## **STUDENT'S RIGHT TO CANCEL**

**STUDENTS RIGHT TO CANCEL:** The student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session (first day of classes), or the seventh calendar day after enrollment (**seven calendar days from the date when enrollment agreement was signed**), whichever is later.

The notice of cancellation shall be in writing and submitted directly to the Financial Aid Office. A withdrawal may be initiated by the students written notice or by the institution due to students academics or conduct, including, but not necessarily limited to, a students lack of attendance.

### **REFUND POLICY:**

This institution utilizes the Bureau for Private Postsecondary Education refund policy (Ed. Code 71750)

Applies to all terminations for any reason. A pro rata refund shall be no less than the total amount owed by the student for the portion of the educational program provided subtracted from the amount paid by the student, calculated as follows: (1) The amount owed equals the daily charge for the program ( total institutional charge, divided by the number of days or hours in the program), multiplied by the number of days student attended, or was scheduled to attend, prior to withdrawal (2) Except as provided for in subsection (a) (3) of this section, all amounts in excess of what is owed as calculated in subdivision (a)(1) shall be refunded. (3) All amounts that the student has paid shall be subject to refund unless the enrollment agreement and the refund policy outlined in the catalog specify amounts paid for an application fee or deposit not more than \$250.00, books, supplies or equipment, and specify whether and under what circumstances those amounts are non-refundable. Except when an institution provides a 100% refund, any assessment paid is non-refundable. (4) Refund calculations are based on actual hours or scheduled hours. The institution shall pay or credit refunds within 45 days of a student's cancellation or withdrawal.

A registration fee of no more than \$175.00 is non-refundable item. Equipment, books, supplies, tools uniforms, kits and any other items issued and received by the student would not be returnable. Once received by the student, these items will belong to the student and will represent a liability to the student.

The date you notify the **Financial Aid Office** of your intent to withdraw. Only the Financial Aid Office would be authorized to accept a notification of your intent to withdraw.

The date the school terminates your enrollment due to academic failure or for violation of its rules and policies stated in the catalog.

The date you fail to attend classes for a two-week period and fail to inform the school that you are not withdrawing.

The date you failed to return as scheduled from an approved leave of absence. The withdrawal date shall be the last date of recorded attendance. The date of the determination of withdrawal will be the scheduled date of return from LOA.

**Return of Title IV:** Special note to students receiving Unsubsidized/Subsidized/PLUS/Perkins loans, ACG/National SMART/Pell/SEOG grants or other aid, if you withdraw from school prior to the completion of the equivalent to **60 percent** of the workload in any given payment period, a calculation using the percentage completed will be applied to the funds received or that could have been received that will determine the amount of aid the student earned.

Unearned funds would be returned to the program in the order stated below by the school and/or the student. Student liability to loan funds will continue to be paid in accordance to the original promissory note terms. Funds owed by the student to the Grant programs are limited to 50% of the gross award per program received. Sample Calculation, completion of 25% of the payment period or enrollment period earns only 25% of the aid disbursed or that could have been disbursed. If applicable, this would be the first calculation to determine the amount of aid that the student would be eligible for from the Title IV Financial Aid programs. A second calculation would take place to determine the amount earned by the institution during the period of enrollment. If the student is eligible for a loan guaranteed by the federal or state government and the student defaults on the loan, both of the following may occur:

(1) The federal or state government or a loan guarantee agency may take action against the student, including garnishing any income tax refund to which the person is entitled, to reduce the balance owed on the loan.
