievance/Adjudication Procedures

Hearing Panel

If requested by either complainant or respondent following the distribution of the investigative report, the College will convene a hearing panel following the end of the investigation. The hearing panel determines whether the respondent is responsible or not responsible for a violation of the Policy. If the respondent is determined to be responsible, the matter proceeds to the sanctions stage.

The hearing panel will consist of three members who will be individuals associated with the College. The hearing panel may include the Title IX Coordinator unless the Title IX Coordinator was designated as the investigator of the complaint pursuant to Section 9, above. The hearing panel members may include administrators, officers, lawyers or other individuals with relevant experience and special training. Panel members may participate remotely so long as the hearing room is equipped with telephone equipment that allows the panel member to hear all the participants and to be heard by all the participants throughout the hearing proceedings. All panelists will receive training from experts in the field at least once a year. In addition to training on how the adjudicatory process works, the training will include specific instruction about how to approach students about sensitive issues that may arise in the context of sexual misconduct. The complainant and respondent will be informed of the panel's membership before the hearing process begins. A complainant and/or respondent may challenge the participation of a panel member because of perceived conflict of interest, bias, or prejudice. Such challenges, including rationale, must be made to the Title IX Coordinator, or the President if the challenge is against the Title IX Coordinator, at least 48 hours prior to the commencement of the hearing. At its discretion, the Title IX Coordinator, or the President if applicable, will determine whether such a conflict of interest exists and whether a panel member should be replaced. Postponement of a hearing may occur if a replacement panelist cannot be immediately identified.

Advisors

Both the complainant and the respondent are entitled to be accompanied to any meeting or proceeding relating to the allegation of sexual misconduct by an advisor or support person of their choice, provided the involvement of such advisor or support person does not result in the unreasonable postponement or delay of such meeting as scheduled.

Written Submissions

Both the complainant and respondent will have the opportunity to submit written responses to the investigation report and other relevant information to the hearing panel. Each of the complainant and respondent will have the opportunity to review any written submissions by the other. The hearing panel may set reasonable parameters for these written submissions. The hearing panel will review the investigation report and written submissions.

Hearing Procedures

The Title IX Coordinator will, whenever possible, give the complainant and respondent at least five days' advance notice of the hearing. Both the complainant and the respondent shall be provided with an opportunity to review any information gathered by the investigator

during the investigation process prior to the hearing. The names and other identifying information of other students will be redacted from such materials in accordance with the Family Educational Rights and Privacy Act (FERPA), except to the extent that doing so would interfere with the purpose of Title IX to eliminate sex-based discrimination. The Title IX Coordinator may arrange to hold the hearing at an off-campus location. The hearing is a closed proceeding, meaning that no one other than the panel members, the complainant and respondent, their respective advisors, witnesses (when called), and necessary College personnel may be present during the proceeding. The Campus President will work with College staff so that any student whose presence is required may participate in the hearing.

In general, hearings will proceed as follows:

The Title IX Coordinator may set reasonable time limits for any part of the hearing. Each of the complainant and respondent will have the opportunity to present witnesses and other information consistent with the Policy. The panel may determine the relevance of, place restrictions on, or exclude any witnesses or information. When the complainant and respondent are not able to be present for the hearing panel, arrangements will be made for participation via alternate means. The panel will ensure an adequate, reliable, and impartial investigation of the complaint.

In cases where either the complainant or respondent opts not to participate in the hearing, the panel may still hear from the other.

Additional hearing rules include:

Questioning. Only the panel may ask questions of the complainant and respondent and any witnesses. Both the complainant and respondent will have the opportunity to suggest questions of the other and of witnesses by submitting suggested questions to the panel in writing. The panel may revise or not ask any submitted questions that it deems are inappropriate or irrelevant to the proceedings. The hearing panel will inform the party that submits an inappropriate or irrelevant question of the reason(s) why the question was revised or not asked.

Information Regarding Romantic or Sexual History. The panel will not consider the romantic or sexual history of either the complainant or respondent in cases involving allegations of sexual misconduct, except for testimony offered by one or the other about the complainant's and respondent's shared sexual history that the panel deems relevant. If such information is offered by the complainant or respondent, the other has the right to respond. The existence of a prior consensual dating or sexual relationship between the complainant and respondent by itself does not support an inference of consent to alleged sexual misconduct.

Prior Conduct Violations. The hearing panel will not consider the respondent's prior conduct violations, unless the investigator provided that information to the hearing panel because the respondent was previously found to be responsible, and the previous incident was substantially similar to the present allegation(s) and/or the information indicates a pattern of behavior by the respondent. ⁽¹⁾_{SEP}

The College will keep an audio recording of the hearing for the use of the panel, for sanctioning, and for purposes of appeal. Cell phones and recording devices may not be used in the hearing room(s) unless approved by the panel in advance.

Panel Determinations/Standard of Proof

The panel will use "preponderance of the evidence" as the standard of proof to determine whether a violation of the Policy occurred. Preponderance of the evidence means that a panel must be convinced based on the information it considers that the respondent was more likely than not to have engaged in the conduct at issue in order to find the respondent responsible for violating the Policy. The panel will find a student responsible, or not responsible, based on a majority vote. The panel will generally render a decision within 10 days after the conclusion of a hearing. The panel's decision will include an explanation of the basis for the decision. If the panel finds the respondent responsible, the matter will proceed to the sanctions stage.

The parties will be informed of the results of the adjudication hearing by simultaneous written notice to both parties of the outcome of the complaint. As set forth in Section 12, below, both parties shall have the option to appeal the hearing panel's determination.

11. Sanctions and Other Remedies

The Title IX Coordinator, with the advice and counsel of the other hearing panel members, shall be responsible for imposing sanctions that are:

- Fair and appropriate given the facts of the particular case;
- Consistent with the College's handling of similar cases;
- Adequate to protect the safety of the campus community; and
- Reflective of the seriousness of sexual misconduct.

The Title IX Coordinator will consider relevant factors, including if applicable: (1) the specific sexual misconduct at issue (such as penetration, touching under clothing, touching over clothing, unauthorized recording, etc.); (2) the circumstances accompanying the lack of consent (such as force, threat, coercion, intentional incapacitation, etc.); (3) the respondent's state of mind (intentional, knowing, bias-motivated, reckless, negligent, etc.); (4) the impact of the offense on the complainant; (5) the respondent's prior disciplinary history; (6) the safety of the College community; and (7) the respondent's conduct during the disciplinary process.

The Title IX Coordinator will render a sanctioning decision within five days following the receipt of the panel's determination. The sanctioning decision will be communicated in writing to the complainant and the respondent.

The College may impose any one or more of the following sanctions on a student determined to have violated the Policy:

- Reprimand/warning
- Changing the respondent's academic schedule
- Disciplinary probation
- Restricting access to College facilities or activities
- Community service
- Issuing a "no contact" order to the respondent or requiring that such an order remain in place
- Dismissal or restriction from College employment
- Suspension (limited time or indefinite)
- Expulsion

In addition to any other sanction (except where the sanction is expulsion), the College may require any student determined to be responsible for a violation of the Policy to receive appropriate education and/or training related to the sexual misconduct violation at issue. The College may also recommend counseling or other support services for the student.

Whatever the outcome of the hearing process, a complainant may request ongoing or additional accommodations and the Title IX Coordinator will determine whether such measures are appropriate. Potential ongoing accommodations include:

- Providing an escort for the complainant
- Changing the complainant's academic schedule
- Allowing the complainant to withdraw from or retake a class without penalty
- Providing access to tutoring or other academic support, such as extra time to complete or re-take a class
- The College may also determine that additional measures are appropriate to respond to the effects of the incident on the College community. Additional responses for the benefit of the College community may include:
 - Increased monitoring, supervision, or security at locations or activities where the misconduct occurred
 - Additional training and educational materials for students and employees
 - Revision of the College's policies relating to sexual misconduct
 - Climate surveys regarding sexual misconduct

12. Appeals

Either the respondent or the complainant or both may appeal the determination of the hearing panel and/or the sanctions. Appeals are decided by the President of InterCoast Colleges. The three grounds for appeal are:

- A procedural error affecting the determination or sanction;
 - New information that was not available at the time of the investigation or hearing and that may change the determination or sanction; and
 - Excessiveness or insufficiency of the sanction.
- Disagreement with the finding or sanctions is not, by itself, grounds for appeals.

The appealing student must submit the appeal in writing to the President of InterCoast Colleges within five business days after receiving the sanctioning notice. If either the complainant or respondent submits an appeal, the Title IX Coordinator will notify the other that an appeal has been filed and the grounds of the appeal. The non-appealing student may submit a written response within five business days after notice of an appeal.

If the President concludes that a change in the hearing panel's determination is warranted based on the three grounds for appeal described above, the President may enter a revised determination, reconvene the panel to reconsider the determination, or return the matter for additional investigation. After consultation with the Title IX Coordinator, the President may also change the sanction. If both the complainant and respondent appeal, the appeals will be considered concurrently.

The President will notify the complainant and respondent of the final decision in writing. Appeals decisions will be rendered within 15 days after the receipt of the written appeal. All appeal decisions are final.

13. Records Disclosure

Disciplinary proceedings conducted by the College are subject to the Family Educational Records and Privacy Act (FERPA), a federal law governing the privacy of student information. FERPA generally limits disclosure of student information outside the College without the student's consent, but it does provide for release of student disciplinary information without a student's consent in certain circumstances.

Any information gathered in the course of an investigation may be subpoenaed by law enforcement authorities as part of a parallel investigation into the same conduct, or required to be produced through other compulsory legal process.

Additional information about FERPA can be found on the College's website at www.intercoast.edu.

The College will, upon written request, disclose to the alleged victim of a crime of violence (as that term is defined in Section 16 of Title 18, United States Code), or a non-forcible sex offense, the report on the results of any disciplinary proceeding conducted by the College against a student who is the alleged perpetrator of such crime or offense. If the alleged victim is deceased as a result of such crime or offense, the next of kin of such victim shall be treated as the alleged victim for purposes of this paragraph.

14. Education and Prevention Programs

As set forth in Section 3 of this Policy statement, Sexual Assault, Sexual Harassment, Sexual Exploitation, Dating Violence, Domestic Violence, and Stalking are all forms of Prohibited Conduct.

The College is committed to offering educational programs to promote awareness and prevention of Prohibited Conduct. Educational programs include an overview of the College's policies and procedures; relevant definitions, including prohibited conduct; discussion of the impact of alcohol and illegal drug use; consent; safe and positive options for bystander intervention; review of resources and reporting options available for students, faculty, and staff; and information about risk reduction. Incoming students and new employees will receive primary prevention and awareness programming as part of their orientation. The Title IX Coordinator maintains an education and prevention calendar and tailors programming to campus needs and climate.

The College provides education through community resources about sexual assaults and date rape. Students and employees can call the California Coalition on Domestic Violence at 1-800-524-4765 for additional referrals, or RAINN at 1-800-656-HOPE to find a rape crisis center in their area. This organization also offers sexual assault education and information programs to College students and employees upon request. Literature on date rape education and sexual assault materials are available through the President's Office at 818-727-1212.

As part of the College's commitment to provide an educational and work environment free from Prohibited Conduct, this Policy will be disseminated widely to the College community through e-mail communication, publications, websites, new employee orientations, student orientations, and other appropriate channels of communication.

The Title IX Coordinator, hearing panel members, and anyone else who is involved in responding to, investigating, or adjudicating sexual misconduct will receive annual training from experts in the field. In addition to training on how the adjudicatory process works, the training will include specific instruction about how to approach students about sensitive issues that may arise in the context of sexual misconduct.

Definitions of Sexual Misconduct under California Law

Sexual Assault is any unwanted physical contact of a sexual nature that occurs either without the consent of each participant or when a participant is unable to give consent freely. Sexual assault can occur either forcibly and/or against a person's will, or when a person is unable to give consent freely. Non-consensual sexual intercourse is any form of sexual intercourse (vaginal, anal or oral) with any object without consent. Non-consensual sexual contact is any intentional sexual touching, however slight, with any object without a person's consent.

California law provides the following definitions with respect to incidents of sexual assault:

The California Education Code states that "sexual assault" includes, but is not limited to: rape, forced sodomy, forced oral copulation, rape by a foreign object, sexual battery, or the threat of any of these. (Ed. Code, § 67380(c)(3).)

Cal. Pen. Code § 261(a) defines Rape as an act of sexual intercourse accomplished with a person not the spouse of the perpetrator, under any of the following circumstances:

- Where a person is incapable, because of a mental disorder or developmental or physical disability, of giving legal consent
- Where it is accomplished against a person's will by means of force, violence, duress, menace, or fear of immediate and unlawful bodily injury on the person or another
- Where a person is prevented from resisting by any intoxicating or anesthetic substance, or any controlled substance

- Where a person is at the time unconscious of the nature of the act
- Where a person submits under the belief that the person committing the act is someone known to the victim other than the accused, and this belief is induced by any artifice, pretense, or concealment practiced by the accused, with intent to induce the belief
- Where the act is accomplished against the victim's will by threat

California Penal Code § 646.9 defines Stalking as any person who willfully, maliciously, and repeatedly follows or willfully and maliciously harasses another person and who makes a credible threat with the intent to place that person in reasonable fear for his or her safety, or the safety of his or her immediate family is guilty of the crime of stalking.

Under California law, Cal. Pen. Code § 13700(b), "Domestic violence" means abuse committed against an adult or a minor who is a spouse, former spouse, cohabitant, former cohabitant, or person with whom the suspect has had a child or is having or has had a dating or engagement relationship. Factors that may determine whether persons are cohabiting include, but are not limited to,

- sexual relations between the parties while sharing the same living quarters,
- sharing of income or expenses,
- joint use or ownership of property,
- whether the parties hold themselves out as husband and wife,
- the continuity of the relationship, and
- the length of the relationship.

The California Penal Code does not define “Dating Violence.” However, the California Department of Public Health provides the following definition of Teen Dating Violence:

Teen Dating Violence (TDV), also known as Adolescent Relationship Abuse (ARA), can be defined as violence and/or abuse among two adolescents, ages 10-24 in a current, past and/or potential romantic relationship, including physical, verbal, emotional, sexual, economic, technological, and stalking, where there is an imbalance of power and a pattern of coercion over time.

(<https://www.cdph.ca.gov/Pages/TeenDatingViolence.aspx>, accessed 8-25-16)

Under California Education Code, Cal. Ed. Code § 67386, “Affirmative consent” means affirmative, conscious, and voluntary agreement to engage in sexual activity.

It is the responsibility of each person involved in the sexual activity to ensure that he or she has the affirmative consent of the other or others to engage in the sexual activity.

Lack of protest or resistance does not mean consent, nor does silence mean consent.

Affirmative consent must be ongoing throughout a sexual activity and can be revoked at any time.

The existence of a dating relationship between the persons involved, or the fact of past sexual relations between them, should never by itself be assumed to be an indicator of consent.

In the evaluation of complaints in any disciplinary process, it shall not be a valid excuse to alleged lack of affirmative consent that the accused believed that the complainant consented to the sexual activity under either of the following circumstances:

- The accused’s belief in affirmative consent arose from the intoxication or recklessness of the accused.
- The accused did not take reasonable steps, in the circumstances known to the accused at the time, to ascertain whether the complainant affirmatively consented.
- In the evaluation of complaints in the disciplinary process, it shall not be a valid excuse that the accused believed that the complainant affirmatively consented to the sexual activity if the accused knew or reasonably should have known that the complainant was unable to consent to the sexual activity under any of the following circumstances:
 - The complainant was asleep or unconscious.
 - The complainant was incapacitated due to the influence of drugs, alcohol, or medication, so that the complainant could not understand the fact, nature, or extent of the sexual activity.
 - The complainant was unable to communicate due to a mental or physical condition.

Bystander Intervention

The College’s primary prevention and awareness program includes a description of safe and positive options for bystander intervention. Active bystanders take the initiative to help someone who may be targeted for a sexual assault. They do this in ways that are intended to avoid verbal or physical conflict. Active bystanders also take the initiative to help friends, who are not thinking clearly, from becoming offenders of crime. Intervention does not mean that you directly intervene to stop a crime in progress; rather, these steps are “early intervention” – before a crime begins to occur. There are three important components to consider before taking action that we refer to as the ABCs:

- Assess for safety. Ensure that all parties are safe, and whether the situation requires calling authorities. When deciding to intervene, your personal safety should be the #1 priority. When in doubt, call for help.
- Be with others. If it is safe to intervene, you are likely to have a greater influence on the parties involved when you work together with someone or several people. Your safety is increased when you stay with a group of friends that you know well.
- Care for the person. Ask if the target of the unwanted sexual advance/attention/behavior is okay – does he or she need medical care? Ask if someone they trust can help them get safely home.

Information on Bystander Intervention was provided by the Department of Defense Sexual Assault Prevention and Response Office from:

www.sapr.mil

Risk Reduction

The College’s primary prevention and awareness program includes information on risk reduction. This includes:

- Avoiding Dangerous Situations. While you can never completely protect yourself from sexual assault, there are some things you can do to help reduce your risk of being assaulted.
- Be aware of your surroundings. Knowing where you are and who is around you may help you to find a way to get out of a bad situation.
- Try to avoid isolated areas. It is more difficult to get help if no one is around.
- Walk with purpose. Even if you don’t know where you are going, act like you do.
- Trust your instincts. If a situation or location feels unsafe or uncomfortable, it probably isn’t the best place to be.
- Try not to load yourself down with packages or bags as this can make you appear more vulnerable.
- Make sure your cell phone is with you and charged and that you have cab money.
- Don’t allow yourself to be isolated with someone you don’t trust or someone you don’t know.
- Avoid putting music headphones in both ears so that you can be more aware of your surroundings, especially if you are walking alone.

Safety Planning. Things to think about:

How to get away if there is an emergency? Be conscious of exits or other escape routes. Think about options for transportation (car, bus, subway, etc.).

Who can help? Friends and/or family, or support centers in your area. Please see Section 4 of this Policy for a list of support organizations.

Where to go? Options may include a friend's house or relative's house, or you may consider going to a domestic violence or homeless shelter. You may also go to the police. Important Safety Note: If the dangerous situation involves a partner, go to the police or a shelter first.

What to bring? This may include important papers and documents such birth certificate, social security card, license, passport, medical records, lease, bills, etc. This will also include house keys, car keys, cash, credit cards, medicine, important numbers, and your cell phone. If you are bringing children with you, remember to bring their important papers and legal documents. You can keep all of these things in an emergency bag. You should hide the bag—it is best if it is not in your house or car. If the bag is discovered, you can call it a “tornado” or “fire” bag.

Protecting Your Friends. You have a crucial role to play in keeping your friends safe. No matter what the setting, if you see something that doesn't feel quite right or see someone who might be in trouble, there are some simple things you can do to help out a friend.

Distract. If you see a friend in a situation that doesn't feel quite right, create a distraction to get your friend to safety. This can be as simple as joining or redirecting the conversation: suggest to your friend that you leave the party, or ask them to walk you home. Try asking questions like: “Do you want to head to the bathroom with me?” or “Do you want to head to another party – or grab pizza?”

Step in. If you see someone who looks uncomfortable or is at risk, step in. If you feel safe, find a way to de-escalate the situation and separate all parties involved. Don't be shy about directly asking the person if they need help or if they feel uncomfortable.

Enlist others. You don't have to go it alone. Call in friends or other people in the area as reinforcements to help defuse a dangerous situation and get the at-risk person home safely. There is safety in numbers.

Keep an eye out. Use your eyes and ears to observe your surroundings. If you see someone who has had too much to drink or could be vulnerable, try to get them to a safe place. Enlist friends to help you. Even if you weren't around when the assault occurred, you can still support a friend in the aftermath.

Social Situations. While you can never completely protect yourself from sexual assault, there are some things you can do to help reduce your risk of being assaulted in social situations.

When you go to a social gathering, go with a group of friends. Arrive together, check in with each other throughout the evening, and leave together. Knowing where you are and who is around you may help you to find a way out of a bad situation.

Trust your instincts. If you feel unsafe in any situation, go with your gut. If you see something suspicious, contact law enforcement immediately.

Don't leave your drink unattended while talking, dancing, using the restroom, or making a phone call. If you've left your drink alone, just get a new one.

Don't accept drinks from people you don't know or trust. If you choose to accept a drink, go with the person to the bar to order it, watch it being poured, and carry it yourself. At parties, don't drink from the punch bowls or other large, common open containers.

Watch out for your friends, and vice versa. If a friend seems out of it, is way too intoxicated for the amount of alcohol they've had, or is acting out of character, get him or her to a safe place immediately.

If you suspect you or a friend has been drugged, contact law enforcement immediately. Be explicit with doctors so they can give you the correct tests (you will need a urine test and possibly others).

Information on Risk Reduction was provided by RAINN: Rape, Abuse & Incest National Network: www.rainn.org.

15. Amendments

The College may amend the Policy or the Procedures from time to time. Nothing in the Policy or Procedures shall affect the inherent authority of the College to take such actions as it deems appropriate to further the educational mission or to protect the safety and security of the College community.
